DIPHTHERIA APPEARS IN NEAR-BY DISTRICT

Two genuine cases of diphtheria and several suspected cases in the Pleasant Valley district have been reported within the past few days and steps have been taken by local and county authorities to keep the disease in check. Those who are sick are Mrs. H. Paulson and a young child of the family under school age. For a time the child's life was despaired of but after the anti-toxin treatment both mother and child are said to be improving.

About two weeks ago a child from the Paulson home attending the school suffered from a severe sore throat which did not develop into diphtheria. On account of this health officers have taken cultures from the throats of all pupils of the school. Five suspects have been found and excluded from the school until further developments.

A strict quarantine of the home has been established and Mr. Paulson is remaining away from his family.

PLEASANT VALLEY

W. U. Moore, former merchant of this place, but now of Vancouver, Washington, was a visitor at the home of T. R. Berry one day recently.

E. P. Evans came home from Falls City to spend the week-end with home folks.

Mr. and Mrs. A. R. Lyman accompanied by C. M. Harrison, all of Gresham, were valley visitors last Monday.

Mr. and Mrs. Thos. Ellingham and Mrs. Emma Godfrey of Portland, were guests at the home of Mr. and Mrs. J. W. Frost, Sr., Sunday.

Miss Tessie Odell, who is attending high school in Portland, came out and spent the day with Miss Alice Richey.

Mr. and Mrs. Henry Melby, of Portland, were visitors at the home of Mr. and Mrs. H. F. Sager last Sunday.

T. E. Taylor has his new residence well under way.

Trucks are delivering crushed rock on the Foster road which is to form the base for the market road that is to be paved through to Boring next spring.

HALEY

The pastor of the Baptist church is now giving a chapter-by-chapter exposition of Paul's letter to the Romans. Next Sunday morning the ninth chapter will be studied. The topic will be "Predestination." Such questions as the following will be answered: Is the Calvinian view that God has unconditionally predestinated some to be eternally lost, and others to be eternally saved true? Does predestination rest upon God's choice or upon the faith of man, or both? In the evening the sermon will be in English and the topic will deal with the present unrest in the world, touching on the rumors of war in the east, and in the responsibility of our country in world matters. The subject for consideration will be "The Great Wall of China."

CORBETT

Mrs. Myrta Reed, of Portland, spent the past week here visiting relatives.

Mr. and Mrs. Harry Samuelson of Kelso, Washington, spent the week-end at the home of the latter's parents, Mr. and Mrs. James Ross.

Mrs. Clara Smith and daughter drove over to visit the gladiolus farm of Mr. and Mrs. W. L. Crissey to see the beautiful violas that are in full bloom at this season of the year.

The Misses Elsa Berner and Joy Crockett spent the week-end in Portland.

The regular monthly meeting of Columbia grange was a very enjoyable affair. Besides the regular routine of business and other grange affairs the meeting was made memorable by the fact that it was George Knieriem's birthday, and Mrs. Marie Morgan of Chanticleer Inn baked a large, beautiful white cake for the venerable gentleman. Before it was served Mrs. Clara Smith gave a toast, which complimented the guest of honor on his fine, manly qualities. He was also made an honorary member of Columbia grange, he being the only charter member who has stayed by the order until the present time.

The School Monopoly Bill has a misleading name!

YOU have an interest in schools? Then be sure to understand the true meaning of the School Monopoly Bill which is called on the ballot the Compulsory Education Bill.

The reason that this name is misleading is because we already have compulsory education under the present existing law, and we already have compulsory teaching in English in *all* schools.

What this bill really proposes is to substitute *state* control over the education of your children for *your* control.

The people of Michigan have already overwhelmingly defeated this measure, because it attacked the freedom of education.

Protect your rights which are being endangered—do not be misled by the name of this bill. Read the proposed bill carefully. Read the campaign literature. Find out the intent of the bill which is disguised by the title.

You will find that that they propose school monopoly. A hidden attack upon freedom of education.
