

Big Plans Are Made for '27 Expo. Rally

Attention is again called to the big rally at the Gresham public library on Thursday night, October 26, beginning at 8 o'clock.

Mayor George L. Baker of Portland will tell all about the needs of Oregon and several other prominent speakers and the benefits to accrue from holding the 1927 exposition.

They will tell what this community can do to further the plans and the relation of the constitutional amendment, to be voted on November 7, to the holding of the fair. They will tell why it is the Oregon fair and not a Portland fair, although Portland asks authority to tax itself \$3,000,000 during the next three years to finance it, and the state is not to be taxed at all for the fair.

The high school orchestra, under the leadership of Mr. Rutherford, will furnish music for the rally. There will be lively community singing led by a Portland community service worker.

Mayor Miller will welcome the visitors. Judge Stapleton has been asked to preside. There will not be a dry moment during the evening, and that is saying a good deal for dry Gresham. Anyway when the long caravan of autos arrives from Portland and the motorcycle sirens sound their penetrating blasts the people will know the fair boosters are here. The people of eastern Multnomah should give them a warm reception. The Outlook predicts there will be an overflow meeting with more outside than inside the library.

Come to the 1927 Fair Rally Thurs. Night

POLITICAL RALLY PUT OFF TO NOV. 3

The republican rally that was announced and was being arranged for this week Friday night has been postponed until Friday night, November 3. This was the word received this morning from the republican committee headquarters in Portland.

It is presumed the original plan as to speakers will be carried out at the rally next week. Congressman C. N. McArthur was scheduled to be the principal speaker with several state and county candidates to help fill up the evening.

A warm fight is on for the congressional position and a talk by our congressman would be welcomed by many voters and might throw light on many questions of national importance at this time.

NUTRITION SPECIALIST HOLDS MEETING

Miss Marjorie M. Smith, nutrition specialist from the Agricultural College, held meetings at Russellville, Corbett and Pleasant Home the latter part of last week. Much interest is being shown in the work. The meetings are all well attended.

The ladies of the Pleasant Home district met last Friday at the home of Mrs. M. Lennartz. Miss Smith gave them a talk on the amount of food required at certain ages. She also instructed the ladies in the planning of meals to secure the proper food values. Her chart gave a menu for each meal of each day in the week.

At a former meeting Miss Smith asked the ladies to bring in a report of the foods served in their homes each day during a three-day period. These reports were read and commented upon. Some of them received the approval of Miss Smith while others did not. Miss Smith is a firm believer in simplicity of meals. She says it is entirely unnecessary to have four or five courses and that the American people will be much healthier if they would live more simply and see to it that each meal is a well balanced one and thus contains the proper food values.

Miss Smith prepared a lunch consisting of molasses sponge cake, apple puff and custard and explained how she made each one. There were 18 or 20 ladies present at the Pleasant Home meeting. Much interest is being shown in the ideas presented by Miss Smith. The mothers of small and growing children are especially interested.

"All literature, art, and science are vain, and worse, if they do not enable you to be glad; and glad justly."

ZION EVANGELICAL PARSONAGE DEDICATED

Many Gresham people gathered at the Zion Evangelical church last Sunday afternoon for the services held there preceding the dedication of the new parsonage which is now complete. Members of practically all of Gresham churches were present besides many friends. The Rev. D. Q. Barry of Bethel Baptist church and the Rev. A. S. Hisey of the Methodist Episcopal church assisted the Rev. H. R. Gebhardt and gave appropriate talks.

All were impressed by the spirit of cooperation felt and expressed. The timely addresses of the pastors emphasized the importance of cooperation between the churches of Gresham. A vocal selection by Miss Katherine Bratzel was very acceptable as were anthems by the church choir which were good examples of the musical talent possessed by the church.

When the church service had drawn to a close, the audience filed out of the church to assemble at the parsonage led by the ministers present. The building committee was asked to go next and the remaining congregation followed.

The Rev. F. Schaefer, of Portland, had charge of the short dedication service. At its completion, inspection of the church was next in order.

The Rev. F. Schaefer, of Milwaukie, and the Rev. F. Ramser, of Damascus, assisted in the morning services which were held in the German language.

The new parsonage is a six-room bungalow and modern in every way. The outside measurement is 45 x 25. A large living room and dining room combined 36 x 15 1/2 are separated into two rooms only by an archway. A study opens from the living room at the front, two bedrooms, a bath room and a kitchen with a breakfast nook complete the rooms on the first floor. The upper part of the house has not been completed but is large enough to be made into additional sleeping rooms.

The many built-in features are an added attraction. There is a beautiful built-in buffet in the dining room. The kitchen has many compartments in the wall where ironing boards and many other household necessities may be hidden away. The cooler in the kitchen is exceptionally well made. Air is allowed to come in from the top and also from the bottom.

A full basement has been dug underneath the house, but has not yet been cemented up. A part of it is to be used for a laundry room and a furnace room and the remainder will be partitioned off and used as a Sunday school room until the new church is built.

The way in which the drainage problem has been met is of interest. The ground on which the parsonage is built is low and water gathers during the winter months. Before the house was started, tiling was set down in the ground forming a circle around the building spot and extending west to Main street where the water will pass off in the drainage pipe. A drainage depression was also made at the base of the cellar completely circling it. The water thus collected will run into a cement cistern at the northwest corner of the building. The cistern will hold about 100 gallons of water, but in case it should become filled, the water may be pumped out by a small pump.

During the services a free will offering was taken and \$158 in cash and \$300 in subscriptions were received. This money will be used to help pay the balance of \$800 due on the parsonage. The entire cost of the parsonage is \$3600. This does not include the donations of labor and material. The church extension board made the church a loan of \$2000. Subscriptions of \$800 had been received before the dedication meeting. The building is valued at \$5000.

CHURCH WILL HOLD JAPANESE SERVICES

Services for Japanese will be held at the Free Methodist church at Gresham on Wednesday evening, October 25, at 8 o'clock. The Rev. A. Youngren will speak. The Rev. E. D. Blackman is pastor of the church. All are invited to attend.

Merry Music.

If there ever was a time for merry music it is now. The dirges will come; we cannot prevent them. But let's have all the merry music we can to offset the bitterness of the dirge. Remember the famous line from Rabalais: "One inch of joy surmounts of grief a span, because to laugh is proper to the man."

Chicken dinner and bazaar under the auspices of the Zion Evangelical church, Wednesday, November 8 in the Gresham grange hall.

Nation Builders in the Making

There is no institution which is building good, sound citizenship more steadily and consistently than Boys' and Girls' Clubs. It teaches its members not only how to produce good livestock, soil products or prepared articles, but they learn in it thrift, business principles, and best of all, true manhood and womanhood.

In the center of the group shown here stands Dale Altman of Gresham, Ore. He is a member of the Multnomah County Jersey Calf Club, and the other two boys are members of the same club. Dale's calf won first in the county club exhibit at the Multnomah county fair this year and won

championship in the open classes. It was placed fourth at the Oregon state fair.

He is expected at the Pacific International Live Stock Exposition held in Portland, Ore., November 4-11, to try his skill at showing with the winners from other parts of the Northwest.

The Pacific International Live Stock Exposition has always backed livestock club work in every way possible. This year for premiums and awards it gives the clubs for exhibits and judging, together with the associations and individuals, \$3525.

HEALTH EXPOSITION WILL IMPRESS PEOPLE

State, city and county officers from all parts of Oregon will be in attendance on the opening day of the Oregon Health Exposition which opens in the municipal auditorium at Portland October 26, and continues until November 4.

An impressive pageant, featuring Hygeia, goddess of health, will mark the formal opening of the exposition, at 2 o'clock next Thursday afternoon. Governor Olcott, Mayor Baker, state and city functionaries have been invited, and indications, according to those in charge, are that a large attendance will be the result.

Over 100 health and charitable organizations, and approximately 60 commercial firms, will have exhibits at the exposition.

Over 100,000 people are expected to participate in the exposition, according to State Health Officer Stricker, who, with City Health Officer Parish of Portland, are tirelessly working to make the big health show a success such as has never before been consummated in the state.

Clinics, educational booths and literature will be at the disposal of all attending, while instructive exhibits will demonstrate clearly the advantages to be obtained from constructive study of health doctrines.

Statistics showing the enormous loss each year of the state from preventable diseases will be presented, and motion-pictures vividly portraying the result of carelessness in health conditions will be shown and demonstrated.

Multnomah Grange to Meet.

The regular meeting of the Multnomah grange will be held next Saturday, October 28. A good program has been arranged and a large attendance is expected.

Songs and singing were never more needed than now. Food for the soul as well as the body is the call of the hour. Moreover there need be no saving of music.

How much music do you have in your family?

RED CROSS ISSUES CALL FOR HELP

A call for additional donations of clothing, household goods and similar articles which can be sold and the proceeds turned into the fund for sick and wounded soldiers and their families has been issued by the Red Cross shop at 69 Third street, Portland.

"The demands each day are heavy and the number of disabled soldiers who are receiving aid through the Red Cross is large," it was declared in the call. "The shop appeals to the public for donations of men's, women's and children's clothing, underwear, shoes, hats, bedding, pictures, bric-a-brac, furniture, rugs, carpets, newspapers, magazines, books, rags and household goods of any kind. We accept anything which can be converted into money."

Gresham people may leave donations with Mrs. J. H. Metzger on Main street, who will see that they are taken to Portland.

FOOTBALL GAME IN GRESHAM FRIDAY

After a week's rest, the Union High football team will play the Hillsboro team on the home field Friday, October 27. The boys are recovering from injuries received earlier in the season and are now in trim, so a good game is expected.

A week from Friday on November 3, Union High will play West Linn here. On the Friday following, November 10, Beaverton will come here for a game.

Everyone, young and old, should turn out to these games. The next game is bound to be one worth while.

Chicken Pie Supper.

The Methodist Ladies' Aid will serve a chicken pie supper to the Royal Neighbors convention and the public at Odd Fellows hall on Wednesday evening, October 25. Supper from 5 to 7. Fifty cents a plate. Come and bring your friends.—Adv.

Concert by the Bethel Baptist church choir and the Union High school orchestra of Gresham at the Baptist church, Sunday evening, November 5.

Europe Going Back to Farm

Dr. L. C. Gray, economist of the U. S. Dept. of Agriculture, after an extended survey in Europe says big estates are being cut into small tracts and the people are going back to the land, producing more for home than commercial use.

PRODUCTS COMPANY IS PROGRESSING

The Pack Products company is continuing the improvements on the building located just off Roberts avenue and owned by Mrs. E. Boughner. It is to be used for an ice cream cake manufacturing plant. It was at first expected that the building would soon be properly equipped for the work but more improvements have been necessary than was at first supposed. Additional machinery has to be installed and many additional changes made before manufacturing can be commenced.

The plant will manufacture an ice cream cake almost exclusively. A machine for the making of these cakes has been purchased from the Beaver State Motor company. A filling will be used which is the exclusive formula of the Pack Products company. It is expected that by using this formula, the cakes can be made at less cost than some of the other cakes being manufactured by other firms and can thus be sold at a more reasonable price.

When complete the plant will be equipped with ice plant and proper refrigeration facilities for hardening and preserving the cakes until they are sold.

So far those connected with the products company are outsiders but it has been decided to start in on a larger scale than was at first expected. Several Gresham men are interested and may take shares. The enterprise has every indication of being a splendid success. It will be a good addition to Gresham's manufacturing concerns.

U. OF O. MAY RECEIVE ORIENTAL TREASURES

Mrs. Murray Warner, donor of the Oriental collection at the University of Oregon, will leave shortly for San Francisco for the Orient where she will spend from six to eight months. While in the Far East Mrs. Warner will look for Oriental treasures for the Smithsonian Institution and for the University of Oregon collection.

She will be accompanied by Miss Lillian Auld, a graduate of the University, and Mrs. L. A. Seton, both residents of Eugene.

The child music pupil of today is to be the leader two decades later.

State Supt. of Education Visits Here

(By High School Reporter.)

State School Supt. J. A. Churchill honored Union High with a visit Monday. He spoke to the student body during the eighth period and gave a splendid talk on "The Patriotic Citizen." Mr. Churchill stated that there were four dangers which should be carefully guarded against: The danger of Demagogue, of Complacency, of Indifference, Ignorance and Lack of Interest. It was remarked by the students how well he spoke and what good English he used. Superintendent Churchill is a man small in stature but mighty in brain power and it was a real treat to have him with us.

An effort will be made to sell at least 100 Patron Purchaser tickets. There will be five more football games on the home field, seven basketball games in the new gymnasium and four or five baseball games on Stapleton field next spring. If the purchaser of the ticket attends all these games it will cost him about 15 cents per game while if he could attend but ten games it would cost him but 25 cents each. The reason for offering the sale is to encourage the people to come to our games and the additional reason for offering the sale of not less than 100 is to insure the cost of getting the visiting teams here together with other necessary materials. We are hoping we can secure 100 or more patrons to attend all of our games. The next game will be next Friday on Stapleton field against Hillsboro. Hillsboro has defeated one or two of the best teams in the state and Union High will have a hard time to win.

The new class rooms in the old gymnasium will be ready for occupancy soon. Work is progressing rapidly on the new gymnasium and the walls are now intact and complete. The lockers will be issued to students tomorrow and next day and the student council has recommended that each student deposit 50 cents for a key and in the event a locker or key is broken the occupants will be held responsible. One locker will be had for two students and the deposit for the keys will be returned providing the keys are returned not later than the first Saturday after the close of school. There is no charge for the locker; simply a deposit to guard against loss of the keys and breakage of the locks or lockers. C. E. Risher has widened the driveway into the grounds and all drivers are now loading their busses off the main highway except those going north. There should be more precaution taken in the loading and in walking on the pavement as narrow escapes have been too frequent. Mr. Cleveland has been consulted about a sidewalk and he has stated that owing to scarcity of cement and the lateness of the season it will be impossible for him to build a walk before next spring. The sidewalk is to be from the high school building to the railroad and it is expected it will be appreciated by all.

CHANGES BEING MADE IN THEATER BUILDING

Many changes are being made in the Gresham theater building. The new owner, J. C. Allmon has charge of the work. He expects to have everything in running order again by Saturday evening so he can have the usual run of pictures on that evening. The floor in the theater is of cement and Mr. Allmon has decided that cement would be too cold for winter so he is having a wooden floor put in that is several feet higher than the former one. An incline beginning at the front door will take the place of steps leading to the new floor which is built on a gradual incline to the back.

A ticket booth will take the place of the present show window where posters were formerly displayed. This will be a great improvement over the former plan requiring patrons to go inside to purchase tickets. The same price of admission will be charged by the new management and a high class of pictures will be shown. Music week program at Gresham library Friday evening, Nov. 10.

Music Week Program at Gresham Library

"In music, as in chess playing—the Queen Melody possesses supreme power; but it is the King Harmony who ultimately decides." — Robert Schumann.

Outlook-Oregonian Bargains.

From now until October 31 the Outlook will receive combination subscriptions for the Outlook, Daily and Sunday Oregonian for one year for \$7. The Outlook and Daily without Sunday, \$5.
