## You may increase your engine power 20%

Too heavy an oil, or one lacking in certain qualities, may reduce the power delivered to the wheels of the automobile as much as 20%

The ideal oil is the thinnest oil which will keep the bearing surfaces of the mechanism separated.

Providing this oil has "oiliness," stability and purity, it will give perfect lubrication, and permit the development of the maximum power, speed and gasoline mileage of the car.

"Oiliness" — Stability — Purity

Zerolene meets the conditions perfectly. It has great "oiliness," due to the crudes from which it is made, and our own patented process of high vacuum distillation.

It has great stability, as a result of which it resists engine heat and forms only a minimum of carbon of a soft, flaky nature which blows out with the exhaust.

And it is pure. This company has always considered the removal of all detrimental properties and compounds as essential in making Zerolene.

Zerolene of the correct grade gives perfect lubrication and permits the development of the maximum power, speed and gasoline mileage of the car.

### GILLIS AND PLEASANT HOME PIONEERS JOURNEY

The "Pioneers" of Pleasant Home took a three-day trip to Bull Run and Marmot last week. The time was spent in fishing, swimming, hiking, visiting the fish hatchery and fish trap at Aschoff's and in other phases of camp life. The boys came back "dead tired" but are happy and say that they want to go again. There were 15 boys in the party under the leadership of Rev. Earl B. Cotton and Herman Walters. Because of the growth of the organization it has been decided to divide the group into two or three patrols. William Elliott will act as assistant leader for the patrol to be centered at Gillis. Herman Walters will continue as assistant at Pleasant Home. Any boys between the ages of 12 and 18 who desire to join are asked to inquire of one of these assistants. It is hoped also that a patrol may be organized in the Cottrell school district. "Any man there who believes in boys and wants to do them a real service is invited to volunteer for this work. The program is four-fold—intellect, physical, devotional and service, and aids greatly in the development of the four-square life," says the Rev. Mr. Cotton.

### PLEASANT HOME HAS LARGE MID-WEEK MEET

The mid-week service of Bible study, song and prayer held on Thursday evenings at the Pleasant Home Baptist church is well attended. Twenty-three were present this week. Next week the subject will be "Eight Reasons Why I Believe Jesus Christ Is the Son of God."

Several of the young people are planning to spend their vacation at Columbia City July 28 to August 7. The Baptist young people of Oregon meet there for their annual outing on the beautiful grounds recently purchased by them.

Bible school at the church next Sunday will be at 10 o'clock, evening service at 8 in the evening. Pastor Barry will speak on "The Ravages and Destruction of the Flood."

### GILLIS

The Rev. David Q. Barry will be present at the Sunday school hour at 2 p. m. and will preach at 3 o'clock.

### MOST PERFECT WOMAN IN UNITED STATES

Miss Gertrude Eggett of Fresno, California, has been declared the most perfectly formed woman in America, winning a \$1,000 prize. Ten thousand girls competed. She eats two meals a day, lots of raisins, and has never been in love.

### CEDAR AND VICTORY

Many of the neighbors and their friends in Victory district spent Tuesday in the Rosin grove. Over 40 were present including Gresham friends. The table was filled with many good things including home made ice cream. The afternoon was spent in playing games.

Matt Dahl has left for the mountains on account of his health.

### PLEASANT HOME

Persons 15 years of age or more who are interested in climbing Mt. Hood this summer are invited to meet at the Methodist parsonage at Pleasant Home next Wednesday evening at 8 o'clock. It is hoped to arrange for a party to make the ascent of this famous mountain about the first of August or such other time as may be agreeable to those concerned.

The regular meeting of the Girl Reserves will be held in the Sunday school room at the Methodist church on next Wednesday evening instead of on Saturday afternoon.

Mr. and Mrs. John Ohmet have moved to Rockwood.

### COTTRELL

Fourth of July was celebrated at Cottrell with a large picnic. Over 100 spent the day there. A fine dinner was enjoyed at mid-day. The Cottrell ball players played the "All-Comers" in the afternoon. The game was an exciting one. It ended by the All-Comers scoring the highest. The egg race was a sport which all ages took part. Old and young carried the eggs back and forth all afternoon and only broke one egg. The Rev. E. B. Cotton was the main speaker of the day. His talk was upon what it had cost to make America what it is. He spoke of the cost of the wars this country had taken part in. He brought the theme to a climax by reminding his audience that they as American people should be worthy of what their forefathers and the nation had done for them. The talk was not a long one but it was right to the point. It left an impression on the audience.

### POWELL VALLEY

The choir of Emanuel Swedish Lutheran church in Portland will give a sacred concert at the Lutheran church of Powell Valley next Sunday afternoon at 3:15 o'clock, which will be of unusual interest. The Rev. A. V. Anderson, pastor of the Portland church will give a short address. No admission will be charged but an offering will be taken. Following the concert coffee and cake will be sold by the ladies of the local church.

Mr. and Mrs. A. F. Anderson and son of Spokane, Washington, are visiting at the S. M. Staffanson home. They do not expect to return to Spokane but have not yet decided where to locate.
