Paper Issued Under Difficulties.

This issue of the Outlook is a combined Tuesday and Friday issue. This is because of the great rush of work which has kept the force working night and day most of the time for the past few weeks. The putting out of the largest and our many friends inform us, the best annual Christmas number last week delayed much important work which it was necessary to finish early this week. Storm conditions plus the pressure of much uncompleted job work and the delay caused by the extra work of getting out the large edition of the Outlook made it impossible to put out the two papers this week.

BORING WILL RESUME PUBLIC MEETINGS.

All the families who have been quarantined for smallpox have been released and public meetings will be resumed, it is promised, on Christmas eve. The school has been closed until January 2. Church, Sunday school and other meetings have been discontinued for some time but will be resumed soon, it is expected.

CEDAR AND VICTORY

The members of the Victory pig club met last Saturday evening and surprised their leader, Mrs. Alta Stafford. The surprise was complete and everybody enjoyed the evening. The boys presented Mrs. Stafford with a beautiful silver berry spoon as an expression of their appreciation of her work and interest.

Members of the family gathered at the home of G. W. Alder Sunday evening in honor of his birthday. Owing to the cold weather only the immediate members of the family who lived nearby were present. The surprise was complete, so complete in fact, that after the party had assembled Mr. Alder spoke of his birthday being an event of the near future and he had to look up the dates to discover that he was behind the times and his birthday was a present condition and not a future possibility. Those present were: Mr. and Mrs. Geo. Hayden and children, Mr. and Mrs. Al Stafford and children and Mr. and Mrs. Carl Alder and daughter Evelyn of Gresham.

TERRY

The Christmas program and entertainment which was to have been held this week at the schoolhouse has been indefinitely postponed. The weather is so cold that travel with cars is quite difficult and radiators must be drained if the cars are to stand outside any length of time. Every one preferred to wait until more settled weather. Those in charge promise that the program will be given as soon as the weather settles no matter if it is July 4th.

SANDY

A story of "The Christmas Angel" by Henry Van Dyke will be used as the basis of the sermon by the pastor, Rev. Earl B. Cotton, at Sandy on Sunday evening, December 25, at 7:45. All men who wish to follow the King of Kings and who want to know "more perfectly concerning the way" are invited to be present.

The boys and girls of today will be the future citizens of our country. Are we teaching them the first essential of good citizenship—Health?

Gresham merchants have unusually artistic and attractive window displays of holiday goods. These only hint at the full stocks inside.
