Ambassador

The New Pattern

Distinctively new in design is the Ambassador Pattern—the latest product of the world's largest makers of fine silverplate. True to old ideals of quality, the Ambassador is worthy to bear the trademark found on all

1847 ROGERS BROS.
SILVERWARE

It could not be made better, could not give you more for your money in freshness of design and in that supreme quality which enables it to withstand years of daily service.

Husband, son or daughter will welcome the opportunity, on each succeeding anniversary, to add to your silver service.

We are now displaying the Ambassador Pattern. Come in and see it.
