BE ON YOUR GUARD.

Robberies, burglaries and hold-ups appear to be on the increase all over the country. They are especially rife in the large cities. Suburban localities generally offer a rich field for store and house burglaries though they are usually spared the hold-up experiences of the city.

While the nation is studying the possibilities and conditions of disarmament it may be well for private citizens and business proprietors to study how to better be prepared to meet a threatening state of lawlessness. There is need of preparation, if possible, to avert the prevailing condition of guerrilla warfare being carried on against the peaceable right to one's possessions and the enjoyment of life, liberty and the pursuit of happiness.

Suspicious characters are seen on our streets and in the stores. It is getting to be so that a storekeeper looks anxiously about when he opens his place of business in the morning to see if it has been robbed during the night.

Train robberies and bank robberies have become so common that the stories of them cease to have a thrill or provoke comment.

What can be done? Eternal vigilance is the first necessity. Everyone must be on his guard. Keep an eye on suspicious strangers.

Another thing is to keep the money in the bank and not on your person or in your cash till.

Another thing for the protection of the home is to keep a good watch dog. A police dog or a great Dane is not only a companion and protection for the home folks but when properly trained is an almost absolute insurance against house robbery.

If you have diamond rings and other trapperies suggestive of wealth keep them out of sight.

Burglary is a profession—a dishonest one, of course. You can generally detect a man's profession if you are a close observer. Sometimes you will be fooled but it is well to combat the wave of crime by keeping temptation out of the criminal's sight and make the criminally inclined feel uncomfortable by your straightforwardness and honesty.

It is not well to put too much dependence on firearms unless you are a professional in their use. The criminal usually is—and he is fearless.

In view of the crime wave citizens of Gresham may feel a measure of security in the presence of a night watchman. His presence makes a would-be burglar or highway robber stop and think. It is a strong invitation to the criminal and lawless to stay away.

Gresham has been fortunate so far. Our greatest means of security is in being on our guard with reasonable police protection for our city.

MULTNOMAH MAN WINS IN POTATO EXHIBIT

At the Land Products show last week in Portland, Walter F. Robinson of Multnomah county, exhibited in six classes for potatoes and walked off with \$77.50, five first prizes and one second.

He exhibited Burbanks, 5 bushels; American Wonder, 5 bushels; Rural New Yorkers, 5 bushels; Early Rose, 5 bushels and Early Rose, 1 bushel, winning first prize on them. On his Scotch Rural, 5 bushels, he won second prize.

COUNTY COUNCIL WILL MEET IN TROUTDALE

Plans for the entertainment of the County Council of Parent-Teacher association at Troutdale next Saturday, November 19, are well under way. The meeting will be held at the church, beginning at 11 o'clock. The Troutdale Parent-Teacher association will furnish the lunch, for which a silver offering will be taken to be used in the work of the County Council. This plan has been instituted this year instead of the former plan of taking sandwich lunches.

Current events will be given by Gilbert and Lynch schools. This will be the first meeting of the association since the tragic death of Miss Grace Fieldhouse of the Lusted school, who was an enthusiastic worker and who was to have taken part in this program.

TROUTDALE

The Ladies' Aid will give a chicken pie supper and bazaar at the church on Saturday evening, December 3. Large plans are being made for the affair which will be of interest to all residents of Troutdale and vicinity. It has been the custom of the Ladies' Aid for several years to give a bazaar on the first Saturday evening in December. This is coming to be looked forward to as a social event of the community.

The meeting of the Parent-Teacher association on last Thursday was well attended and interesting. Initial steps looking toward a community hall were made by the association. Mrs. L. A. Harlow was appointed a committee to interview the city council and other organizations to solicit backing.

Mrs. Mary Parsons is planning to leave the latter part of this week with her children for Kansas to assist in caring for her father-and sister who are ill. She will be away indefinitely.

FAIRVIEW

J. Jackson has purchased two lots on Sixth and Cedar streets and is erecting a new 4-room bungalow.

J. Peterson has improved his property with a new wood shed and new paint on the buildings.

The graveling of Cedar and Second streets is nearly completed.

John Burlingame and Ernest McCorkle, who have been working in the apple orchards of the Mosier valley for the past six weeks, have returned home.

The new house of W. Brooks on Sixth and Harrison streets is nearly completed.

Mrs. M. Douthit of Portland spent the past week at the home of her daughter, Mrs. J. W. Moller and family.

Mrs. Oren Brooks, who has been in George Samaritan hospital for the past ten days has returned home much improved in health.

Mr. and Mrs. S. Dixon entertained the Epworth League at their home on last Monday evening. Plans for a social for the near future were discussed and will be announced later.

Mr. and Mrs. Edwin Burlingame were dinner guests of Mr. and Mrs. Edward Cree of Lents last Sunday.

Mrs. H. S. Stone has donated two lots on Second street to the Fairview grange, which will erect a new hall there in the near future.

Mate Burlingame of Portland has moved with his family to Fairview. They are occupying the house with his brother Ed and family until a permanent location can be secured.

Mrs. J. W. Moller and daughter, Marjorie, spent the week-end in Scappoose with Mrs. Moller's sister, Mrs. George Frakes and family.

George Shaw and family have returned from Hood River where they spent more than a month in the apple orchards.

House scarcity is a problem in Fairview, there being no available houses here at present.

GIRL'S STATEMENT WILL HELP GRESHAM

Many women will profit by the following statement of one of their sex: "I was afraid to eat on account of stomach trouble. Even rice did not agree. After taking Adler-ika I can eat anything." Adler-ika acts on BOTH upper and lower bowel, removing foul matter which poisons the stomach. EXCELLENT for gas on the stomach or sour stomach. Guards against appendicitis. It brings out poisonous matter you never thought was in your system. Gresham Drug Company.—Adv.

LOWDEN GIVEN RECEPTION

Continued from Page 1.

to withdraw from the race when he was in the lead at the finish, and put the rear man—though a good man or dark horse—in first under the wire. We had yet to learn that here is a man of the greatest magnanimity in all respects that ever lived, or is yet living. Anyone whom he understands to be worthy can have a presidency that belongs to him, or his second term of governorship or ambassadorship or cabinet position. Every policy or principle of his is unselfish, enlightening, constructive and seductive. Anyone listening to a speech of his or reading an article of his like "The Enemy Within Our Gates" may be convinced that the finest fiber of his being thrills with patriotic fervor, and responds to the up-building of homes and the welfare of his countrymen at large. He says and believes that the family is the real basis of a God-fearing state. The state and the nation have yet to learn from Lowden, and to hear from him, if it please the Almighty, on his policy of one term for president of the United States. Next in importance to his serving such term himself or the limitation of armaments throughout the world, will be the advantage of a provision limiting a president to a single term in office.
