ROCKWOOD

H. T. Dye of Sheridan, Wyoming, has taken over the store of John Everhart who has been in business here for many years. Mr. Dye traded a building at Molalla for the Rockwood property. Mr. Dye is remodeling the cottage near by to live in.

Mr. Everhart has sold his residence to Mrs. Johnson, who recently came here from the East for gas on the road. A Ladies Aid society was organized at the Rockwood parsonage on Thursday, December 8 by the minister and his wife, the Rev. and Mrs. L. F. Smith. Besides these two names, others on the list are Mrs. C. L. Haynes, Mrs. Lucinda Lamb, Mrs. Nicholls, Mrs. B. F. Rowen, Mrs. A. J. Stone, Mrs. W. A. Rowen, Mrs. G. Cutler, Mrs. Stensfield, Mrs. I. Burgess and Mrs. Smith. The Aid will give a silver tea for the benefit of the parsonage fund on Thursday afternoon of this week at the parsonage. A cordial invitation is extended to all.

MAN GIVES WIFE GLYCERINE MIXTURE

She had stomach trouble for years. After giving her simple buckthorn bark, glycerine, etc., as mixed in Adler-I-ka, her husband says: "My wife feels fine now and has gained weight. It is wonderful stomach medicine." Adler-I-ka acts on BOTH upper and lower bowel, removing foul matter which poisoned stomach and which you never thought was in your system. EXCELLENT for gas on the stomach or chronic constipation. Guards against appendicitis. The impurities it brings out will surprise you. Gresham Drug Company.—Ad.

PLEASANT HOME

Sunday afternoon, December 18, the junior department of the M. E. Sunday school will entertain their parents and the parents of the cradle roll babies, at the church. The children will give a short program and will also welcome several new babies to the ranks of the cradle roll and certificates of membership will be issued to all who are members of this department. The aim of the department is a 100 per cent attendance on the part of the parents and the only excuse to be offered is sickness, for cars will be sent to any home where there is no other way of attending if the word is sent to the superintendent, Mrs. Alta Gentry, or any of the teachers in the department. The teachers and officers plan to take their dinner and spend the day at the church and invite any of the parents who wish to do so to join with them. This will do away with the rush and hurry of going home after church and then back again in the afternoon. Beside the children's program some of the work of the department will be shown. The balance of the program is shrouded in deep mystery.

"Fundamental Laws of Physical and Spiritual Health" will be the pastor's topic at the morning service Sunday, December 18, at the Methodist church. Sunday school meets at 10 a. m. The church services have been increasing in interest and attendance recently. At the worker's conference last Sunday it was voted to commence evening services with the first of the year. It was also decided to give the Christmas program on Sunday evening, December 25.

The young people of the Methodist church met last Sunday evening at the church to practice songs for Christmas. Practice will be continued on Sunday evening, December 18, and it is hoped that the attendance will be at least doubled, making 18 or 20 present.

The Ladies' Aid society of the Methodist church is planning for their bazaar and chicken pie supper at the church on Friday evening, December 16. After the sale and supper which begin about 4:30 to 5 p. m., and closes about 8 o'clock, there will be a short program of readings and musical numbers. It is expected that the Sandy quartet will give several numbers. Chicken pie supper will be served for what it costs to buy a lunch in town, and it is hoped that everyone will take advantage of the opportunity offered. Especially are the basket ball teams and those who enjoy the game asked to have supper at the church before going to the game.

The bazaar given by the Ladies' Aid of the Baptist church was a splendid success. Every article was sold at a good price and the supper was excellent with chicken and pie a-plenty. The program was much enjoyed by all present especially the impersonation of the Indian by Mrs. Donough of Fairview.

The Orient school is progressing nicely under the able management of the new principal, Mrs. Graham, of Portland.
