### TWO HORSES FALL IN THURSDAY'S RACES

Considerable excitement reigned Thursday afternoon when two horses and their drivers went over on the track very close to each other. The accident happened in the last heat of the second race which was a 2:12 pace. One of the horses to go down, Red Hal, had won the first two heats, but was crowded from the rail at the beginning of the last stretch of the third heat. Having won the first two heats, however, he was declared by the judges a winner of the race. Red Hal is owned by J. K. Greer of Eugene, and was driven by Hamilton.

The other horse to receive a fall was Gresham Boy owned by T. R. Howitt and driven by Mr. Ward. The horses were not hurt but were unable to complete the race.

In the second race, the 2:12 pace, MacFitzsimmons won second place and Linnie C. third. MacFitzsimmons is owned by E. Dennison of Portland and driven by Mr. Lindsey. Linnie C. is owned by and was driven by Al Schwartz of California. The average time to a heat in the second race was about two minutes and 18 seconds, and the purse was \$400.

The first race Thursday afternoon was a 2:16 trot with a purse of \$400. Oregona won the race and came in first on the last two heats and second on the first heat. Perrio won second place, came in first in the first heat, third on the second and second on the third heat. Nuristo came in third. The average time to a heat was about two minutes and 22 seconds.

Oregona is owned by J. J. Kaddery of Portland. Perrio is owned by Ziegler and Misner of Portland and was driven by Mr. Davis. Nuristo is owned by R. Staats of Salem and was driven by Mr. Woodcock.

An interesting program was planned for Thursday evening of hurdle races and auto polo but it could not be carried out on account of the rain which did not fall hard but just enough to make it uncomfortable for people to be out. The races are very popular this year as the grandstand and bleachers are filled every afternoon.

### ATTENDANCE AT FAIR EXCEEDS EXPECTATIONS

Continued from page 1

which was circling round and round in front of the fair grounds office.

Raker & Son have an attractive location at the corner where the old band stand stood formerly. The restful chairs and radio receiving set furnish comfort and entertainment to those who stop and there are many who do. A full line of Ford cars and trucks are on exhibit and Mr. Raker says there is no need to say much about "the car that is still the best car made." Undoubtedly there would be some who might question this statement but the expanding business proves that he is not in a minority in his opinion. Woodward under and over drives for trucks are on display at the Raker concession.

The Smith Motor Car company has gone to unusual trouble to provide an appropriate setting for the closed model cars which are being displayed. This is the first showing of utility coupe and sedan cars of the Chevrolet company. Mr. Smith reports the sale of a Baby grand touring Chevrolet to W. A. Dixon of Gresham during the fair and so the exhibit is short one car at present. The new utility cars are attracting much attention and are completely and luxuriously furnished.

A. W. Metzger & Co. have an exhibit of ranges, fencing and other wire, etc., in cooperation with the U. S. Steel corporation. The main feature of the exhibit, however, is the demonstration of the "Daylight" washing machine.

Other local concessions are the Jr. Jersey Club with ice cream, Jersey milk, cheese sandwiches, etc., and the soft drink and ice cream stand run by Mr. and Mrs. Ed. Williams.

The Portland Gas & Coke company has an exhibit of ranges, water heaters, etc. Perhaps their best exhibit is the gas lights which have been installed in the main pavilion.

The P. R. L. & P. company has an interesting display of electric ranges and washing machines. A variety of ranges is shown suited to the needs of the different homes served by the company.

The Baptist Guild is serving delicious meals at the cafeteria and is doing a good business.

The Misses Roena and Ora Emery from Corvallis are visiting at the home of their aunt, Mrs. B. W. Emery, and their guests made a trip to Portland Wednesday.

Mrs. Anna Saehner of Grass Valley is the guest of her sister, Mrs. Mary Preston.

### CASE OF ASSAULT TO BE HEARD MONDAY

An old quarrel ended with serious consequences last Wednesday afternoon when James Peterson, known in Gresham as "Highline," went to the home of A. G. Guynup. Just what passed between the men is not known as there were no witnesses to the quarrel, which was said to have been started by Mr. Peterson, but it ended by Mr. Guynup striking Mr. Peterson with a crowbar which he had in his hand. The noise soon attracted the attention of the neighbors and they hurried onto the scene and parted the two.

Mr. Peterson was examined by one of the local physicians who found that his right arm was broken between the wrist and elbow, one shoulder dislocated and a blow received on the back of the head. Mr. Guynup was given into the custody of John Brown who soon allowed him to go free pending further action. Later, however, because of the complaint of some of the town people, John Brown had Mr. Peterson sign a warrant for Mr. Peterson's arrest and, at about midnight Wednesday, Mr. Guynup was lodged in the city jail. He was released the next morning, however, on \$250 bail. A trial will be held in Gresham next Monday morning at 10 o'clock to decide the case. Mr. Lomax, a Portland attorney, will act as attorney for Mr. Guynup and a district attorney will be sent from Portland to represent the state.
