**"We believe ZEROLENE is the most efficient lubricant made for the modern automobile engine. If it were possible to make a better oil than ZEROLENE this company would make it."**

The President of the Standard Oil Company (California), author of the statement quoted above, is right in believing that Zerolene is the best motor oil made. The lubrication engineers of this company have proved it repeatedly, by means of thousands of dynamometer and road tests of Zerolene and competing oils.

The reasons for Zerolene's superiority are: First, that the Standard Oil Company (California) possesses resources of crude oil and of manufacturing equipment and personnel that are unsurpassed in the entire petroleum industry. Second, that the engineers and chemists of this company have, from the beginning, been given carte blanche to make full use of these exceptional resources, and to spend all the time and money needed to develop a lubricant ideally suited to the needs of the modern internal combustion engine.

At the President's request, we are undertaking to tell the motorists of the Pacific Coast the story of Zerolene. We shall do this by means of a series of signed statements in the public press. These statements will set forth in plain language the requirements of an efficient motor lubricant, and the detailed reasons why Zerolene meets these requirements perfectly.

**PLEASANT HOME**

The Sunday school convention held last Sunday was one of much interest and profit to all who attended. The addresses and the music were inspirational and business of importance was transacted. It was decided to hold a community vacation church school after the close of the public schools. One member from each of the three Sunday schools in the association will be appointed by the superintendents to arrange the details of the school. It was also voted to hold a union picnic on July 4, which will be planned by the superintendents, H. H. Watkins, G. H. Bickford and H. C. Nelson.

Mrs. Ralph Johanson received severe cuts from glass and painful bruises, and Wm. Cunningham suffered a fractured rib on Sunday afternoon, when the coupe in which they were riding tipped over. Mrs. Fred Wagner and Mrs. Johanson's little daughter, who were also occupants of the car, escaped without injury. The accident occurred on the Booth hill when Mrs. Johanson, who was driving, lost control of the car. The injured are reported doing well.

Evelyn Marjorie, an 8-pound little lady with brown hair and blue eyes, arrived on April 26 to make her home with Mr. and Mrs. John Eggman and Big Brother.

At the Pleasant Home Baptist church next Sunday the following services are scheduled, to which all are cordially invited: Bible school at 10 o'clock; preaching by Pastor Barry at 11 on the theme, "A Realistic Story;" B. Y. P. U. in the evening at 7 o'clock followed by preaching by the pastor on "A Divine Challenge."

Mrs. Gertrude Ayers and children of Buckley avenue and Powell Valley road are visiting with her parents here.

**ANIMAL SUSPECTED**

**OF RABIES IS SHOT**

Howard Lake, living near Gillis, shot a little tan dog which he suspected of having rabies. The dog came to his home in search of water. Its jaws were wide open and set and the animal was very thin. It wore a wide collar studded with metal points and bearing a license number which was obliterated. Mr. Lake will probably send the skull of the animal to the state board of health for examination.

**VISIT GRESHAM LIBRARY**

Twenty-two pupils from the 5th and 6th grades of Orient school visited the Gresham branch library on Thursday with their teacher, Mrs. Ellen Chase. The youngsters came by trolley car and spent a happy hour and a half listening to a story by Miss Peck, the librarian, and learning how to find the books they wanted.

**Genuine Common Sense**

Many Ford owners can afford to own and operate any car they may choose, but they prefer a Ford "because it is a Ford."

For "because it is a Ford" means dependability, ease of operation, efficiency—and it means sure, quick transportation.

And "because it is a Ford" means good taste, pride of ownership and genuine Common Sense.

The Ford Sedan, a closed car of distinction, beauty and convenience, is the ideal all year 'round car, for pleasure or business—for the farm, town or city. It gives you all that any car can give at a much lower cost for operation and maintenance.

Ford Cars of all types are in great demand, so place your order at once if you wish to avoid delay in delivery.
