## Have Times Changed ???

Over a century ago "Poor Richard" said—"Taxes are high but we have many others much more grievous. We are taxed twice as much by our IDLENESS, three times as much by our PRIDE and four times as much by our FOLLY."

Benjamin Franklin was a keen observer and the greatest apostle of THRIFT America ever produced.

What he said of the Colonists is true of us today.

Let us reduce these UNNECESSARY taxes, place the difference in our savings accounts and become INDEPENDENT.

Beware of little expenses—a small leak will sink a great ship.
