

Sounds Death Knell of the Hookworm

Dr. Maurice C. Hall of the Department of Agriculture, after many experiments has discovered that the hookworm can be killed in the lower animals by carbon tetrachloride. He will soon be in a position to announce the method of treatment that will rid human beings of the health-destroying parasite which has been so prevalent in the country. The discovery is regarded as one of the highest importance. Statisticians figure that the elimination of the hookworm will increase the prosperity and productivity of the South tremendously.

TROUTDALE

Prof. R. W. Doane, wife and son Donald of Palo Alto, California, visited Sunday with Mrs. Doane's cousin, Mrs. C. I. Thomas. Professor and Mrs. Doane came over land in a Hudson coach and are spending the summer visiting relatives in Oregon. They were accompanied Sunday by Mrs. Doane's mother, Mrs. J. C. Cooper of McMinnville. Professor Doane is a member of the faculty at Stanford University.

Elizabeth Thomas is spending the week at The Dalles with her aunt, Mrs. Francis Galloway.

Work has commenced on the new city hall and is progressing rapidly. The contract was let to Ernest Rohlf of Troutdale. Some 10 years ago this city hall was started but through some trouble which was started the work was stopped and nothing more was done until this year when enterprising citizens decided to provide a community meeting place. About \$4000 is available for the construction of the building and it is expected that this will complete the outside of the hall and get it into shape to be used for community gatherings. Completion of the work will come later when more funds are available.

The teachers for the coming year at Troutdale are Mrs. Emilie A. Shaw of Portland, principal, and Mrs. Arminta Scott for the primary grades. Mrs. Scott was the primary teacher last year and endeared herself to the hearts of her pupils and their parents.

Improvements are being made on the Methodist church. The building which is very high is being lowered and new foundations put in. The excavating is being undertaken at this time preparatory to lowering the building onto new foundations.

A telephone has been installed at the fair grounds. The number is 2101.

PLEASANT HOME

A state life certificate was issued to Mrs. Jean Lent Dollowitch as a result of the recent teacher's examinations.

The Junior department of the M. E. church is coming back to its old standards after a little slump in attendance for the past few weeks. Last Sunday the attendance in the department was 35. A year ago the highest mark reached during the season was 23 and on that Sunday only three or four enrolled members were absent. The total enrollment now runs near 50. Last Sunday the children of the department decided to try and earn 25 cents apiece to raise a fund of their own for the purchase of some special equipment—sand tables, screens, blackboards, etc. The children mean to earn the money themselves and only ask the chance to work for it. Each is to report on how he or she earned their quarter.

Members of the Methodist church are planning for a very helpful day next Sunday, Aug. 6, when the entire congregation come together for an all-day session.
