GRESHAM LOCALS

The Rev. and Mrs. D. Q. Barry returned to Gresham today from Columbia City. They report a large attendance of enthusiastic young people from all sections attending the assembly which will continue for about 10 days.

Mr. and Mrs. Glen Davidson were pleasantly surprised Wednesday evening when about 20 of their friends came in to spend the evening. Mr. and Mrs. Davidson have just recently moved into their new home on East Powell street. The occasion was intended for a house warming. The guests brought many useful gifts of dishes, crockeryware and aluminum ware for the new home. A very pleasant evening was spent.

Mr. and Mrs. McCarty of Portland spent Wednesday evening at the home of Mr. and Mrs. L. P. Manning. Mr. McCarty had charge of the Standard Oil station here but was transferred to Portland last winter.

Mr. and Mrs. Jack Collins moved to McMinnville last Wednesday. Mr. Collins expects to run a stage from McMinnville to Portland. Since selling their home, the Collins family lived in the Ray Todd home.

The Jack Collins home on Kelly avenue was sold this summer to B. S. Clark of eastern Oregon, who moved here with his family at the time of the purchase. Mr. Clark owns a large wheat ranch in eastern Oregon and is there now during the harvest season.

The J. H. Morrison home is receiving a new coat of paint.

G. C. Miller and son Steele motored from Walla Walla to Gresham recently to visit their daughter and sister, Mrs. Richard Helney and family. The party was to return to Walla Walla Friday accompanied by Mrs. Helney who will also visit her sister at Grandview before her return home.

Mrs. Vada Strohm of Portland is in charge of the fair grounds office again this year and is directing inquiring folks where they have some chance of finding Messrs. Lewis, Minton or Mitchell as the case may be.

Miss Helen Johns of Corvallis spent the day in Gresham recently visiting her brother, D. M. John. Miss John has just returned recently from a trip to Canada. Mr. John visited over last week-end at the home of his parents in Corvallis.

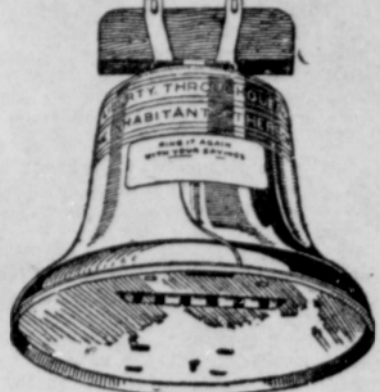

The pay checks for the members of the Gresham company of National Guards have arrived. The checks include pay for the past five months. Hereafter the men will receive their pay every three months instead of the old regulation plan paying twice a year.

J. E. Metzger has recently established a branch undertaking establishment at Estacada with Wm. Dale as his representative. Mr. Dale has a lady as his assistant in the work there.

Mr. and Mrs. J. A. Bushong have returned to Gresham to live from Castle Rock, Washington. They will occupy their home on North Third street.

Mrs. Carl Alder and little daughter, Evelyn from Myrtle Creek are visiting Mrs. Alder's parents, Mr. and Mrs. H. W. Cooley.

Wm. Anderson left Sunday for Winthrop, Washington, to visit his son. He will stop off at Wenatchee and Okanogan before returning home.

PEDESTRIANS ASKED TO WALK ON LEFT SIDE

Pedestrians along country roads and those who walk in the streets at night in preference to using the sidewalks can contribute materially toward the reduction of automobile accidents by walking on the left side of the road, facing oncoming traffic, according to Dal H. Lewis, acting executive chairman of the American Automobile association.

"Courtesy on the part of the automobile driver demands the use of dimmed lights at night," said Lewis, "and this factor, while it contributes to the safety of passing motorists, makes it exceedingly difficult for the automobile driver to see a pedestrian walking along the edge of the road in the same direction the car is traveling. This difficulty is increased if the pedestrian happens to be wearing dark clothing. The result is that the driver is practically on top of the pedestrian before the latter becomes visible."

"Walking on the left hand side of the road is just as good for the pedestrian and enables him to see the approaching automobile in time to step aside if the motorist does not see him in time to swerve."

"The pedestrian should remember that the rules of the road require the autoist to keep to the right and should contribute to the factor of safety by keeping to that side of the road which best enables him to escape the oncoming car and especially the occasional speed fiend or 'flivverboob' who cares nothing for consequences and speeds regardless of the rights of others, for it has been truly said that whether you were in the right or not does not matter after you are in the hands of the undertaker."

LAST CONCERT IS NO EXCEPTION TO OTHERS

Like all the former Wednesday evening concerts given by H. W. Strong on the front porch at the Cotton farm, the concert last Wednesday evening was a splendid success. A fairly large gathering of about 150 people, old and young, gathered on the lawn. Solos were sung by Bob and Don Grant in their usual pleasing manner. An assorted trio made up of Harry Ott and his euphonium, Miss Lucille French, the whistler, and Don Grant at the piano added greatly to the program. Community singing by the audience was also enjoyed. A vaudeville stunt was put on by Ed. Strong and "man of mystery" who was really Miss Ara Gwyn but was not recognized when she made her appearance on the porch stage as an ignorant swede. The comical antics and spicy jokes caused much laughter. The young folks thought it was better than a circus. Music too fine for the human ear was witnessed but not heard of course.

New Park is Popular.

Montrose park, two miles from Troutdale on the Columbia highway is fast becoming the most popular camping and picnic grounds on the Sandy. The principal attractions are the wonderful camping grounds with all conveniences, an ideal beach for bathers and swimmers, and a beautiful dancing pavilion where excellent music is furnished by Held's Jazz Fiends.
