RELIEF CORPS ACCEPT DINNER INVITATION

The ladies of the Gresham M. A. Ross Relief corps and their husbands were the invited dinner guests of Mr. and Mrs. D. D. Jack at the latter's home in the pleasant Home district. The invitation said a strawberry shortcake dinner but it proved to be even better than that.

The guests arrived during the day. Dinner was served out on the lawn under the big walnut trees. The long table was spread with 31 covers. The menu was found to include chicken with baked dumplings. The strawberry shortcake was also declared unsurpassed.

Mrs. Murray and Mrs. McKay of Portland were also present.

Those who spent the day there will long remember the splendid dinner and cordial hospitality of their host and hostess, Mr. and Mrs. Jack.

PLEASANT HOME

"The Story of a Real Patriot" will be told by Rev. Earl B. Cotton at the Pleasant Home Methodist church Sunday morning at the 11 o'clock service. The teachers of the Sunday school also invite all to the 10 o'clock session. The work of religion instruction is improving steadily. All who appreciate that fact and desire to help it improve some more will join in the contribution for the department of religious education at the service next Sunday. In the evening the members of the Methodist church will unite with those of the Baptist church in a union service to be held in the Baptist church. The Rev. David Q. Barry will deliver a patriotic address at that time.

The Methodist Ladies' Aid will hold its regular meeting on Wednesday, July 5, at the church.

Bible school at the Baptist church will meet at 10 o'clock and B.Y.P.U. at 7:30. Following the latter Pastor Barry will give a sermon on "The Birthday of Our Nation."

COTTRELL

Meetings have been in progress all the week at the community church which have been conducted by the Rev. E. J. Bailey which have elicited much interest. Mrs. Spaulding of Echo, Oregon, Mrs. Winans and son of Dee, Oregon, motored down the highway Sunday to visit for a few days with Mrs. Winans's daughter, Mrs. A. J. Bram and family.

Mrs. L. E. Craswell and son spent a few days in Portland last week with her sister, Mrs. Carrick.

Community School's Picnic

Much interest is being taken in the plans for the picnic to be held on the Cottrell school grounds on the Fourth of July by the Pleasant Home and Cottrell Sunday schools. Besides the fine program of addresses and sports and the dinner there will be an opportunity to purchase on the grounds ice cream and soft drinks at cost prices.

FAIRVIEW

Plans for the picnic of the Presbyterian church and Sunday school are maturing and every promise is given of a fine gathering. The start for beautiful Laurelhurst park will be made from the city hall at 9:30 o'clock. All are invited to join in the festivities of the day.

At Smith Memorial Presbyterian church next Sunday the pastor, the Rev. E. R. D. Hollensted, will preach at 1 o'clock on "An Ideal Citizen."

POTATO IMPROVEMENT WORK IS COMMENCED

The first meetings of a series which will follow up a potato improvement program were held in the Corbett district today. There will be three meetings on various farms which have signed up for the work during the growing season to study diseases in the field and after which they will rogue out diseased plants in each of their own check plots which have been specially planted for that purpose. The main purpose of these meetings is to eliminate diseases and get seed that is more pure.

Berry Transportation

MR. BERRY GROWER:

How are you going to move your berry crop this year, and years to follow? You wouldn't consider using a wagon would you? Then if a wagon is not suitable for hauling berries, neither is any other vehicle that has in a degree the objectionable features of the wagon, including slow speed and rough riding qualities.

Each berry man who has faith in the wonderful future of the berry business, knows that sooner or later he must provide for himself transportation adapted to hauling perishable small fruits. A truck built for hauling cord wood is no more suitable than a touring car designed for passengers.

The most popular trucks for berry hauling have been the 3/4-ton light trucks. The new Chevrolet Model G 3/4-ton Speedwagon was designed to combine easy riding qualities with speed and economy. The Model G is ideal transportation for the average grower, being neither too small for efficiency nor too large for economy.

Study the following specifications and you will see why the Chevrolet Speedwagon will meet your requirements perfectly. The price is several hundred dollars under competitive trucks of like construction:

Wheelbase, 120 inches.
Frame, 5-inch pressed steel.
Rear springs 43 inches long, semi-elliptic.
Tires, 34 x 4 1/2 rear; 31 x 4 front.
Body space, 8 feet, 3 inches by 44 inches wide.
Gas mileage approx., 20 miles per gal.

Prices of Model G, (delivered)
Chassis (with windshield and seat).....\$ 900.00
Complete with body, top and curtains...1090.00
Price of Light Delivery.

Complete with body, top and curtains.....\$655.00

Trusting that you will call upon us to show you this new truck and explain the Farmers Payment plan, we remain,

Yours for economical transportation,
