PERK UP.

Every morning when we wake up now, the sun is shining, and birds are chirping a welcome to the new-born day. Why not fall in line—arise and shine—smile and perk up at the call of this delightful spring. If we want to grunt and moan of course we can do it, but the sun will shine just the same for those who have enough sense to enjoy it. Old Dame Nature has fixed things up so that there's no chance for the fellow who keeps out of step putting the whole procession on the blink. You might just as well bow to that old dame and march along.

Glee Club Concert—Lincoln high school's glee clubs, consisting of more than 300 boys and girls, will present the popular Sunday afternoon concert at the Auditorium in Portland, May 6. George D. Ingram is leader of the glee clubs, which have made "May 6—6000" the attendance goal for the concert, their slogan. Operatic numbers will be featured in the program by the large chorus.

It is now explained by scientists that the sun has turned a cold shoulder toward the earth and it is feared the little unpleasantness may lead to an unfortunate estrangement. Of course, that will take some time, and old Sol may get over his tiff, but our dear earth will feel the chilling effect of the situation.

The "buyers' strike" has struck home and the price of sugar is coming down.

FIRST STATE BANK WILL ENTERTAIN PUBLIC

The judges of the First State Bank Essay Contest are still engaged in their work of grading the essays, evidently finding it difficult to determine to whom the awards should go. The awards, however, will be determined soon, and teachers should furnish names of students and their numbers to First State Bank before May 11.

The prizes will be presented to students at an entertainment to be given at Masonic Hall, evening of May 11. There is no admission charge, and the parents of students, teachers, school directors and school clerks are especially invited to attend. There will be excellent vocal music furnished by the Misses Leach of Portland, and variable entertainment. Andrew Miller, field secretary, Oregon Bankers Association, and Hon. Geo. W. Stapleton, will address the audience. The program will be found elsewhere in this paper.

School Club Activities.

The sewing clubs of the Gresham grade school and their leaders, Miss Anna Brugger and Miss Mildred McKinney, entertained the mothers of the girls on Tuesday evening at the Brugger home. The girls gave a demonstration of desirable and undesirable types of dress. They had games and refreshments and sang songs to their leaders and mothers. Those present were Beatrice Anicker and her mother, Gertrude Brugger and mother, Martha Hamilton and mother, Helen Exley and mother, Fern Jennings and mother, Lois Kelly and mother, Mary Lenard and mother, Miss Ethel Calkins, Mrs. Thos. McKinney, Mrs. W. A. Forbes and Bennie, who was "Little Boy Blue."

A stock judging practice will be held on Saturday in which all the livestock clubs will participate. They will judge Jerseys at Bowman's Halcyon farm at Powell Valley and enjoy a picnic lunch at the Powell Valley school. After dinner a ball game will be staged between the calf and pig club boys. The boys will go to Wm. McKeown's to judge Holsteins.

PLEASANT HOME

The Community Council will meet at the Methodist parsonage on Tuesday evening, May 8, at 8 o'clock, to discuss plans for the Fourth of July celebration.

The stewardship reading contest at the Methodist church will close next Sunday. The scores are so close that the outcome is still uncertain.

Mrs. Hugh Gruell of Portland will read "Mice and Men" under the auspices of the Epworth League on Friday evening, May 11. A small charge will be made for the benefit of the league.

Plans are being made to take the Epworth League to Sandy next Sunday evening to assist in the services. Rev. J. W. Stockton will preach at Pleasant Home Baptist church, Sunday, May 6, both morning and evening. Plans are being formulated to secure Mr. Stockton for full time services on this field. Sunday school will meet at the usual hour followed by choir practice. The Sunday school is showing a steady increase, especially in the adult classes. The B. Y. P. U. will meet in the Sunday school room at 7:30 with Wilbur Altman as leader. The contest carried off by the young people has resulted in a large number of new members and added interest. An enjoyable time was had at the "backward party" on Tuesday evening.

Money to loan on real estate. B. W. Thorne, at Bank of Gresham.

RUPTURE EXPERT HERE

SEELEY, FAMOUS IN THIS SPECIALTY CALLED TO PORTLAND.

F. H. Seeley, of Chicago and Philadelphia, the noted truss expert, will personally be at the Benson Hotel, and will remain in Portland this Monday, Tuesday, Wednesday, Thursday and Friday, May 7, 8, 9, 10, 11. Mr. Seeley says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods — exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or in-elastic ruptures, (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. Warning — All cases should be cautioned against the use of any elastic or web truss with understraps, as some rest where the lump is and not where the opening is, producing complications necessitating surgical operations.

Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

P. S. — Every statement in this notice has been verified before the Federal and State Courts. — F. H. Seeley, Home Office, 117 N. Dearborn Street, Chicago, Illinois
