

## FINE PROGRAMS ANNOUNCED FOR FARMERS WEEK

An excellent program is being prepared for Farmers' Week but is not yet quite complete. Each day's program has been divided into two divisions—one for the farmers and one for the ladies. While the program for the farmers is not complete, a bare outline can be given at this time. Monday, February 5, is Poultry Day; Tuesday, February 6, Potato Day; Wednesday February 7, Dairy Day; Thursday, February 8, Berry Day; Friday, February 9, Marketing Day; Saturday, February 10, Grange Day.

The program for the ladies' division is practically complete and is as follows:

### Community Health Day.

Monday, February 5, Gresham Grange hall.  
11:12-12:00—Community Health, Mrs. Sadie Orr-Dunbar, executive secretary Oregon Tuberculosis association.  
12:00-1:30—Noon hour.  
1:30-2:00—Community Sanitation, Harry R. Cliff, M. D., Multnomah county health officer.  
2:00-3:00—Recreation, John Henderson, executive secretary Community Service, Portland.  
3:00-4:00—Food and Health, Margery M. Smith, nutrition specialist O. A. C.

### Child Health Day.

Tuesday, February 6, Gresham Grange hall.  
10:00-11:00—The Baby, C. Ulysses Moore, M. D., child specialist.  
11:00-12:00—The Pre-School and School Age Child, L. Howard Smith, M. D., child specialist.  
12:00-1:30—Noon hour.  
1:30-2:30—The Child's Teeth, Dr. Henry Fickot, specialist in dental radiography and diagnosis.  
2:30-3:30—The Child's Food, Miss Margery M. Smith.

### Health for the Adult.

10:00-11:00—Eat Wisely and Live a Little Longer, Miss Margery M. Smith.  
11:00-12:00—Keeping Physically Fit, Leo Rican, M. D., Portland.  
12:00-1:30—Noon hour.  
1:30-2:30—Fatigue, William House, M. D., neuro psychiatrist, Portland.  
2:30-3:30—Shoes and Posture, Miss Emma F. Heilman, director physical education for women, Reed College.  
3:30-4:00—The Work of a County Health Nurse, Miss Mary P. Billmeyer, public health nurse, Multnomah county.

### Clothing Day.

Thursday, February 8, Gresham library.  
10:00-11:00—Illustrated talk on lines for the stout and thin figure, Miss Lila M. O'Neale, assistant professor Household Art, O. A. C.  
11:00-12:00—Color Demonstration, how to combine colors, how to choose becoming ones, Miss O'Neale.  
12:00-2:00—Noon hour.  
2:00-4:00—Short cuts in Sewing, Miss O'Neale. Ladies should bring needle, thread, scissors, thimble, pins and material to carry out some of the suggestions.

Thursday is also local club leaders' day. The program is printed under separate head in this issue.

### Household Conveniences.

Friday, February 9, Gresham Grange hall.  
10:00-11:00—The Convenient Home, A. Grace Johnson, Professor of Household Administration, O. A. C.  
12:00-1:30—Noon hour.  
1:30-2:30—Successful Family Life, A. Grace Johnson.  
2:30-3:30—Stretching the Dollar, A. Grace Johnson.

Saturday is Club Members Day. The program is printed under a separate heading in this issue.

### FIND THESE BOOKS AT GRESHAM LIBRARY

"Memoirs of a Midget," by Walter De la Mare. A subtle masterpiece depicting the tragedy of the abnormal, with charm, humor and yet with deep understanding pathos.  
"Washington, the Man Who Made Us," a Ballad Play, by Percy Mackaye. "Washington the Man," neither statue nor statehouse painting, but dynamic human being, is here depicted: the man in his prime and vigor from a glowing lad of 18, fresh from the soil of Virginia, to the scarred veteran of 50 grappling the human problems of a continent.

## "A Pair of Sixes"

A Comedy in Three Acts  
Presented by the Senior Class of U. H. S.

FRIDAY, FEBRUARY 2, at 8 p. m.

Tickets for sale by William McAllister, Alden Miller, Victor Adix and at Gresham Drug Co. and G. M. Davidson's, Monday morning, January 22.

ADMISSION 35c.

## POPULATION GIVEN OF JAPANESE AND CHINESE

The tenth biennial report of the Bureau of Labor of the state of Oregon covering the period beginning October 1, 1920, and ending September 30, 1922, contains some interesting information regarding the Japanese and Chinese population of the state of Oregon. According to the report Japanese and Chinese have always been employed in the fish canneries, but of late years they have introduced into the lumber industry also. During the year 1920, 28 lumbering firms employed 552 Japanese, 11 Chinese and 119 Hindus. During the year 1921, the same group of firms employed 425 Japanese, four Chinese and 61 Hindus.

This report gives the number of Japanese in Multnomah county at the present time as 2,565 of which 1,968 are males and 597 are females. There are 569 married couples and 1,996 single persons over 16 years of age. The children under 16 years of age total 633. The report gives a total of 252 Japanese who are engaged in commercial pursuits and 114 in agricultural pursuits. The number of males working for wages in the commercial field is 192, in the agricultural field 300 and in the industrial field 477. The number of females working in the commercial field is 59 and in the industrial field 20. The average wages received by the male is \$3.15 and of the female \$1.75 a day. Multnomah county has by far the largest number of Japanese of any other county in the state. The total number in the state is 4,614 so this county has over one-half of the total number.

The statistics given for this county for the Chinese population gives the total number of Chinese as 2,996 of which 2,800 are males and 196 are females. There are 196 married couples here. The total number of children over 16 years of age is 423. There were 36 children born in 1920 and 38 in 1921.

A comparative table in the report shows the value of property owned by Japanese and Chinese in 1920 and in 1922. In 1920 there were 4,547 Japanese in the state as compared to 4,614 in 1922. In 1920 the property owned by the Japanese was valued at \$168,171 including lots and acreage. In 1922 the property owned by them was valued at \$401,080.

The same comparison is made in regards to the Chinese. There were 3,617 Chinese in Oregon in 1920 and they owned lots and acreage valued at \$128,022. In 1922 there were 3,756 Chinese who owned property valued at \$423,055.

## AUTO BACKS OVER BLUFF; NONE HURT

An automobile driven by Henry Brink and filled with school children became uncontrollable and backed over the bank on the Lusted hill, turned over and landed on its side at the bottom late last Thursday afternoon but no one was hurt. Brink was driving the machine up the hill, which is about six miles southeast of Gresham, with his heavy load when his clutch slipped allowing the automobile to go backwards down the hill and over the bank. The fall was only a little farther than the length of the machine.

There were 11 children in the auto, pupils of the Lusted school. Some of them succeeded in climbing out when they saw that the machine was going over the bank but part of them stayed in. The only injuries sustained were some scratches which one girl received from blackberry vines when she jumped out of the car.

The automobile was later rescued by Lawrence Craswell's truck only slightly damaged.

## GRESHAM BOY HELPS CONSTRUCT LAMP BANK

E. A. Yunker of Gresham and Donald Bogie of Puyallup, Washington, have constructed a studio lamp bank according to word received from Oregon Agricultural College, which has been installed in the photography laboratory in Apperson hall at the college. The bank contains eight incandescent lamps with a total capacity of 6600 watts and operates on 220 volts. The lamps are mounted in a reflector which can be moved about the room and adjusted to any desired height and angle. Classes in commercial and portrait photography will use the apparatus.

Crying over spilled milk may prevent you from spilling other milk.

## To Tell Europe When and How Much to Pay Us

This is the House Committee just after leaving the White House where President Harding outlined his policy for the European debt settlement. They are, left to right: Burton, Ohio; Mondell, Wyo.; Sanford and Longworth, Ohio; Campbell, Kas.; Towner, Iowa; Madden, Ill.; Green, Vermont; Green, Iowa.

## Two Granges Held Joint Installation Saturday at Orient

A joint installation of the officers of Damascus and Multnomah granges was held last Saturday afternoon at the Multnomah grange hall. The installation services were in charge of Mrs. E. A. Niblin, chaplain of Evening Star grange, and T. J. Kreuder, master of Lents grange. They were assisted by Mrs. Johnson and Geo. H. Kelly, both of Evening Star grange. Mrs. Geo. H. Kelly and family, Mrs. Kelly, Sr., mother of Mr. Kelly, and E. A. Niblin were also in the party from Evening Star grange, visiting Multnomah grange on that day. An excellent dinner was served at noon to at least 100 people. The officers of the Multnomah juvenile grange were also installed by Mrs. Niblin.

Those installed as officers for Damascus grange were G. F. Peterson, master; J. D. Chitwood, overseer; Mrs. G. F. Peterson, lecturer; J. Hoffmeister, steward; Mr. Nowel, assistant steward; Mrs. J. D. Chitwood, chaplain; Mr. Bartell, treasurer; Emil Johnson, secretary; J. Imels, gatekeeper; Mrs. Herman Johnson, Ceres; Mrs. Bartell, Pomona; Mrs. J. Imels, Flora; Mrs. Ross Anderson, lady assistant steward.

The officers installed for Multnomah grange were R. I. Anderson, master; Joe Albel, overseer; Mrs. Geo. Alder, lecturer; Morris Wheeler, steward; Max Kligel, assistant steward; Miss Elva Dolan, chaplain; Mrs. Morris Wheeler, treasurer; Mrs. Bertha Ault, secretary; Geo. Alder, gatekeeper; Ceres, Mrs. Anna Thompson; Mrs. Ida Lauderback, Flora; Mrs. Inez Anderson, Pomona; Mrs. Mary Kligel, lady assistant steward.

The newly installed officers of the Multnomah juvenile grange are Nick Anderson, master; Hazel Wheeler, overseer; Jessie Nasshabn, lecturer; Anna Ball, assistant lecturer; Floyd Stafford, steward; Zelma Collins, chaplain; Harlan Hayden, secretary; Russell Gentry, treasurer; Harriett Anderson, assistant steward; Jack Lauderback, gatekeeper; Crystal Hayden, Ceres; Louise Wheeler, Pomona; Dorothy Wheeler, Flora.

At the close of the installation, Mrs. Niblin was given a beautiful bouquet by the Multnomah grange. It was presented to her by T. J. Kreuder in behalf of the grange. A short program followed. Each newly installed officer was then called upon for a short talk. Short addresses were also made by Geo. H. Kelly, Mrs. Kelly, Sr., and T. J. Kreuder.

Mr. Kreuder announced the next meeting of Pomona grange which will be held on the third Wednesday in March at Lents grange. The Clarke county degree staff has been invited to be present and install the new officers.

## EVANGELIST SPEAKS TO LARGE AUDIENCES

The special meetings in progress at the Baptist church in Gresham opened auspiciously Sunday morning. All the services Sunday and last night were well attended and much enthusiasm was manifested. Dr. S. J. Reid, the evangelist, is superintendent of evangelism for the Baptists of Oregon and his services are much sought after. He has just closed a wonderful series of meetings at Milton, Oregon, and will go from here to Oregon City. Dr. Reid is an Irishman and his native wit adds much interest to his addresses.

Services will be held every evening this week. The song service begins at 7:30 and the preaching at 8 o'clock. All are invited to join in hearty cooperation in these services.

### Piano Tuning.

Satisfaction guaranteed, \$3. Fred B. Jones, 2625 East 49th street.

### Lents Grange Club Will Meet.

The Lents grange club will meet in the grange hall at Lents February 1st for all-day session. Dinner at noon.

### Patronize the Home Shoe Shiner.

Men's and ladies' shoes, Saturday afternoon and evening. Ruben Anderson, stand in Todd's Barber Shop.

## Leads French Army In Germany

Gen. Degoutte is in immediate command of the French troops now in control of the Ruhr district of Germany. At certain points he has thrown his troops beyond the basin boundaries and invaded neutral territory.

## Successful Revival Campaign Closed on Sunday Evening

The revival meetings which have been in progress at the Methodist Episcopal church came to a close on last Sunday night, after three full weeks of preaching by Miss D. Willia Caffray, with Miss Gladys E. Miller as song leader. This has been one of the most remarkable revival campaigns ever conducted in this part of the country and has been an inspiration to hundreds of people of this and other communities. Miss Caffray does not attempt to count conversions, but said that during the meetings up to last Sunday there were 124 persons at the altar definitely seeking conversion or sanctification. On Sunday evening alone there were 14 seekers. Many of these persons were from the surrounding country and from Portland. On Sunday morning 30 persons joined the Methodist Episcopal church and it is known that many have joined other churches and this is but the beginning.

The meetings were at first scheduled for two weeks but on account of the unusual interest is seemed necessary to continue for the third week. During the last week not less than a score of persons professed conversion. The thank offering taken for the support of the evangelists amounted to \$259. In addition to this, the church paid the expenses of the evangelists while here.

## GOOD LEAVES SCHOOL BECAUSE OF EYESTRAIN

Mervin R. Good, former Gresham boy and graduate of the high school here, has been forced to leave his studies at O. A. C. on account of severely strained eyes. The doctors have ordered him to refrain from reading entirely in order to avoid complications which might prove fatal to his vision.

Good is a senior in commerce, and last year brought oratorical honors to O. A. C. by winning the state contest held at Newberg. His theme, "Our Brother of the Baltic Sea," created a sensation in state collegiate circles.

## STATE PRESIDENT WILL VISIT LYNCH CIRCLE

Mrs. J. F. Hill, state president of the Parent-Teacher association, will visit Lynch circle on its next meeting, Friday evening, February 2. Members of the circle and all patrons and friends of the district are urged to be present as matters of much importance will be under consideration. Refreshments will be served at the close of the meeting.

If you are easily excited you will never lack for excitement.

## Club Members Will Have Banquet and See Picture Show

Saturday, February 10, the last day of Farmers' Week, is to be set aside as a day of enjoyment for the boys and girls who are county club members. It is expected that at least 300 boys and girls will be in Gresham on that day. Each boy and girl is asked to come and bring sandwiches, cake or salad to help toward the dinner which will probably be spread in the dining room at the grange hall. A special program including moving pictures has also been arranged for the morning and afternoon.

The plans for the day are in charge of Miss Ethel Calkins. A special committee was appointed Monday evening by the Gresham business men to assist her. Those on the committee are C. J. Lundquist and Glenwood Miller. This committee expects to arrange for a special treat to go with the dinner.

The following program has been arranged for the club members for this day:

11:00 a. m.—Club rally, H. C. Seymour, state club leader. Club yells and songs contest.  
12:00 m.—Dinner.  
1:00 p. m.—Moving pictures, Gresham Theater, "Camp Vale Film," H. C. Seymour, state club leader. Club yells and songs contest.  
2:00 p. m.—Discussion, "A Better Club Fair," W. C. Alderson, county school superintendent; H. A. Lewis, president Multnomah County Fair board.  
3:00 p. m.—Discussion, "A More Effective Club Organization," Mrs. J. P. Lynch.

### Thursday, Local Leader's Day.

Thursday, February 8, in Farmers' Week, is to be Local Club Leaders' Day. The program has been arranged by the County Leader's association of which Mrs. J. P. Lynch is president. F. N. Lasley is vice president and Mrs. E. Beers, secretary.

Following is the program:  
10:00—Illustrated film lecture "Camp Vale" by H. C. Seymour, state club leader.  
10:45—Discussion, "A Better Club Fair," W. C. Alderson, county school superintendent; H. A. Lewis, president Multnomah County Fair board.  
11:30—Discussion, "A More Effective Club Organization," Mrs. J. P. Lynch.  
1:00—"Model Club Meeting" Fairview Pig club, Mrs. L. H. Stone, leader.  
2:00—Group project meetings. Poultry and Field Crops leaders' group, H. C. Seymour. Livestock leaders' group, L. J. Allen. Home Project leaders' group, Miss Helen Cowgill.

## FARMERS TO BUILD NEW CANNING PLANT

The farmers living in Multnomah drainage district No. 1, which is the 8000 acres reaching from Fairview and extending west to Union avenue and the east approach of the interstate bridge, are planning the immediate construction of a cannery to preserve the surplus of the crop each year after the Portland markets have been supplied. This action was taken after it was found impossible to find a market for all of the green crop raised in that area during the past year.

The soil included in this drainage district is said to be very rich and this statement was proven to be true during the past year when it was put into crop for the first time and gave wonderful results.

Steps toward building a cannery were taken last week when a meeting was held. Those present voted unanimously for the construction of a cannery. A committee of five leading men of the district were appointed and given full power to act. This committee is now investigating cannery installation and construction problems. It is expected plans will be completed in time to allow the farmers to plan their crops for this next year accordingly.

According to J. C. Elrod, a land owner in the district and an active worker in the development of the drainage, several sites for the cannery are now under consideration. This matter and a proper site for the proposed new market will be chosen at a mass meeting of the directors' committee to be held within the next eight or ten days. The land owners will bond themselves or take shares in the cannery which is expected to be run on a cooperative basis. They are willing to spend \$1,000,000 if necessary, according to Mr. Elrod.

A few words will tell the whole story in the Want Column.

## GRESHAM WINNER IN 2 BASKET BALL GAMES; 2 TONIGHT

The Union High basket ball team made its first appearance last Friday evening on the home floor in an easy game against Corbett. The local boys had no trouble in swamping Corbett even though Coach Evans substituted liberally and used 12 men. The score was 61 to 10 in favor of Gresham.

Ray Strong and Captain Leo Bailey show up best for Gresham but the defensive work of Heslin bears mention.

### Union High Wins Over Woodburn.

Coach Evans said he took a crippled squad to Woodburn last Saturday seeking sweet revenge for the football game lost to Woodburn last fall. Geo. Pullen and Captain Leo Bailey were left at home and consequently the team was seriously handicapped. The game started raggedly and there was little real basket ball played by either team during the first half of the game due to very poor lighting and the similarity of the suits worn by the two teams. The half ended with a score of 6 to 2 in favor of Woodburn.

The second half was an improvement over the first. The Gresham boys began to show flashes of team work but still had trouble in locating the hoop consistently. Strong and Winters, however, managed to bring the Gresham total up to 10 a few minutes before the final gun with Woodburn score standing at 8. However, just before the end of the game a lucky basket tied the score at 10 and necessitated the playing of an extra five minutes period. During this last stretch the Gresham boys clearly outclassed their opponents and won the game with a final score of 12 to 10 in their favor.

The fine defensive work of Heslin, guard on the local team, was said by Coach Evans to be largely responsible for holding Woodburn's score down. Ray Strong played a fine floor game but didn't have his usual eye for the hoop.

### Two Games Scheduled for Tonight.

The Union High team and the American Legion team will each play a game this evening in the Union High gym in Gresham. The Union High boys will meet Park Rose in a return game and the Legion boys will play a team from the Spaulding League in Portland. Coach Evans says the Union High team is showing continual improvement and should give Park Rose a real beating.

### Legion Boys to Play Orient Thursday Evening.

The American Legion team of Gresham will play the Orient team Thursday evening, February 1, at the Orient grange hall.

### Orient Wins in Basket Ball.

Orient basket ball team won over the Creston club team of Portland in a game at the Orient hall a week ago by a score of 63 to 27. C. M. Quicksall of Gresham refereed the game.

### For Rivers and Harbors.

One of the functions of the war department under the present organization of our government is the construction and maintenance of public highways. Secretary of War Weeks gives some very interesting figures showing what the federal government has done in the way of constructing, maintaining and operating public highways and harbors.

There has been spent for this work, up to date, approximately \$1,062,000,000. Of this amount \$443,000,000 has been expended for improving interior rivers and lakes (exclusive of the Great Lakes, levee construction on the Mississippi and flood control on the Sacramento river). The government has expended for harbors upon our various sea coasts and in Hawaii, Porto Rico and Alaska approximately \$368,000,000. On harbors and channels of the Great Lakes \$141,000,000 for levee construction on the Mississippi and flood control on the Sacramento river, \$55,000,000; on coastwise channels along the Atlantic and Gulf coasts, \$14,000,000. About \$20,000,000 has been spent for surveys, investigations, etc., not subject to classification, and another \$20,000,000 has been spent for projects which have been abandoned.

Although the sum in excess of \$1,000,000,000 expended on public rivers and harbors is a great amount of money, yet it shrinks into insignificance when compared with the capital cost of railroads, which is in the vicinity of \$20,000,000,000. The expenditure of this money is under the direction of the War department and the work upon the rivers and harbors is directed by army engineers.

### Landplaster Helps Spuds.

Several farmers growing potatoes on Weston mountain this year received an increase in yield by using landplaster on the cut tubers. This treatment appears to preserve the seed pieces in the soil and is especially effective in rather cold, damp soils where sprouting is slow.—O. A. C. Experiment station.

Money to loan on real estate. B. W. Thorne, at Bank of Gresham.

Milk Records. Milk report blanks now for sale cheap at the Outlook office.
