

**PLEASANT HOME**

At the Methodist church next Sunday morning the usual preaching service will be omitted in order that all may join in the Sunday school convention at the Cottrell community church. In the evening a short program will be put on. This will be a reading contest rally and reports of the score to date will be given. The men are said to be in the lead so far.

Mr. Sina, secretary of the state Sunday school association, will be the principal speaker of the afternoon session of the convention to be held at Cottrell next Sunday. Mrs. Clara Esson will speak in the morning and Mrs. J. M. C. Miller will sing.

**more gasoline mileage with Zerolene**

Few motorists would willingly pay fancy prices for oil if they knew what we know about Zerolene, which sells for about half the price of many other oils.

Zerolene, made from selected Naphthenic-Base Crude and vacuum-distilled by our exclusive process, stands up better and gives better, continuous lubrication than any oil we have seen and tested or been able to produce.

One of the best proofs of this is, that a car lubricated with Zerolene averages 5% better in gasoline mileage than a car lubricated with other oils, as shown by repeated laboratory tests. Even more important, Zerolene will run a car from 25% to 50% farther before carbon-removing operations are required.

Insist on Zerolene—even if it does cost less. Consult our Correct Lubrication Chart to determine the correct oil for your car.
