

## LEGION WILL HAVE ROUNDUP AT SANDY

Saturday night, April 28, Gresham Post of the American Legion will motor to Sandy where a big feed and blowout will wind up the Post's second membership drive. The start will be from A. W. Metzger's store, promptly at 7 p. m. The time it will be over is still up in the air.

This affair will be a bell-ringer, and any Legion man or ex-service man who doesn't attend will shorten his life by one year for each hour of fun he misses. The Sandy committee says it will be a big time, but nothing further has been disclosed.

All Legion and ex-service men, whether members of the Post here or not, are invited. There will be cars for everyone.

Plans for the Legion Fourth of July celebration are progressing rapidly, says A. W. Metzger, general chairman. There will be some fast horse races here that day. The Northwest Racing association has placed the celebration on its schedule of meets and it will be advertised all over the Pacific Coast and in Canada. The races are in charge of T. R. Howitt.

The noise will start at daylight with the sunrise salute. At about 10 a. m. will come the big street parade. Gov. George M. Pierce will occupy a place of honor in it. There will be floats from all the business houses, decorated autos and comic features. Near the front will be cars for the men of the G. A. R. and the Women's Relief corps. At 11 o'clock Governor Pierce will deliver the address of the day, on the fair grounds. The parade committee will soon make a canvass of the business houses asking that floats be entered. They also desire that all firms decorate for the day, and will assist in every way possible.

With the recent announcement that President Harding would be in Portland on the Fourth the Post decided to ask him to attend and make a speech here. The news of this traveled fast. Tuesday, Post Commander A. W. Metzger received telegrams from Pendleton, La Grande and Baker asking that no effort be made to get the President to attend the celebration here. They want him at the Old Oregon Trail celebration which will commemorate the 80th anniversary of the first wagon to cross the Blue mountains. Commander Metzger has informed them that the Legion Post will grant their request.

## HORSE RACING AT VANCOUVER

Sunday afternoon, May 13, has been set for the opening of a series of race programs on the splendid track at Vancouver, Washington, according to recent announcement by J. J. McCall, manager of the Oregon-Washington Racing association. Many well known horses are in training for these events.

It is Mr. McCall's desire and hope that arrangements can be made for similar events on the Gresham track during the summer months.

## Zion Evangelical Church Activities.

Services have been announced in the Zion Evangelical church for next Sunday as follows: Sunday school at 10 o'clock, divine service in the English language at 11. The sermon topic will be "The Best Paying Business on Earth." The choir will sing the anthem, "Journeying Ever On." Miss Katherine Bratzel will lead the young people's meeting at 8 in the evening. The topic will be "George Leslie Mackay, a Fearless Messenger."

The Ladies' Aid of the church will hold its regular monthly meeting at the home of Mrs. E. Schwedler at Damascus on Thursday afternoon, May 3. Any wishing transportation see Mrs. F. Volbrecht, the president. Friends are invited.

What you want, when you want it, as you want it—Want ad it.

## Musical Attractions

### Orchestra Will Meet Next Wednesday Night.

Gresham is to have a community orchestra of about 20 pieces, as one activity of the Musical Arts club, if prospects are not deceiving and plans formulated last Wednesday night work out as well as expected.

The meeting held at the library of those interested in orchestra work brought out about fifteen experienced musicians of the locality. Others had consented to take part. When all the names of those expected to be in the orchestra were listed there were found to be at least 20, representing a range of instruments that would give a well balanced orchestra.

John Oliver, violin teacher and experienced conductor, was selected to direct the orchestra, with W. L. Gorsage assistant. Mrs. Gladys Ruegg was chosen first pianist with Mrs. W. L. Gorsage second. The other members chosen are as follows:

Violins—John Oliver, W. L. Gorsage, Miss Peck, H. O. Bone, Miss Roberts, Mr. Fritz and Mr. Nevalin.

Violin cello—Fred Fieldhouse.  
Wind instruments—A. J. Stout, clarinet or bassoon; C. M. Quicksall, clarinet; L. L. Kidder and Ray Strong, flutes; Orval Davidson and Walter Sweek, saxophones; Dr. H. H. Ott, horn; O. I. Neal, cornet; Claire Gullickson, L. H. Stone, trombones.

Drum—Carl Zimmerman.  
The first meeting and practice of the orchestra will be held next Wednesday evening at 7:45 at the Roberts' home, corner of Roberts avenue and Second street.

Mr. Gorsage, chairman of the instrumental division of the Musical Arts club, has appointed to assist him in planning the work of his department, Mrs. Clyde Ruegg and Miss Florence Honey.

### Musical Appreciation Division to Meet Wednesday Night.

Miss Alice Roberts, chairman music appreciation division, has called the members of her division, to meet at her home next Wednesday evening for a short meeting from 7:15 to 7:45. Her division includes dramatic art and interpretive dancing and all persons interested in these lines are invited to come to this meeting.

### Mandolin and Guitar Club Desired.

It is desired to start a mandolin and guitar club if enough wish to join such a club. Arrangements will be made to instruct beginners. Names of those who play mandolin, guitar, banjo or ukelele, and those who desire to learn should be handed telephoned to Miss Florence Honey as soon as possible.

### PASTOR'S WIFE IS GIVEN BIRTHDAY PARTY

A surprise celebration of her 64th birthday was given Mrs. Truedson, wife of the Rev. John Truedson, pastor of the Evangelical Lutheran church at Powell Valley, last Monday, April 23. A great number joined in the festivities, including members of the Ladies' Aid society and the congregation and many other friends. The affair was a complete surprise.

The women brought a sumptuous lunch, which all enjoyed, and before they left they presented Mrs. Truedson with six silver knives, forks and table spoons, a dozen china coffee cups and saucers and \$4.25 in silver. The Rev. Mr. Truedson joins with his wife in gratitude to the friends for these tokens of their friendship and esteem.

## POWELL VALLEY

The Rev. John Truedson has resigned his pastorate of the Evangelical Lutheran church of Powell Valley, his resignation to take effect on July 1. He has accepted a call as missionary for the Columbia Conference, which includes Oregon, Washington and Idaho. His duties will take him to various parts of this territory to care for churches without pastors while permanent arrangements are being made. His first assignment will be to Coos Bay. Mrs. Truedson will remain here indefinitely.

There will be services at the Lutheran church next Sunday morning at 11 o'clock and in the evening at 8 o'clock.

## PARK SITE AND RESERVOIR ARE DISCUSSED AT MASS MEETING

"As you were," is about the most appropriate expression to use describing the results of last night's mass meeting called to consider the wishes of citizens regarding park sites, reservoir site and sewers.

K. A. Miller, as mayor, called the meeting to order and appointed H. L. St. Clair to record the proceedings. There were about 75 persons present and the discussion revealed the fact that there were probably about that many different opinions as to what ought to be done and how.

Mayor Miller opened the discussion with one of his characteristically progressive speeches, outlining the situation, and urging the city to secure a park site or sites now while there are suitable tracts to be had. The water reservoir, he stated was an absolute necessity as was also the need of a better way of taking care of the city's sewage. He stated that the Portland water board had made the renewal of water contract with this city conditional on the construction of a reservoir. It would require a tank holding approximately 350,000 gallons, a three days' supply. It was estimated to cost from \$13,000 to \$18,000 according to plans and location.

The city's need of a park site, for auto camp purposes and perhaps in time for children's play grounds, was presented. It was predicted that in a few years the travel along the loop highway and through Gresham would be enormous. The city should secure a suitable site or sites now. The Cogswell tract of three acres, located on Powell street was thought suitable. A tract of two or three acres was available in Zenith addition.

In the discussion of the park site various opinions were expressed. Chas. P. Tallman thought an auto park and play grounds should not be combined.

L. P. Manning thought an expense of \$25,000 would be necessary to fill up the gullies on the Cogswell tract to make it suitable for auto park and he wouldn't favor accepting it as a gift.

Mrs. Elm thought the fairgrounds site the best to be had for auto park and asked why it could not be used.

This statement called for an explanation regarding the use of the

fair grounds grove by the city as an auto park. Mr. Miller states the grounds belonged to the fair and the city had practically no right there only by permission of the fair board and hence no improvements could be permanent. Mr. Howitt, however, later said the city had the use of the grounds, except during fairs, and would have for eight or ten years to come.

Chas. Cleveland thought the citizens favored a park or parks and suggested the Metzger tract on the south slope of the butte as suitable for both reservoir and park.

Judge Stapleton made an extended talk on the need and possibilities of several park sites and named the few beautiful, well located spots which are still wooded.

A. F. Hammar favored the Cogswell tract for park and butte site for reservoir, both of which as councilman he had carefully examined.

Mr. Bushong favored the Cogswell site for park.

Mr. Cooley thought the selection of a reservoir site was an engineers' job. D. E. Towle suggested something entirely new, namely, the top of Grant Butte as a place for a large reservoir that would supply Gresham and Powell Valley Water District No. 1 and possibly District No. 2. He thought we should develop the streets and make more accessible the fair grounds grove.

It was ordered by vote that the mayor appoint a committee of five to investigate and report on all the available park sites under consideration and report back to another mass meeting to be held soon with their recommendations.

The chairman proposed the matter of sewers but as it was already late many showed they were not willing to give this subject serious thought at this meeting. After much unprintable description of the present situation regarding the septic tank that only stank and some even worse open spots in the city, the meeting adjourned without further action.

Mayor Miller has appointed the committee of five as follows: A. W. Metzger, G. W. Stapleton, Chas. Cleveland, A. F. Hammar and L. L. Kidder.

## BETHEL BAPTIST CHURCH TO HAVE FINE PROGRAM

Bible school will convene next Sunday at 9:45 as usual. In accordance with the plans for Boys' Week Pastor Barry will speak at 11 o'clock on the topic, "Give the Boys a Square Deal." The chorus choir will render the anthem, "In Heavenly Love I Am Abiding," by W. H. Ruebush.

The B. Y. P. U. will meet at 7 in the evening. The regular service will open at 8 o'clock, when Mrs. Wm. E. Hopkins will have charge. Her topic will be "Baptists on the March." The lecture will be fully illustrated by the use of the stereopticon and the pictures are up to date. Miss Pearl Wooten will give the reading, "Say it with Flowers." The chorus choir will render the anthem "Christ Hath Redeemed Me," by J. Lincoln Hall.

## FORDSON TRACTORS IN TWO BIG FIELDS

Both agriculture and industry are making increasing demands for the Fordson Tractor. While the use of the Fordson as a farm implement is extending in every agricultural section of the country as farmers come to realize the advantages and economy of power farming, a most noticeable feature of the sales is the growing use of this sturdy and dependable power plant in industrial and commercial activities.

Contractors and builders are everywhere adapting the Fordson to meet their needs for power, either moveable or stationary, and road engineers throughout the country are specifying its use with highway construction machinery.

To meet this growing demand for Fordson Tractors production is now at capacity and for the first three months of the year reached a total of 27,987 as compared with 8,340 for the same period a year ago.

It isn't necessary to teach a modern old dog new tricks. He knows 'em.

## METHODIST CHOR TO REPEAT CONCERT

Sunday evening the choir of the Methodist Episcopal church will repeat the splendid cantata, Victory, that was presented Easter evening. Many who were not so fortunate as to hear the first rendition will be delighted with this opportunity to hear this splendid piece of sacred music, and all who heard it the first time will enjoy it the more this time. A splendid mixed quartet "There's No Night in Heaven," which was omitted before, will be included in Sunday evening's rehearsal.

Sunday is the opening day of Boys' Week. This fact will be remembered in the services of both Sunday school and church services for the day.

The pastor, the Rev. A. S. Hisey will occupy the pulpit and preach the morning sermon on the topic, "The Best Thing in Gresham." The choir will sing the anthem, "Give Ear Unto My Prayer."

The Epworth League will meet at the usual time, 7 o'clock for its weekly devotional service. The topic is "Leadership for Service." This is Institute Sunday. Miss Myrtle Rusher will be the leader.

## TROUTDALE YOUNG MAN ACCIDENTALLY KILLED

Hugh Hurt, aged 21, was killed in a logging camp accident at Prineville on Tuesday, April 24. He leaves a widow, having been married a few months ago, his parents, Mr. and Mrs. W. E. Hurt, a brother, Wilson and sister, Agnes Hurt, all living near Troutdale.

The funeral was held on Thursday from the Troutdale Methodist church and was conducted by the Rev. E. R. D. Hollensted of Fairview. Music was furnished by Mrs. L. A. Harlow and Mrs. J. A. Larsson.

## Gresham Team Will Play Trojans Sunday

A game has been scheduled for next Sunday on the high school grounds at 2 p. m. between the Gresham team and Trojans of Portland. The Trojans are said to be a colored team but good players and a very snappy and close game is predicted. There will be need of all the ball fans to be present and they are promised their money's worth of the great American sport.

The line-up of the Gresham team for Sunday's game is as follows.

Wm. Beers, catcher, Lyle Winters, pitcher; Wm. Hopkins, 1b; Jack Brown, 2b; Frank Hamlin, 3b; Frank Southard, ss; Ernest Hamlin, lf; Jack Hamlin, cf; Ted Wright, rf; Frank Hamlin, captain. Substitutes, Krigbaum and Keller.

A good tryout game with Corbett was played last Sunday. It was a practice game and gave the boys a chance to find their places and discover their points of strength and weakness.

On May 6 the local team will play Corbett at the latter's grounds. The boys practice Mondays, Wednesdays and Fridays on the high school grounds, from about 6 until dark. Any ball players are invited to come out and show their wares.

## DAVID M. DONAUGH ANSWERS DEATH'S CALL

David M. Donaugh died at his home at Bairdsdale station on Wednesday morning, April 25, aged 60 years. Mr. Donaugh had been in poor health for a number of years but was able to be about the most of the time. He was confined to his bed but a few days and his death was unexpected. He leaves a widow, Mrs. Christine Donaugh, and a young son, George.

Mr. Donaugh was admitted to the Oregon bar in 1888. From 1888 to 1894 he was principal of the Sellwood and Woodlawn schools. Later he practiced law until ill health compelled him to give up his work in 1912. Since then he has lived at his Bairdsdale home near Fairview. He was president of the Sellwood Board of Trade and was connected with the city administration of Portland under former Mayor Lowe.

Mr. Donaugh took degrees in Ohio University, Hallbrook University and Cornell College. He was admitted to the Nebraska bar shortly before moving to Oregon in 1888.

The funeral services will be held on Saturday, April 28, at 10 a. m., at Finley's mortuary in Portland. The concluding services will be in River-view cemetery.

## THANKS ARE EXPRESSED FOR GRESHAM FAVORS

A letter has been received by Mrs. John Metzger, president of Gresham Auxiliary to the American Legion, from Mrs. A. C. Hoggatt, state chairman of welfare and hospital relief committee, in which she thanks the members of the Auxiliary for the gifts of flowers and the fine entertainment recently given to invalid soldiers in the hospital in Portland. Following is the letter:

"I am writing at this late date to thank you and the Gresham unit for the splendid entertainment that it furnished the 'boys' in the U. S. Hospital, No. 77, on the 13th of the month. The hospital corps said, 'It was the best ever given here, and the boys thoroughly enjoyed every bit of the program and want to know when you may come again.'

"Please accept my thanks for the flowers that your unit brought the boys for Easter. I can assure that the graciousness of Gresham Auxiliary to the American Legion will long remain in the memories of all those connected with Hospital No. 77."

## TROUTDALE WOMEN STUDY EARLY OREGON

At the last meeting of the Troutdale Parent-Teacher association the members continued the study of Oregon which has engaged their attention during the winter by reports on fiction and other works on Oregon. The program included the following reports: "Happy Valley," Ann Shannon Monroe, Mrs. W. C. Spence; "Bride of the Gods," Balch, Mrs. H. E. Waite; "Land Claimers," Wilson, Mrs. Alice Rix; "McDonald of Oregon," Eva Emery Dye, Mrs. E. C. Shaw; "The Vanishing Swede," O'Connor, Mrs. Morris McGinnis; "Country Boy," Homer Davenport, Mrs. A. C. Althaus.

It was decided to have an old-fashioned dance on Saturday evening, April 28.

The next regular meeting of the circle will be the finish of the Oregon study with Oregon trail reminiscences. Mrs. C. L. Thomas has charge of the program.

## PLANS ARE STARTED FOR "BOYS' WEEK"

Initial plans were made at a meeting called on Tuesday evening by Mayor K. A. Miller to take up the matter of the observance of Boys' Week, April 29 to May 5, also for Mother and Daughter Week, May 13 to 20. There were present at the meeting, besides Mr. Miller, the Rev. D. Q. Barry, the Rev. H. R. Gebhardt, Principal C. M. Quicksall of Gresham grade school, Principal Roy E. Cannon of the high school, Dr. A. W. Botkin, the Rev. A. S. Hisey, Mrs. A. Hevel, Miss Elizabeth Johnson, Miss Florence Honey, Mrs. H. L. St. Clair and Miss Ethel Calkins.

Considerable informal discussion was given the subject, which was introduced by Mr. Miller. In general the plan of recognizing the value of boyhood was considered good, but fear was expressed that one week's activities along this line were insufficient. "What about the other fifty-one weeks," was asked. It was felt that such a program as was suggested should be not for the entertainment of the boys alone, but for the purpose of enlisting the active interest of parents, and especially fathers, in the play life of the boys, and in placing before them high moral ideals in a way that will be attractive.

It was finally decided to put into the activities which have already been planned for the week of April 29 to May 5 as much as possible on the subject of boyhood interests.

The pastors who were present agreed to stress the subject in their Sunday morning services. At the regular meeting of the Parent-Teacher association on next Monday evening it is planned to add to the program short talks on scouting and the Boy Scout movement by Orville Johnson, Clinton Chalker, David Lane, Claire Gullickson and Vearl Howell. A talk on books will be given by Miss Norma Lee Peck.

On Wednesday evening, May 2, a "baked bean banquet" will be given to the boys of the community. The only requirement for admission will be that each boy bring with him his father or some other man. Efforts are being made to get Chester A. Lyon and other good speakers for the evening and there will be some good games. Judge George Kanzler has consented to be one of the speakers.

The Camp Fire Girls, who have been planning for some time for their fine entertainment to be given at the high school gymnasium on Friday evening, May 4, have decided to recognize Boys' Week by reserving the gallery for the boys of the community, who will be their guests on that occasion. W. A. Elliott of Portland, who will give the address of the evening, is not only an authority on birds but a popular worker with boys.

The following committees were appointed to direct the activities of the week: program, Mrs. St. Clair, Mr. Quicksall and Miss Calkins; banquet, Mrs. Volbrecht, Mrs. K. A. Miller, Mrs. A. J. W. Brown, Mrs. Roy E. Cannon and Mrs. C. M. Quicksall.

In view of the fact that the week of May 13 to 20 has been set aside as Mother and Daughter Week, a committee was appointed to arrange for the activities of that week. The committee consists of Miss Florence Honey, Miss Elizabeth Johnson, Mrs. A. Hevel, Miss Ethel Calkins and Mrs. H. L. St. Clair.

It is felt that to take a part in these nationally recognized weeks' activities for the good of the rising generation is a step in the right direction in the country. It is a supplement to the daily vacation Bible schools and to the short courses for club boys and girls.

## BAPTIST PASTOR RESIGNS AT PLEASANT HOME

Sunday evening, April 29, Rev. A. J. Ware will close his pastorate with the Pleasant Home Baptist church. He has supplied the church since January and the membership feels great regret at losing him. Mr. Ware has always been a dearly loved pastor of this field and his friends regret that circumstances make it impossible for him to come on the field as full time pastor.

Rev. J. W. Stockton will fill the pulpit of this church for the first two Sundays in May and the church hopes to be able to have him and his good wife for permanent workers in this field.

Sunday school will hold its usual session at 10 o'clock and the B. Y. P. U. at 7:30.

The Community Council and the home economics committee of the grange are planning a splendid program for Saturday evening, May 19. Plans are well under way and a good time is assured.
