MANY PUPILS WRITING IN ESSAY CONTEST

To the Gresham Outlook—It may be of interest to your readers to know that on June 15th next, the government will redeem all 3% per cent Liberty Loan Victory Notes, that neither registered bonds nor coupon bonds will bear any interest after June 15th, that all of the above bonds may be cashed now at par and accrued interest, that the conversion of 3% per cent Victory Notes was suspended on February 9th.

The First State Bank, Essay Contest is being participated in by two high schools and 17 grade schools, seven of which are in Clackamas county. The subject on which the pupils are writing is "What Lincoln's Gettysburg address has meant to the world."

In the two high schools there are 93 boys and 130 girls writing essays on the above subject, or 223 pupils in all in the high schools. In the

grade schools there are 27 boys in the eighth grade, 28 boys in the seventh grade, 30 girls in the eighth grade, and 34 girls in the seventh grade, writing essays, or a total of 55 boys and 64 girls, making a total of 119 pupils competing in the contest in the grade schools.

FIRST STATE BANK.

Auto Tires Beat Thorns.

An old inner tube from a large sized auto tire is useful pruning black raspberries. The berry canes should be drawn together partly and tied with binder twine so that they afford mutual support after which they should be pruned back to a height of about 30 inches. By drawing the tube over the left arm and cutting it just beyond the hand good protection from thorns may be had during the pruning.

Multiply your returns by adding want ads. to your methods.

GRESHAM LOCALS

Mrs. H. M. Shaw has just returned from a trip which lasted several weeks. She visited her daughter in Spokane and her son in Everett, Washington.

When the steamer Ermydine leaves Portland next Monday for London, it will carry a shipment of Beaver drag saws, destined for the British port. It is an unusual happening that just a year and a half ago the same ship carried a shipment of Beaver drag saws to England.

Mrs. Maggie Ulm was most agreeably surprised last Saturday evening by friends and relatives from Portland. The evening was spent in dancing, after which a dainty lunch was served. Those present were Mr. and Mrs. E. D. Dewey, Mr. and Mrs. August Noffke, Mr. and Mrs. Ed Noffke, Mr. and Mrs. John Vaughn and two children and Eleanor Noffke, of Portland, Mrs. C. Merrill, S. S. Pugh and Ernest Haden, of Gresham.

Thursday evening choir practise at the Methodist church was quite a disappointment to Mr. Bishop on account of the poor attendance. The supper at the Grange hall kept some members from attending, while others were ill. This however does not account for all the absent members as there were about thirty present last week. It will be necessary for all to attend as regularly as possible or it will be impossible to have the cantata ready for Good Friday.

George D. Rank is ill with a severe cold.

Mrs. E. W. Aylsworth is ill from a severe cold.

Mrs. M. A. Wilkinson went to Sandy recently to help care for her daughter, Mrs. Wilbur Thompson, who has been quite ill. Dr. Thompson was also ill but is quite well again and has resumed his practise.

Mr. John I. Bacon has just gotten over an attack of inflammatory rheumatism. He started to work this morning for the first time after a weeks illness.

No meeting of the Ladies' aid will be held next week on the usual date. Announcements for the next meeting will be made through the Outlook.

H. W. Strong has been chosen choir and song leader for the Fairview Methodist church. This new work will require his services there on Thursday evenings and Sunday mornings.

The family of Mr. and Mrs. Ross Marston are reported to be all sick with the prevailing disease. Mr. Marston has been very sick but is now better and is attempting to care for the others of the family.

Edgar Hollister is about again, after an attack of grip. Mr. Wald has been carrying the mail between the depot and postoffice since Edgar's illness.

Wm. Stanley has been sick for several days with grip.

L. Crumb, who has been ill for some time, is reported to be somewhat improved.

Reports have been received from the state department of education that the three pupils who took the examination in the Bible course pursued during the fall semester in the high school had successfully passed. They were the Misses Blanche Harris, Frieda Ramser and Anna Lenartz. A new class has been organized for the spring semester, which will be taught by the Rev. H. Gebhardt, who taught the first class. Registrations in this class may be made up to next Wednesday.

Merrill Stanley, the little son of Mr. and Mrs. Ralph Stanley, has been quite ill for the past few days but is better today.

David Updegraff of Boise, Idaho, visited with friends in Gresham on last Wednesday. He was a caller at the home of Frank Jones and Floyd Mack and at the Chas. Johnson home. Mrs. Percy Hitchins, who has been visiting Mr. and Mrs. H. Morrison, was taken ill last night so she and her husband were unable to start on their homeward journey today.

As long as small boys argue among themselves about which one has "the best father," there isn't likely to be much wrong with any of their fathers.

A "gay dog" who has been called upon suddenly to pay the price for having been gay, becomes a sad dog.

Sunday program is yet to be selected, owing to disappointment in booking.

CHURCH DEVELOPMENT RECEIVES APPROVAL

More than a hundred people partook last night of the church development dinner, fostered by the men of the Methodist Episcopal church and served by the Ladies' Aid society at the grange hall. Bishop Shepard, who was expected to be present, was unable to come on account of illness. Dr. William Wallace Youngson was present and the principal speaker following the dinner. Other speakers were Mayor Karl A. Miller, County Agent S. B. Hall, D. E. Towle, H. L. St. Clair and Judge Geo. W. Stapleton.

The object of the dinner was explained to be to bring before the people the need of a church program which should meet the three-fold need of the children, young people and older folk, namely, worship, religious education and wholesome recreation. The first need was declared to be well met in the present building, which is ideal for its purpose. The second need is only partially met and the third not at all.

The need of a building and equipment which should make the Sunday school a real school was brought to the attention of the people and the urgent need of a building for community and group gatherings and various kinds of recreational activities was emphasized.

Mr. DeYoung, a consulting architect of Portland, was present and showed tentative plans by which such a building could be provided by adding to the building already here. The plans provided for a hall large enough for community gatherings and indoor games, a smaller hall which could be used for groups of various kinds and for a rest room always open to the public. These, in addition to the present rooms, would provide adequate departmental rooms for the Sunday school. In addition there would be smaller class rooms, pastor's study, kitchen and toilet rooms.

The plans, as outlined, seemed to meet with hearty approval. The need of just such a program was recognized and several speakers expressed themselves as in favor of it. The rapidly growing population and the wealth of the section in all things that make for a home community were spoken as added reasons why such a plan should be launched without further delay.

By unanimous rising vote the assembly indicated its interest and pledged its support.

GRADE SCHOOLS TO GIVE COLONIAL PARTY

A Colonial party, under the auspices of the Community Council of Victory, Lusted, Cottrell and Orient districts, is to be given in the Orient grange hall Wednesday evening, February 22, at 8 o'clock. A program will be given and refreshments served. A small admission will be charged all those not in grade school. The funds raised will go toward the W. C. T. U. home for children at Corvallis. The program for the evening's entertainment is as follows:

The Star Spangled Banner by the audience.

Introductory remarks by Rev. Earl B. Cotton.

Recitation, Ivan Woods.

Colonial minuet by pupils.

Instrumental duet by the Misses Byers and Ruegg.

A number by the Cottrell school.

Recitation, Floyd Stafford.

Song by the Orient school.

Recitation, Johnnie Smith.

A number by the Cottrell school.

Vocal duet, Miss Byers and Miss Marian Robertson.

A one-act play by the Orient school.

A number by the Cottrell school.

Pantomime—"Columbia the Gem of the Ocean" by Ada Woods.

Songs, "The Barefoot Trail" and "Ben Bolt" by the eighth grade pupils of Orient school.

Patriotic address by the Rev. David Q. Barry.

Song, "Mt. Vernon Bells" by the four schools.

A great deal of interest is being shown in this Washington's birthday entertainment and it is expected that seats will be at a premium.

Community Dance and Card Party.

Cedarville Park, Linneman Junction. Wednesday evening, February 22, at 8 p. m. Old fashioned square dances, as well as new dances. Prizes given for best as well as poorest 500 player. Come and enjoy a good time. "Amplifier music", selections from best jazz orchestras in the world.

Card of Thanks.

We wish to express our deep appreciation of the help and sympathy shown during the sickness and death of our beloved wife and mother and for the beautiful floral offerings.

W. H. Boring, O. W. Boring and Family.

Gravel and Sand.

In carload lot or retail, delivered or haul it yourself. Phone 79x. J. H. Hoss. tf

Dancing.

Dancing at Cedarville Park, Linneman Junction each Sunday evening commencing at 8 o'clock during the month of January. Admission, gentlemen 75c, ladies free. Hune's Agnes peppy 7-piece orchestra. Devereaux & Randle.—Adv. tf

Keep in style. Try one of those "classy-fied" ads.

"A Trip Into Old Mexico."

Last Sunday evening at the Methodist church marked the beginning of a survey of the work of the church throughout the world. Mr. Roberts brought a most vivid description of the work of the Methodist Mission at Old Umali. Next Sunday the pastor, the Rev. A. S. Hisey, will speak from a splendid set of views on the history, present conditions, and future possibilities of our southern neighbor, Old Mexico. It is a thrilling story and will be told in such a way that all may enjoy it.

At the morning service the pastor's topic will be "The Christ that Abides."

There will be the usual high order of special music both morning and evening. Guy Jones will sing the evening solo entitled "The Publican." There will be the usual service of song in the evening, led by H. W. Strong.

The Epworth League topic will be "Tithing as a Good Personal Business Adjustment." Myrtle Russer will be the leader.

Mother-in-Law of Gresham Man Passes.

The death of Mrs. Mary Dressel, mother-in-law of P. A. Combs, manager of the Beaver State Motor company, occurred on February 14 at her home in Portland. She was 83 years of age.

She is survived by her son George H. Dressel and her daughter, Mrs. Clara Combs, both of Portland.

A WARM WELCOME FOR YOU.

BETHEL BAPTIST CHURCH MAKES ANNOUNCEMENTS

The subject for mutual discussion at the Bethel Baptist church, Gresham, for next Sunday morning at 11 o'clock will be "The Debt We Owe to George Washington, the American and Patriot." It will be led by the pastor, the Rev. David Q. Barry.

Special music will be furnished to enliven the occasion by Mr. and Mrs. H. W. Strong, who will sing "It Was For Me."

A cordial invitation is extended to all who are interested in the question of Christian citizenship.

"Come thou with us and we will do thee good," says the pastor. Bible school meets at 10 o'clock.

Spray Material Calculated.

In figuring the amount of spray materials needed allow 200 gallons of dilute spray mixture for each acre of trees of nine to twelve years old. The average dilution of winter strength lime-sulfur is 12 to 100, hence to find out the gallons of stock solution needed multiply the number of acres by 24 to get an approximate estimate. For the delayed dormant spray multiply by seven. About four pounds of arsenate of lead per acre are needed and one should figure on making four applications a year. Thus, multiplying the acres by 16 will give a good estimate.

It is probable that not one time in a hundred did any man ever make a few extra dollars that some extra demand wasn't waiting to take it away from him.
