A number of changes are to take place in the A. R. Lyman family beginning with the opening of the school year. Miss Marjorie will enter Willamette University as a freshman. Keith will teach in the Bremerton, Washington, high school and Harold in the high school at Milwaukie, Oregon. Mrs. Lyman and Marjorie went last week to the latter place where the family home will be during the school year. Mr. Lyman has remained here to look after his poultry. He may sell off his entire flock and join the family at Milwaukie.

Mr. and Mrs. H. C. McCormick and family are leaving this week for Astoria, where Mr. McCormick is to teach for the coming year. The many school students and residents of Gresham regret their going but wish for them success in their new field.

Mr. and Mrs. Glen Davidson and Miss Letitia Pulfer left last Saturday for the beach. On their way down they met Mr. and Mrs. Ellis Davidson who were returning home but were persuaded to join the party and return to the beach. A camp was made at Netarts beach where Orville Davidson and a friend of his from Portland joined the party. Netarts is said to be more sheltered from the wind than the other beaches which made camping there especially enjoyable. The rain came, however, and forced the campers to return home. They reached Gresham Wednesday evening.

Mr. and Mrs. H. A. Latourell left on last Tuesday morning for National City, California, which is their home. They have been here during the summer looking after property interests in Gresham and on the Columbia river highway, where they have large holdings.

**THE CHILD IS FATHER OF THE MAN**

Train up a child in the way he should go and when he is old he will not depart from it.—Proverbs XXII, 6.

Fix any habit on the growing brain and it will endure to the end of life, like the scar from a wound.—Prof. Wm. James.

It is wise to show the little boy or girl what money means in life, to instill very early in the child mind an idea of the blessings and joy that come from saving. To make sure that this great lesson will never be lost, bring your little son or daughter in and open an account in the child's name. The habit of saving and depositing, formed in childhood and continued through youth, will be a priceless asset in later years.
