

OLD CHINESE GAME LURES LOCAL PEOPLE

Mah Jongg, the ancient Chinese game which is making such a sensation among society folk in the city, has its devotees in the country as well. Last week Mr. and Mrs. W. L. Crissey and their son Jim of the far-famed gladiolus farm entertained a party of neighbors, Mr. and Mrs. Arthur Woodcock, Miss Emma and George Koch

and Albert Henderson. This evening Mr. and Mrs. Woodcock will be hosts to the other members of the party. The game is said to be exceedingly fascinating.

Zion Evangelical Church
Sunday school next Sunday at the Zion Evangelical church will be at 11 o'clock. Preaching in the German language will be at 11 o'clock. The annual congregational meeting will be held following the service. The young people's service will be in the evening at 7:30.

GRESHAM LOCALS

The bake sale conducted by the Baptist Guild last Saturday was a good success, netting \$25 for the society. The committee in charge consisted of Mrs. J. N. Clananah, Mrs. John Dennison and Mrs. Walter Burch. They express themselves as very appreciative of the donations of food stuffs and the generous patronage which they received.

The new dipping machine which has been manufactured by the Beaver Motor company for the Pack Products company, was delivered and installed today and will be put to work at once in the manufacture of confections.

The Misses Edith and Jennie Watts of Beaverton, whom many will remember as evangelistic singers, attended the revival meetings at the Methodist Episcopal church one evening this week. Miss Edith has completed a course at the Chicago Evangelistic Institute and is at home resting. Miss Jennie is employed in Portland.

The regular meeting of the Ladies' Aid society of the M. E. church will be held on next Wednesday at the home of Mrs. B. L. Walrad. This is to be an all-day meeting with pot luck lunch at noon. The women will go prepared to sew.

Word has been received of an accident to Quinn Metzger a few days ago at the Sandy Lumber company's camp beyond Brightwood. A logging chain struck him on the head cutting the scalp severely. He was taken to a Portland hospital for treatment and is said to be doing well.

Mrs. J. A. Soward and two daughters of Corbett, who recently moved into the Raney cottage on Third street, have taken an apartment in the Fred Shelley house and will move in at once.

Mrs. Ross Marston, who underwent an operation for acute appendicitis on January 8, was brought home early this week and is doing well.

The American Legion basket ball team has arranged for a game to be played in Union High school gymnasium on next Saturday evening, January 27, with the Kenton club of the Spaulding league. C. M. Quicksall will referee the game. It is expected that a game will be played at the same place with the Rambler club on next Tuesday evening, January 30.

The men's gymnasium class will meet on Monday evening of next week instead of Thursday evening as it will be necessary for the senior class to have the gym for practice practically every evening during the week. For this reason, the ladies' gym class will not meet at all next week.

Mr. and Mrs. L. P. Manning spent Sunday in Portland at the home of their daughter, Mrs. McRoy. Recent visitors at the Manning home were Mr. and Mrs. Chris Peterson of Portland and Miss Mary Hendricks, a Portland grade school teacher.

Special communication of Gresham Lodge A. F. & A. M. No. 152 will be held in Masonic hall Wednesday January 31, 7:30 p. m., for the purpose of considering purchasing hall. Every member is urged to be present.
W. L. GORSAGE, Sec'y.
J. E. METZGER, W. M.

FIVE O'CLOCK CLUB.

Hikers, attention!
A 5 o'clock hiking club is about to be formed and all who are interested are asked to report names to the Outlook office and meet at the Gresham library at 5 o'clock Monday afternoon.

About a three-mile hike will be taken. If enough are interested this will be repeated each Monday from 5 to 6, covering the attractive trips around Gresham.

The object is healthful recreation. Men and ladies invited.

A letter to Mrs. J. N. Clananah from Mrs. E. F. Goodwin of Freewater, Oregon, brings greetings to Gresham friends and tells of the interesting work in the high school there of the former principal and several former teachers of the Gresham school. A new high school building has been completed which is modern and adequate in every respect. The auditorium will seat 1200 persons. Miss Adeline B. Wyeth and her parents, Miss May Morrison and Miss Estelle Webb live near the Goodwins and take a large part in the activities of the school.

Mrs. Glen Davidson has been ill for several days but is now feeling better. The regular monthly meeting of the Progressive Citizens League (Business Men's association) will be held at the city hall next Monday night at 7:30. It is the time for election of officers. There will be other important business, reports of committees, etc.

Principal Cannon informs the Outlook that a 16-year-old boy, of good parentage and habits, wants to enter the Union High school here. He is an orphan and is being aided by his sisters. It will be necessary for him to work for board and room. He is said to be willing, active and capable. His experience has been mostly on the farm. Please notify Mr. Cannon if an opening is known.

J. H. Denning has been visiting at the home of his sister, Mrs. Bud Williams. He is now in Portland but expects to return to Gresham in a day or two. Mr. Denning was formerly night warden at McNeil's island but was recently removed as all positions there are being filled by government soldiers. While in Portland before coming here, Mr. Denning had the misfortune of having \$1000 stolen from him while he was asleep in a room in one of the hotels. The door was locked but a pass key was used.

Matt Schanno has been ill for about a week with an attack of rheumatism.

LEGION AUXILIARY TO FILL COOKIE JARS

The state department of the American Legion Auxiliary has instituted a plan which, if carried out, will supply all of the ex-service men who are in hospitals with plenty of sweets. It is the plan of that organization to place in each ward in each hospital where there are ex-service men, a covered stone jar of adequate size, on which is to be painted or stenciled the words, "American Legion Auxiliary Cookie Jar." These jars are to be kept constantly filled with home-made cookies by the various units of the auxiliary. Each unit is being assigned certain dates in which to send in these cookies in order that a fresh supply may constantly be coming, so that the boys can go to that "cookie jar" any time, just as though they were again boys at home, where mother's cookie jar was always full.

There are usually from 150 to 200 boys in the hospitals in Portland. Cookies may be sent by persons outside of the auxiliary. They are to be sent to 844 East 33d street, Portland.

It is also desired to have an "American Legion Auxiliary Jam Closet" in each hospital. The auxiliary is asked to make this known to the city and community, as well as to the local unit membership, to insure a good supply of home-canned fruits, jellies and pickles.

Any unit located near a hospital is asked to ascertain how the mending of the clothing for the boys is being cared for. If no provision for this is made, volunteers should be called for who will be willing to give a certain day, convenient to each individual, and see that this work is done for the boys.

This is definite work and the kind of work that will show the boys that the people of the state are thinking and planning for them, and that it is the desire of the people that they have all the good things of which they are deserving. Every unit is especially asked to do its part and this will be accomplished. As there are between 60 and 70 units in the state, if each one does its part no one would be called upon more than once during the year, and it is planned to combine two or more of the smaller units so as not to work a hardship upon anyone.

What the Units Have Accomplished.
A report of the chairman of welfare and hospital relief committee of the American Legion Auxiliary, department of Oregon, dated from September 1, 1922, to January 1, 1923, tells of the splendid work being carried on by the auxiliary throughout the state. The appeal for the "Christmas Cheer" fund was responded to by 19 units including

GIVE YOURSELF AN AGE BONUS

Most men who served our nation during the war feel that they are entitled to a bonus from Uncle Sam. Each young man also should foresee the time when he will need a comforting "age" bonus to ease his advancing years.

BEGIN TO PROVIDE FOR IT NOW

It is up to each man to create his own "age" bonus. Picture yourself at 60 or 70 and begin to hand your future self some highly acceptable bonus checks. The way to do this is to save a part of all your present earnings and deposit such sums regularly.

IN AN ACCOUNT WITH

First State Bank
Gresham, Oregon

The Gresham organization which gave \$5.00, the average amount subscribed by each unit. The total amount raised amounted to \$205.90.

The above amount was used to make up boxes to be sent to hospitals and sanitariums where there are ex-service men. These boxes contained art-cards, purses, billfolds, fruit, tobacco, cigarettes, stationery, nuts, gum, etc. There were 132 boxes sent to U. S. Hospital No. 77, seventeen boxes to Pierce's sanitarium, four boxes to the Good Samaritan hospital, eight boxes to Dr. Matson's sanitarium, forty-three boxes to the Tacoma U. S. Veterans' hospital No. 59, one box apples to Stellacoom hospital, near Tacoma, one box to Palo Alto hospital, Palo Alto, California, five packs cards for each floor at U. S. Hospital No. 77, four packs cards for sun room at Pierce's sanitarium, Edward Caldwell, a ball and a meal ticket furnished to M. A. Knutson.

The above is only a part of the work accomplished by the auxiliaries in the state during the past few months. Since September 1, the Portland unit No. 1 has sent the sum of \$69.90 for fruits, hospital supplies and

DAVID Q. BARRY, B. Th., Pastor.

extra treats. This same unit furnished 48 homemade cakes during the month of November. There are 21 units which have already sent in cookies.

The units are said to be cooperating wonderfully in this work, and the committee, as well as the state officers, are very enthusiastic and freely express their appreciation of the work done by each and every one. An appeal is made to the units to continue to do everything in their power to keep the boys who made such sacrifices, happy and comfortable. Bathrobes, bedroom slippers and pajamas are always in demand. There is always plenty for each unit and each member to do.
