FRESH CUCUMBERS ARRIVE IN GRESHAM

C. E. Van Slyke, who lives near Ruby station, brought some fresh cucumbers to Gresham last Tuesday which he had raised on his farm. He took them to the Gresham Pickle and Canning company's factory here. They were declared to be the first delivered this season.

The cucumbers were allowed to grow until they had attained the regular size. They measured up to the three regulation sizes.

Mr. Van Slyke is very proud of his early produce and says he believes he can beat the Japanese when it comes to raising cucumbers.
