

Notice of Meeting of County Board of Equalization.

Notice is hereby given that on Monday, September 10, 1923, the Board of Equalization of Multnomah County will attend at the office of the County Assessor, at the Courthouse in Portland, and publicly examine the assessment rolls for the year 1923, and correct all errors in valuation, description or qualities of lands, lots or other property, assessed by the County Assessor. And it shall be the duty of persons interested to appear at the time and place appointed. If it shall appear to such Board of Equalization that there are any lands or lots or other property assessed twice, or incorrectly assessed as to description or quantity, and in the name of a person or persons not the owners thereof, or assessed under or beyond the actual cash value thereof, said board may make proper correction of the same. If it shall appear to such Board that any land, lots or other property assessable by the Assessor are not assessed, such Board shall assess the same at full cash value thereof.

HIRAM U. WELCH,
County Assessor.
Portland, Oregon, August 15, 1923.

IN A FRIENDLY SORT O' WAY.

When a man ain't got a penny, an' he's feeling kind o' blue,
An' the clouds hang dark an' heavy,
An' won't let the sunshine through,
It's a great thing, oh my brethren, for a fellow just to lay
His hand upon your shoulder in a friendly sort o' way.

It makes a man feel curious; it makes the teardrops start
An' you feel a sort of flutter in the region of the heart;
You can't look up and meet his eyes; you don't know what to say
When his hand is on your shoulder in a friendly sort o' way.

Oh, the world's a curious compound with its honey and its gall,
With its care and bitter crosses but a good world, after all;
An' a good God must have made it—least-ways that is what I say,
When a hand is on my shoulder in a friendly sort o' way.

Farmers Mutual Fire Relief Assn. Does Flourishing Business.

The Farmers Mutual has grown to be the largest farmers' company in the Northwest. Farmers who consider their own welfare prefer it. President Snashall reports the Association has over \$16,000,000 in force and over 10,000 members. In the past year it has paid over \$33,000 in losses with one assessment only at 30c per hundred dollars. There is no reason why farmers should pay high rates when they can insure in a Farmers' Association. Anyone wishing to insure will call on H. W. Snashall at the Fair Grounds, Gresham. Crowded.
Little four-year-old Margie, whose big sister brought her chum home to spend the night, thought it would be a great treat to sleep with them; and, having gained permission, she took her place in the center of the bed. She soon found it uncomfortable, and not wishing to appear selfish, asked: "Sister, have you plenty of room?" "Yes, dear," was the reply. Then to the sister's chum: "Have you plenty of room, Miss Manning?" "Sure, dear." "Well, then, both of you move over!"

As He Were.
The supply sergeant had just issued the last assortment of shoes to the colored outfit. There were plenty of kicks, but the loudest and most prolonged came from Private Indigo Snow who, failing to receive satisfaction elsewhere, betook himself to the captain. "Cap'n, suh," he announced, "mah shoes am too big fo' me." "You'll have to make the best of it," answered the captain. "Plenty of men have shoes that don't quite fit." "Don't quite fit!" ejaculated Indigo. "If yo' says 'tenshun, cap'n, Ah comes to 'tenshun. Den if yo' says to right about face Ah right about faces, but mah shoes stays at 'tenshun. Don' quite fit? Huh!"

The only reason there are so many unsuccessful people is that they don't read the magazine ads telling them how they can become rich in ten weeks by mail.
