

SPECIAL ONE-DAY TRIANGLE SALE

Quality Brand Aluminum Ware

HOW CAN WE DO IT? Is the regular question when people see the heavy goods and the low price. It is simply an advertising introductory sale of this high grade ware and the purchaser gets the benefit and is naturally a booster as this ware makes good in your home, or is replaced with a new piece by reason of the Twenty-Year Guarantee that backs every article. It is real standard quality goods. Come in and look it over.

This sale will attract crowds of buyers—we urge an early attendance so you won't be disappointed. Every article is genuine Quality Brand Aluminum ware, guaranteed for twenty years—made from 99 per cent pure, hard aluminum metal. Do not compare this with the ordinary light-weight Aluminum ware commonly featured in "Special Sales." It is not in the same class. See our window display and then be on hand very promptly
