

GRESHAM LOCALS

T. E. Mercer of Corvallis was in Gresham on business on last Saturday and Sunday. Mr. Mercer came by automobile and was accompanied by his son Glen, Melvin Brugger, Gordon Gibson and Walter Schwedler, all students at Oregon Agricultural College.

Sunday afternoon about 60 members of the local Odd Fellows and Rebekah lodges visited the I. O. O. F. home in Portland. A short program was enjoyed in the auditorium, part of which was supplied by the children of the Home, after this the members made a tour of inspection of the buildings and grounds. A new building is being erected for the girls and younger children. Matron Charlotte Woodman said that even with this splendid building there would hardly be room enough to accommodate all the applicants for admission. At present there are 82 people being cared for. The youngest a little fellow of about three, the eldest a bright cheery lady of 93. The Gresham members enjoyed their visit very much and were greatly pleased with this splendid memorial of Oddfellowship.

Mr. and Mrs. Emory Roberts and son Emory Junior are visiting with the former's parents, Mr. and Mrs. D. M. Roberts. Mr. Roberts is teaching civil engineering at O. A. C. and is spending his Easter vacation here.

The Rev. A. S. Hisey left this morning for Pasco, Washington, where he will meet other ministers who are on a conference boundary board and who will establish some new boundaries.

Mrs. C. A. Hill, who has been ill at her home for many months, is able to be about again.

Mr. and Mrs. J. H. Cone have returned to Lone Rock after a week's visit with relatives here and in Portland. Raymond, who has been in Portland all winter, drove to Lone Rock recently and brought his parents back. He drove back with them and will stay. It is expected that the whole family will return to Gresham in September.

Adolph Nelson and family from Oberlin, Kansas, have moved to Gresham and occupy one of Frank Heiney's houses on Third street. They have bought three lots on Cleveland avenue and plan to build soon.

Mr. and Mrs. A. J. Stout have moved from Hoff, Oregon, to their place near Hogan station. Their son Francis is a student at Washington high school in Portland. Their son Max has entered the Gresham grade school.

Arthur W. Parker, who is employed as a timber scaler at West Timber, spent last week-end with his family in Gresham.

The Areme club dance given last Friday evening was one of the most successful of the season. A large crowd was in attendance and all reported a fine time. Another dance will be given next month.

MULTNOMAH GRANGE WILL MEET SATURDAY

A special Easter program will be held by Multnomah grange at its regular meeting on Saturday at its hall at Orient. The program, which has been arranged by the lecturer, Mrs. G. W. Alder, will begin with a song selected by the steward. The closing song will be chosen by the gate keeper and there will be other musical numbers. Juvenile grange will meet with the elders and the youngsters will answer to roll-call by telling what they like best about their grange. The older people will respond to roll-call by some memory of childhood of springtime farming. There will be a surprise feature arranged by those whose birthdays came in the month of March and an Easter egg hunt in which old and young will participate.

The women will be expected to furnish special egg dishes for the bring colored eggs and to remember dinner.

SCHOOL WILL GIVE "THE GOBLIN FAIR"

The operetta "The Goblin Fair," which will be given by children of the Gresham grade school under the direction of the teachers on next Thursday evening, promises to be one of the most charming entertainments ever staged by the school.

The program will last about an hour and a half and will be full of interest from start to finish. The curtain will rise at 8:15 sharp and those in charge of the operetta are especially desirous that all be in their places at that time, as the children cannot be heard during the confusion of seating people. The sale of tickets is progressing very satisfactorily.

A feature of the evening's entertainment will be a Spanish characterization by Doris Batley between the acts.

FUNERAL IS HELD FOR MATT SCHANNO

The funeral of Matt Schanno, who died last Friday at a Portland hospital, was held this afternoon from the Methodist Episcopal church in Gresham. Dr. A. Thompson preached the funeral sermon. The burial was at Mt. Scott cemetery and was in charge of the Masons. The Masonic lodge and the Eastern Star Chapter attended in a body.

WANTED AT ONCE. Clean cotton rags. No stockings, overalls or heavy underwear. Five cents per pound. Outlook office.

Phone orders to Outlook 1561.

Cost of Railroad Strikes.
The recent shopmen's strike cost the Missouri Pacific railway \$5,000,000, and the Burlington \$3,000,000. We need not have the estimates of the other large systems to obtain a fair idea of the grand total. Nor need we have any estimate as to the losses entailed by business and the public.

Who can fairly contend that the public has no right to prevent lock-outs and strikes on public utilities and natural resources industries? The public stands the losses and in addition pays the costs in higher rates and prices.

Printing? Call the Outlook.

PLEASANT HOME

The Parent-Teacher circle of the Orient school is planning for an interesting program next Saturday evening at the grange hall, when Judge Kanzler will speak and films will be shown illustrating various lines of club work. Miss Ethel Calkins will be one of the speakers.

An all-day meeting will be held at the Baptist church next Sunday with basket lunch at noon, to which all are invited.

Phone want ads. to 1561.

The Bank of Gresham pays 5 per cent interest on time deposits.—Adv.

Farmers Mutual Fire Relief Assn. Does Flourishing Business.

The Farmers Mutual has grown to be the largest farmers' company in the Northwest. Farmers who consider their own welfare prefer it. President Snashall reports the Association has over \$16,000,000 in force and over 10,000 members. In the past year it has paid over \$33,000 in losses with one assessment only at 30c per hundred dollars. There is no reason why farmers should pay high rates when they can insure in a Farmers' Association. Anyone wishing to insure will call on H. W. Snashall at the Fair Grounds, Gresham. Phone Farmers 2101.—Adv.

If you have prosperity in the head it will often spread to the pocketbook.

European foulbrood and cross bees may be eliminated by replacing all inferior queens with good Italian queens. It is the highest step toward success. The names of southern queen breeders appear in any bee journal.

The man who keeps his bees in any old box is in the same class as the one who lets his chickens find their own feed in the grass and looks for eggs in the brush pile.

Regular meeting of Gresham Lodge No. 125, I.O.O.F. in the Odd Fellows hall, every Thursday evening. Brothers welcome. ARTHUR H. HENSLEY, N. G. C. A. HILL, Secretary.

Since heavy breeds of chickens are slower maturing than the light breeds, they should be hatched earlier in order to arrive at production at the same time.

Printing orders. Phone 1561.

A few words will tell the whole story in the Want Column.

DATE CHANGED.

Special communication of Gresham Lodge A. F. & A. M. No. 152 will be held in Masonic hall, Friday evening, March 23, at 7:30. Labor in F. C. Degrees. Visiting brethren welcome. W. L. GORSAGE, Sec'y. J. E. METZGER, W. M.
