

HIGH SCHOOL NOTES

By CORA JOHNSON, School Calendar
May 18—Inter-class track meet, Stapleton field at 2:45 p. m.
May 26—Declamatory contest to be given in the assembly hall at 1 o'clock.
May 26—Moving picture show in assembly hall at 8 o'clock.

June 4—Baccalaureate address, Sunday evening at M. E. church at 8.
June 7—Senior class night, given in Masonic hall at 8 o'clock.
June 8—Commencement exercises Masonic hall at 8 o'clock.
Last Wednesday, May 10, we were again victorious in a game of baseball with Estacada with a score of 15-3. May 12 we played Oregon

City, winning with a score of 14-4. Both of these games were one-sided but the boys are practising hard for the game that is to be played with Vancouver at Vancouver this Friday. An effort is being made to play the champion team of the high schools of Portland. Some shifting has been made on the infield. Guerney Wood, who played on third base is now catcher, Tom Lovelace, who played right field plays third and Wm. McAllister plays outfield.

Wednesday afternoon, May 17, high school will be dismissed so that students and teachers can attend the grade school May day exercises.

A declamatory contest will be given in the assembly hall May 26 at 1 o'clock. Three students from each class have been chosen by class advisors to represent their class. Oratorical, dramatical and humorous numbers will be given. Miss Wyeth will give a bronze plate to the school upon which the name of the winners will be engraved.

The following have been chosen: Freshmen: Vada Anderson, Harry Curry, James Hill.

Sophomores: Clara Mason, Rose Potter, Edward Southard.

Juniors: Sylvia Paulson, Wm. McAllister, Eula Marvin.

Seniors: Margurite Bailey, Vida Cemer, Grace Hoffmeister.

The interclass track field meet will be given May 18 on the Stapleton Athletic field at 2:45. This meet will decide the class championship and the winning class will be presented with a silver loving cup, donated by the business men of Gresham.

It is our policy to get every one interested in athletics. Freshman are showing up strong with 42 men entered. Those who make a good record in this meet will be selected to represent the high school in dual meets. Some students will not be allowed to participate because they have not put in the required amount of training.

Events are as follows: 50 yard dash; 220 yard dash; 440 yard dash; half mile run; half mile relay; mile run; broad jump; high jump; shot put; pole vault; discus; 120 yard hurdles; 75 yard high hurdles, 100 yard dash.

Officials are: Referee, Roy E. Cannon; clerk of the course, Richard Lane, Victor Adix; judges of finish, Mr. Averill, Mr. Rutherford, Mr. McCormick; starter, Mr. Shagren; announcer, Mr. Campbell; chief field judge, Jackson Jones; assistant field judges, Alden Miller, Emil Lutzer, Lyle Mason; chief scorer, Ernest Stratton; assistant scorer, William Fritz; chief judge of field events, Guy Jones; field physician, Dr. A. W. Botkin.

Because of so many other events taking place the high school orchestra will not give the penny carnival as planned. They will give instead a moving picture show on Friday evening, May 26, at 8 o'clock. The orchestra will give a number of selections in addition to the show. The proceeds will go to help pay for orchestra music.

BUSINESS HOUSES TO CLOSE WEDNESDAY, 1 TO 3

All the Gresham business houses will close their doors Wednesday afternoon, May 17, between the hours of 1 and 3 to give everyone an opportunity to attend the "Spring Festival" which is to be given on that afternoon at the Gresham grade school.

Union high will also be closed for the occasion.

GRESHAM LOCALS

The rebuilding and extension of electric light lines is being pushed all over Gresham by workmen of the Portland Railway Light & Power company. They are working at present on South Roberts, Roberts, Hood and Cleveland avenues, putting in heavier and higher poles. About twenty new consumers on Cleveland avenue have signed up, requiring an extension north as far as dwellings are built.

A baby girl was born to Mr. and Mrs. Joe Exley on last Friday, May 12.

Mr. and Mrs. Herbert Ryan are the proud owners of a baby, born May 9 at the Emanuel hospital in Portland.

Mrs. A. C. Ruby and son Curtis left for California on Monday to join Mr. Ruby, who went there a week ago. They will remain for a few weeks.

Three boys of the Gresham Whitney Boys' chorus left last Friday for Astoria, to sing in concert there. The boys were Guy Rusher, George Wadsworth and Waltermore Thoren. While in Astoria the boys called on the Rev. Melville T. Wire, a former Gresham pastor. A trip was also made to Kelso to give a concert there. There were 220 boys in the party. All the boys met in Portland, and went on board the boat Madeline, which was chartered for the trip. They returned home Monday.

Mrs. T. W. Wixson, wife of the man who has charge of the Twentieth Century store, left for Fort Huron, Michigan, Sunday, after receiving a telegram telling of her father's serious illness. Her father has been ill for some time, but his illness has grown more serious recently.

Harold Busick who is seriously ill at the home of Will Hessel is reported to be improving.

Mrs. John Brown left last week for Heppner, Oregon, to spend a few weeks visiting her daughter, Mrs. Albert Adkins and family.

Word has just been received by John Brown that his son Ross, who lives in Los Angeles, California, is taking the place of chief clerk temporarily, while the clerk is away. It has been hinted that the chief clerk does not expect to return and Ross will then be given the position permanently. Walter Brown, his brother, left recently for Los Angeles to fill the position that Ross formerly had held with the American Express company.

The regular monthly meeting of Gresham Post of the American Legion will be held in the Legion club rooms on Tuesday night, May 23. The commander is desirous that all who can attend be there, on account of nominating delegates and alternates to go to the State Convention of the Legion. The convention will be held at The Dalles this year.

J. N. Hart
REPUBLICAN FOR CIRCUIT JUDGE
Department No. 5

J. N. Hart is one of the leading candidates for the Republican nomination for Circuit Judge in the 4th District, Department No. 5. He has had an extensive legislative and law enforcing experience, having served for four years as District Attorney of the 3d Judicial District, and later as State Senator from Baker, Harney and Malheur Counties. During the 1909 session of the Legislature Mr. Hart was chairman of the Judiciary Committee and Senate floor leader. Born in Illinois in 1869, Mr. Hart has resided in Oregon since 1885, securing his education in private schools in Dallas, the State Normal School and the University of Oregon Law Department. For several years previous to 1896 Mr. Hart taught school, later acting as county school superintendent of Polk County for four years. Since 1900 Mr. Hart has been actively practicing law, first in partnership with James H. Townsend at Dallas, later with Judge William Smith and James H. Nichols at Baker. Mr. Hart has been a resident of Portland since 1912. Fraternally, Mr. Hart belongs to the Masons, Odd-fellows and Elks. He is now practicing with his son, J. Harold Hart, an ex-service man.—From Oregon Voter, May 13, 1922.—Adv.

A. A. MUCK

REPUBLICAN CANDIDATE

FOR

County Commissioner

"My record for economical administration when commissioner before guarantees similar economy now."

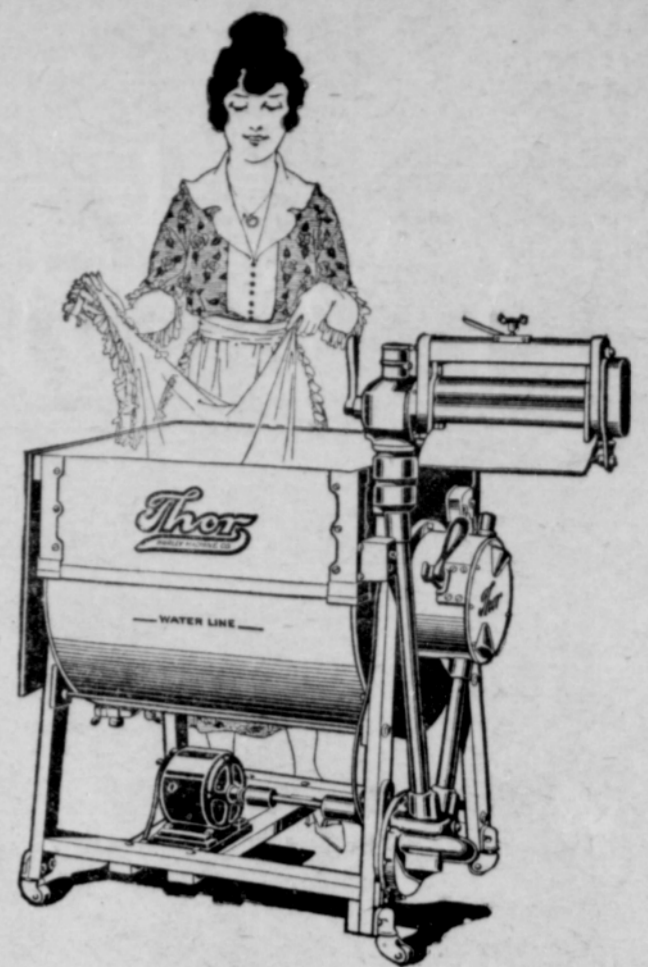

I FAVOR HOME LABOR, HOME CONTRACTORS AND HOME PRODUCTS

County Commissioners should devote their entire time to the County's business, not a portion thereof.

Multnomah County should demand its rightful share of the Interstate Bridge receipts, thereby reducing indebtedness of nearly \$1,000,000.00, which county still owes for this bridge.

Wringer Rolls, 12 inches long
Floor space, 26 1/2 inches by 40 inches
Weight, 225 pounds

Price \$152

How to Prepare and Use Soap Solutions for Machine Washing

(Continued from last week)

It was pointed out that one of the most important steps in successful machine washing was the use of the right cleansing solutions. The worker operating a machine must lay aside the idea of using soap in cake or solid form, and realize that to get the maximum efficiency from soap it must be cut up and dissolved so that every particle blends with the wash water. Never soap clothes before they are put into the washer or allow even small bits of soap to go into the machine, because they will stick to the cylinder, fail to make good suds and adhere to the clothing. All bar soap should be shaved fine, added to cold water, and brought slowly to boil until the liquid is clear and of an amber shade.

Or powdered soap ground into minute particles may be purchased, which owing to its form, will save the labor of hand cutting and dissolve evenly and quickly. Possibly such powdered soap is the best of all for washing machine use; but it must not be confused with the common "washing powders" which contain not only soap, but varying amounts of other materials, resin, sand, etc. It is easiest and much more economical and safe not to buy these "powders," but to use the best grades of pure soap, and add at home the desired borax, soda or grease-cutting substances. In this way the exact amount of such cleansers as required can be "built-in" to the soap solution, and the housewife assured of purity, and more definite solutions for each different class of washing. To be continued next week.
