

Auction at Old Pleasant Home.

An auction sale will be held on June 10 at 1 p. m., at Old Pleasant Home on the Powell Valley road, at the residence of Mrs. J. A. Stephens, of the following household goods: one range, one heater, one solid oak round dining table, one oak buffet, one glass book case, two library tables, two large rockers, one cupboard, two phonographs, one davenport, one iron bed, one flower stand, oil paintings and pictures, one book holder, two rugs, 9x12, writing desk, kitchen tables, clocks, other articles and dishes. Terms, under \$20, cash. R. I. Anderson, auctioneer.

GILLIS

The Rev. Earl B. Cotton will preach at Gillis Sunday afternoon at 2 o'clock. The subject he expects to use is "Must Children Be Born Again?"

TROUTDALE

The Troutdale Ladies' Aid will give a strawberry social in the basement of the church on Friday evening, June 16. The refreshments will consist of strawberries, cake and cream.

The Troutdale Sunday school meets each Sunday at 10 o'clock. During the summer the Sunday evening service will be held at 8 o'clock.

PLEASANT HOME

Children's Day will be observed at the Pleasant Home Methodist church Sunday morning at 11 o'clock. The opening exercises will be conducted by the members of the primary department and others. The program will include duets, solos and readings. The pastor, Rev. Earl B. Cotton, will close the service with the annual talk on "Education."

Children and adults are especially invited to attend the Sunday school session at 10 o'clock. Church and school have gone hand in hand ever since the days of the Pilgrim Fathers.

High school students are invited to join the class in the study of "Bible Geography", which is meeting in connection with the Daily Vacation Bible school being held in the Baptist church at Pleasant Home. This class is under the instruction of the Rev. Earl B. Cotton. Younger children who have not yet attended the sessions are invited to come next Monday at 9 o'clock and join in the class lessons and other activities.

In the home field the Methodist church has 36 universities, 10 theological schools, 22 professional schools and nine colleges. These have a combined enrollment of 47,068 students. As Willamette university is the nearest of these institutions the special offering of the days will be sent there.

PLEASANT HOME CHURCH WILL GIVE PROGRAM

Children's Day will be observed at the Pleasant Home Baptist church on next Sunday evening by the rendition of a program entitled "The Glad Service of Love." The pastor will also give an address. All are welcome. All are invited to be present at the church on Thursday evening to catch the spirit of the Bible study. The class is making fine progress.

Bible school convenes at 10 a. m. and B. Y. P. U. at 7:30.

Advertise wisely, economically. That means the Want Ad way.

DELEGATES TO SUMMER SCHOOL GO MONDAY

A large delegation of boys and girls will attend summer school at the Oregon Agricultural college this year. There will be 41 from this county which is as many as attended in the entire state last year. Thirty-one have been chosen from Gresham and vicinity and 16 from the Portland district. All the delegates will leave Portland in a body Monday afternoon at 1:30 on the Southern Pacific to Corvallis. County club leader, Ethel Calkins will have charge of the girls during the two weeks of school at the college and T. D. Kirkwood of Portland will have supervision over the boys.

Mothers need not worry for fear their sons' and daughters are not taken care of while they are away. The college has made strict rules which all summer school students must follow. Board and room will be furnished on the college grounds and no child is allowed to leave the campus without permission.

The purpose of sending delegates to the summer school is not that they may secure instruction along useful lines but to instill in their minds if possible a desire to go to college. The older members were chosen as delegates as they can get more benefits from the work. The money to pay the expenses was earned in most cases by each individual club. The leaders stood back of them and often did more than they should have in making it possible for the members to earn the money. A wonderful spirit of unselfishness was shown by those who knew they could not go but still were willing to work and help earn the money to send their fellow club members. Each delegate is expected to take notes and bring as much information as possible back with him.

Multnomah county delegates are going to wear green and white caps with the clover-leaf emblem on them.

The morning session at the school is to be given over to class room work. An assembly is to be held each afternoon when some person in the state will address the boys and girls. The giving of the club songs and yells will be a pleasing feature for the young club members. After the assembly, there will be swimming and supervised games in the gymnasium. Special interesting features will occupy each evening. The program will be an educational movie or stunt night parties.

Some of the boys and girls won a trip to summer school by becoming state champion in some line of work. Those from Gresham district who secured this honor are Miss Wilma

Chase of Orient district, Henry Meyers, John Flemming and Percy Carlson of Victory. Leslie Lynch and Walter Anderegg of Lynch, Alvin Kaser of Rockwood and Miss Helen Hisey of Gresham.

The names of the 31 delegates from the Gresham vicinity are:

The four from Powell Valley are Audry Johnson, Anna Lind, Lenard Nelson and Archie Peterson.

Wilma Chase and Margaret Fitzgerald are from Orient.

Victory has the state champion boys Henry Meyers, John Flemming and Percy Carlson.

The Jersey club is sending Ralph McCullough.

The five to go from Gilbert are Evelyn Hansen, Evelyn Price, Carl Bowman, Eva French and Foster Petty.

Russellville has one delegate but the name has not been secured. The Buckley club showed a wonderful spirit by sending Agnes Dolowitch to summer school. Agnes was out of school and did not belong to the club, but when one of the club members moved away she joined the club in order to enable the club to finish up the year with 100 per cent. The girls showed their appreciation of this by earning the money to send her as a delegate.

The Sylvan club started in after school was out this year to earn a delegate fund to send two members. They succeeded in raising \$74 by getting up social functions and they are sending two delegates and reserving \$30 for a club picnic and for expense for their county fair showing. Andrew Somnelson and Raymond Barrell are the chosen ones.

Lynch district has the two state champions, Leslie Lynch and Walter Anderegg. Henry Brown is also going and paying his own way.

Maplewood is represented by Edna Linticum and Robert Ostgood. The Commercial club donated \$5 toward Robert's expenses and their club leader, F. M. Bergman also donated \$5.00.

The Parent-Teacher association of Pleasant Valley are sending Catherine Poppleton and Alice Richey.

The four going from Gresham are Helen Hisey, Florence Hill, Mildred McKinney and Carl Zimmerman. Helen's way was paid by her state championship. The sewing club had \$6 which they gave toward the expenses of Florence Hill. Mrs. Lundquist, cooking club leader, furnished the remaining \$12. Mildred McKinney and Carl Zimmerman are paying their own way.

State champion, Alvin Kaser, is going from Rockwood.

EAST OF THE SANDY.

Chas. Bramhall, who had the misfortune to nearly break his leg recently when the scraper he was using slipped and threw him several feet, is making a very slow recovery.

Mr. and Mrs. James Jefferson of Portland visited the former's sister, Mrs. A. D. Mershon, last Sunday. A picnic dinner, with a number of the children and grandchildren present was a feature of the day's pleasure.

Mrs. E. R. Fickenscher and children of Lewiston, Idaho, spent a week with her cousin, Mrs. S. D. Harding, leaving on the Rose City for San Francisco Wednesday.

Mrs. Cox, a teacher of Stevenson, Washington, and her three children are spending a few days with Mrs. Babbit at Springdale. She expects to leave for Bellingham, Washington soon.

Mr. and Mrs. Wm. Henkle, when driving up to Mr. Bramhall's one evening recently, ran into something which he supposed was a raccoon. He discovered his mistake when he got out of the car and found one of the wheels had been apparently converted into a pin cushion as it was full of porcupine quills. Mrs. Henkle immediately began throwing rocks at the innocent little stranger that had evidently been driven into our country by the fire in the Corbett country. Her aim may have been very good but it is understood that Mr. Henkle finally killed it with a long pole.

Jim Babbit and Al. Emily have gone to Kellogg, Idaho, for the summer.

Mr. and Mrs. S. Hult, who recently moved to their new home at Hillsboro, were callers at a number of places here Sunday.

Ed. Woodard is busy learning to drive his new truck these days.

Jim Seidl is carrying his hand in a sling as the result of mixing fingers and machinery.

The Camp Fire girls held their first meeting Wednesday since the illness of the leader, Mrs. Floyd Reed

FAIRVIEW

Children's Day will be observed next Sunday at the Smith Memorial Presbyterian church. Mrs. Hollensted will speak to the children during the Sunday school hour. At 11 o'clock the pastor, the Rev. E. R. D. Hollensted, will speak on "The Sunday School, a Field and a Force." There will be infant baptism in connection with the service.

ORIENT

The regular monthly evening session of the Multnomah Grange will meet Monday evening, June 12, at the Grange hall. So far these meetings have been interesting ones.

In case of rain on Saturday evening, the club circus and demonstration which has been announced will be postponed. If the weather is favorable it will be held at the schoolhouse instead of at the Grange hall.

SUMMER SCHOOL PUPILS ENJOY PICNIC

The summer school, which has been held each morning for the past two weeks at the Methodist church in Gresham, came to a close last Friday and its ending was celebrated with a picnic last Tuesday at Linnemann to which all the children and their parents were invited.

Tuesday promised to be an ideal day for such an event. Sufficient automobiles were furnished to supply transportation for all those who wished to go. Of the 84 pupils enrolled in school, about 65 went on the picnic accompanied by 20 of their mothers and the Rev. A. S. Hisey. Those mothers were Mrs. C. M. Zimmerman, Mrs. C. E. Rusher, Mrs. Ward Inglis, Mrs. W. J. Ott, Mrs. W. E. Beegle, Mrs. Alta Gentry, Mrs. C. J. Lundquist, Mrs. F. C. Jennings, Mrs. A. F. Hammar, Mrs. Carl Dahl, Mrs. M. Sunday, Mrs. V. A. Johnson, Mrs. Fred Todd, Mrs. R. H. Todd, Mrs. Minnie Aylsworth, Mrs. B. W. Thorne, Mrs. A. S. Hisey,

Mrs. May Lambert, Mrs. E. H. Kelly and Mrs. J. E. Metzger.

The picnicers left Gresham about 10 o'clock in the morning and reached Linnemann park in plenty of time for the children to have a chance to play before dinner. They were turned loose and allowed to do as they pleased and such a time as they had. The creek wasn't very deep and they waded and swam to their heart's delight. Those who didn't care to go in the water took advantage of the swings and played on the bank. It was like a paradise

to them. Many of the children still speak of the good time they had that day.

Dinner time didn't come any too soon for the hungry 64. That all the lunch baskets were well filled was evident from the bounteous spread to which all sat down at once.

After dinner the children were allowed to indulge in more of the same kind of play until it was time for all to return to Gresham, after first declaring the picnic to have been a success.

There is no mystery about good oil

It must be made from crudes carefully selected for their "oiliness" and stability. These crudes must be refined to preserve their original characteristics and to make them pure.

In selecting crudes for Zerolene the Standard Oil Company has the advantage of its own large production of practically every type of crude. The company is not compelled to use any particular crude because it happens to be the only one available.

Crudes selected for Zerolene are brought to our refineries in special pipe lines. They are refined by our own patented, high-vacuum process which preserves their "oiliness" and stability.

No other refiner on the Pacific Coast uses any form of vacuum distillation. No other refiner in the United States uses as high a vacuum as this company.

Purity Essential

Zerolene oils are pure. This company has always considered the removal of all detrimental properties and compounds as essential in making Zerolene.

Because of their "oiliness," stability and purity, Zerolene oils give perfect lubrication, and permit the development of the maximum power, speed and gasoline mileage of the car.
