GRESHAM MAN VISITS IN NORTH DAKOTA

The Outlook is in receipt of a copy of the Killdeer, (North Dakota) Herald in which appears the following news item concerning a Gresham man:

Jack Whetstone, former resident of this city, returned the first of the week for an extended visit among the old haunts. The family is now living at Gresham, Oregon, and enjoy the country immensely. Mr. Whetstone was the first mayor of the city and has innumerable friends who are very glad to extend him "greetings." He still owns city and farm property and expects to clean up on it before returning. All will be glad to know that he has prospered since leaving the city.

Card of Thanks.

We wish to thank the many friends for all their kind sympathy and help, also for the many beautiful floral offerings in our recent sorrow.

Mrs. E. R. Wright and Family.

Regular meeting of Gresham Lodge No. 125, I.O.O.F. in the Odd Fellows hall, every Thursday evening. Brothers welcome. CLARENCE STANLEY, N. G. C. A. HILL, Secretary.

CHAMBER OF COMMERCE SETS "CANNING WEEK"

To assist in the relief of the fruit growers of the state who are hard hit by the present rail strike, the Oregon State Chamber of Commerce has suggested that the week of September 18-23 be designated as "Canning Week" to be observed throughout the state during which housewives will be urged to can a two years' supply of fruit for family use.

Communications suggesting "Canning Week" have been sent to more than 100 commercial clubs and chambers of commerce in Oregon. Governor Olcott has been requested to place his official stamp of approval upon the project.

It is pointed out by state chamber officials that the rail has curtailed car service to points east, especially in regard to refrigerator service, with the result that bumper fruit crops in Oregon are in danger of being lost through lack of market. An increased volume of home canning will do much to relieve the situation, it is believed.

THE CHILD IS FATHER OF THE MAN

Train up a child in the way he should go and when he is old he will not depart from it.—Proverbs XXII, 6.

Fix any habit on the growing brain and it will endure to the end of life, like the scar from a wound.—Prof. Wm. James.

It is wise to show the little boy or girl what money means in life, to instill very early in the child mind an idea of the blessings and joy that come from saving. To make sure that this great lesson will never be lost, bring your little son or daughter in and open an account in the child's name. The habit of saving and depositing, formed in childhood and continued through youth, will be a priceless asset in later years.
