BENEFIT VAUDEVILLE SHOW COMING HERE

A very amusing benefit show is to be given in Metzger's hall next Saturday evening, February 25, at 8 o'clock by the Rockwood Grange Dramatic club which promises to be an amusing evening's entertainment.

The club first gave this show in their own grange hall on the evening of February 11 and it was a great success as the house was filled to capacity. The proceeds went to a fund for improving the grange hall. A great deal of effort was expended by those taking part in the entertainment, and more money is needed. For this reason it has been decided to repeat the show here in Metzger's hall next Saturday night.

The play, "The Case of Smythe vs. Smith" is in the form of a mock trial. There are 21 performers in all—including 12 jurors; some of whom are a deaf man with an ear trumpet, a lively darkey and a Dutch sauerkraut maker. There is also a judge, several lawyers, farmer Hiram Hoecake and two gossiping widows.

The play will last an hour and then there will be additional numbers that will call for another half hour. It promises an hour and a half of laughs for everyone who cares to come and hear them.

"ENDEAVORERS" TO HOLD ANNUAL CONVENTION

The 32d annual convention of the Christian Endeavors of Oregon will be held in Salem on February 16, 17, 18, 19. Two conventions have been held in the past years but it was decided to hold one all-state gathering this year.

The program for the four days' is as follows:
Thursday evening, February 16, addresses of welcome by Governor Olcott and Mayor Holversen of Salem; keynote address by Dr. Lapsey A. McAfee of Berkeley. Friday, Bible study and conference on all lines of the Four Square campaign led by Dr. McAfee; afternoon address and speaking in the evening by Dr. Harold L. Bowman. Saturday morning, Bible and general conference. After lunch, sight seeing trips to all points of interest about the city; numerous banquets in the evening; a booster session urging Portland to work for the 1925 International convention with an address by Mayor Geo. L. Baker will take up the evening. Sunday (closing day) separate intermediate and senior meetings to be held in the afternoon with general meeting addressed by Rev. Mr. Stivers of Eugene and Decision service in charge of Paul Brown; closing address in evening by Dr. McAfee with music led by Mrs. W. E. Wright of Portland. Paul Brown, the Pacific Coast director, and LeRoy Robinson, state president, will preside at most of the sessions.

INNOVATION IN BAGGAGE CHECKING

A. D. Kendall, station agent at Troutdale, calls the Outlook's attention to the fact that new western territory baggage tariff, effective March 1, 1922, contains a new rule affording passengers an opportunity to declare the actual value of their baggage and certain other defined property, assuring them of protection in event of loss. The new rule will be effective on most all railroad lines in the country with a few exceptions.

The new regulation is really an insurance for the traveling public, and it is conceded that the privilege of declaring value of baggage is an exceptional one and should be received by the traveling public with a great deal of enthusiasm. A charge of 10 cents for each hundred dollars in excess of \$100 minimum for baggage and \$25 minimum on certain property other than regular baggage is made. The old rule limited the liability of the carrier to \$100 for each adult ticket and was intended to protect the railroad company against unscrupulous persons who made excessive false claims.

This evolution in the baggage sphere culminated in the East several years since, and the experience resulting therefrom has demonstrated that passengers have been eager to take advantage of this privilege, which is in reality a broad concession.

R. I. Anderson's Sale Great Success.
The auction sale held last Saturday at the R. I. Anderson farm under the supervision of Colonel Wood and Son was a great success. The cows all brought very good prices. Colonel Wood declared it to be the best sale that he had attended for a long time. Mr. Anderson was well satisfied at the returns.

CITY BAKERY

Is Henry a Billionaire?
In a recently published interview, Henry Ford declared that he had cash balances in banks of \$125,000,000 to \$140,000,000; he did not know within \$15,000,000 how much he had. He said that his balances were worth \$200,000,000, his inventories as much more, and he thought the whole works could be capitalized for a billion. The suggestion that Ford is a billionaire is not accepted by some financial writers, and many think Rockefeller still the richer man. John D. is not so much inclined to tell the public what he has, but he has given away hundreds of millions. Ford seems to have learned the secret of remaining popular with the proletariat while acquiring great

Lynch Parent-Teachers Will Give Dance.

BAPTIST CHURCH TO HAVE NEW PARSONAGE

The Bethel Baptist church is to have a new parsonage within a very short time. Rev. David Q. Barry, their pastor, has been unable to find a suitable dwelling in Gresham owing to inadequate housing facilities here. For this reason the church has decided to build the parsonage as soon as possible.

Plans and specifications are all complete and in the hands of a committee ready to receive bids. Liberal donations are coming in fast so it is expected that sufficient funds will be obtained within a short time.

New Broccoli Planter Perfected.
Among other articles which Mr. Sloper of Sloper Brothers of Independence has perfected to help with his farm work is an automatic watering attachment to be used with a broccoli planter. According to Mr. Sloper's statement, it automatically waters each plant as it is set in, greatly decreasing the labor cost and insuring a much better stand of plants than can be expected where the work is done by hand. He has used it three seasons with excellent results and is this year planning to manufacture the machine and place it on the market.
