

# GRESHAM LOCALS

The regular meeting of the Gresham W. C. T. U. will be held at the library on next Thursday afternoon. All superintendents of departments will be present and officers of the union and plans will be laid for the ensuing year. This meeting was formerly announced for the home of Mrs. E. Davidson.

Frank Jones, Floyd Mack and Leslie Walrad left on Saturday for eastern Oregon to shoot wild geese. They expect to be well laden with game as they will have the freedom of a 10,000 acre farm at Blalock and have had word that the geese are plentiful. Mr. Jones may remain for a week or two but the others are expected home this week.

Mrs. L. T. Lusted and daughter, Miss Inez, and Miss Emma Johnson were guests last Sunday of Mr. and Mrs. Robt. Lansdowne in Oregon City. Mrs. H. C. Larson is again able to be up and about the house. She was quite ill again last week.

Miss Myrtle Rusher returned to school last Monday after an absence of several weeks. She is much improved following the operation for mastoid abscess.

J. H. Cone has returned from Lone Rock, where he went three weeks ago to look after business matters and visit with his sons who are conducting his lumber yard there. A short time before Mr. Cone went to eastern Oregon he was on a business trip to Gaston and while in the hills near that place discovered a still which he reported to the authorities. He has since learned that the still was destroyed and the owner arrested.

T. D. Lyman underwent a successful operation for the removal of a cancer recently. Dr. J. M. Short performed the operation at the Good Samaritan hospital. Following the operation he is taking X-ray treatments but is doing well. He is at his home here. The growth was removed from his face.

Mrs. Geo. Tachon, who was so seriously ill for a week or ten days, is much improved and is slowly regaining her strength. She is able to be up a part of the time now.

Little Irene Timmerman returned from Black Rock, Oregon, Friday evening where she spent a month visiting her brother E. P. Canny and wife during her mother's recuperation after an operation she underwent at Good Samaritan hospital in September. Mrs. Canny accompanied Irene home and spent the week-end with Mrs. Timmerman, returning Monday to Black Rock.

Miss Lillian Jaeger of Portland was a week-end guest of Mrs. R. D. Bailey and family.

G. E. Bangs is employed in Portland with a large mail order house.

C. W. Gleason left Monday for Prineville where he will have charge of the cream station for the Mutual Creamery company of Portland. Mr. Gleason recently received a state license as a tester and scored 100 per cent on the test although it had been about eight years since he had done that sort of work. Mrs. Gleason and the children will remain in Gresham for a while at least.

Albert Krider has gone to Prosser, Washington on a business trip.

Mrs. Pat Conley and son from Springfield have been visiting with Mr. and Mrs. John Conley the past week. They stopped here on their return from a trip to Vancouver, B. C., and left for their home Monday.

An old-fashioned quilting bee was enjoyed by a number of women of Cleveland avenue on Friday afternoon at the home of Mrs. George Johnston. Three quilts were finished and something of the enjoyment was experienced which the pioneer women felt when they met from home to home to help one another "tie off" quilts. Those present were Mrs. S. J. Bennison, Mrs. Wm. Smith, Miss Smith, Mrs. McKinney, Mrs. Harry Calkins, Mrs. Mary McAllister, Mrs. Harry Warden, Mrs. A. Price, Mrs. Ed. Smith, Mrs. H. Knox, Mrs. E. B. Kirkwood and Mrs. Chas. Lundquist.

The members of the Epworth League of the Gresham Methodist church were invited to join last Saturday evening. Four auto loads of young people accepted the invitation and reported an evening of merriment with mysteries and stunts and games.

H. W. Thorne, who recently opened a real estate office in the Bank of Gresham building, has received his license from the state as a real estate broker. G. W. Altman has also received a state license.
