ROCKWOOD WATER DISTRICT STANDS

Judge Evans rendered a decision on Saturday favorable to the establishment of the Rockwood water district the legality of which had been questioned by certain protestants. Ten days is allowed on which to appeal or file further protest, but it is not expected this will be done. Those interested in the district plan to go ahead with the project if not held up further by court action.

POWELL VALLEY

The Ladies' Aid program Saturday evening was a fine success. The church was crowded. After the program refreshments were served and a silver offering for missions amounting to \$30 was received. The officers and workers of the society are especially grateful to all for their patronage.

The Sociable Six Sewing club entertained their mothers and a few friends at a very nice social time at the schoolhouse last Saturday afternoon. A short program was given including a little playlet, "Who Made the Garment?" after which the guests were ushered to a very attractive table set apart from the rest of the room by green and white crepe paper curtains. They were asked to find their places marked by clever little four-leaf clovers. A large clover leaf adorned the center of the table, the girls in their uniforms served ice cream and cake, prepared by themselves and their leader. The club sewing was also on exhibit.

The Powell Valley club night social has been changed from Friday night May 25 to Saturday night, May 26 at 8 o'clock. A program will be given by the different clubs. The Sewing club will have a home-made candy booth and any donations of candy will be very much appreciated. A basket social will also be given in connection and ladies are expected to bring baskets. Ice cream and cake will be for sale by the boys' clubs. The proceeds will go toward the delegate fund for the O. A. C. summer school. The club children are requested to meet for practice at the school on Friday morning at 9 o'clock.

The Parent-Teacher meeting last Friday evening was surely a record-breaker for the year, there being nearly 150 persons present. A fine program was given under the able leadership of the president, Mrs. C. Lundquist. The talk by Principal Cannon of the Gresham High school was very much appreciated and it was everyone's desire to have Mr. Cannon come again. The meetings will now be discontinued until September.

The meeting of the Luther League Sunday evening was attended by a large crowd. It was then decided to have a strawberry social in the early part of June, the date to be published a little later.
