COUNTRY PRESS OPINION HAS WEIGHT.

The country press scores again. It is announced that President Coolidge awaits the opinion of the country press on Mellon tax reduction plan before he decides to give it his own endorsement.

OUR OPINION.

President Coolidge wants the opinion of the Outlook on the Mellon plan of tax reduction. Ah! that has caused us some concern, lest our opinion should lead the president to do what would imperil his chances for nomination and election in 1924.

It seems the suggested reduction in the federal income tax would affect over seven million income tax payers. But an attempt will be made by the next congress to put over a soldiers' bonus bill.

If the president wants to know our honest opinion it is this: A tax reduction, within the scope suggested by Secretary Mellon would benefit more people directly and indirectly and more permanently than would a soldiers' bonus.

The government has done and is doing much for the disabled soldiers—more than would have been thought possible 50 years ago.

The official count of the secretary of state shows that the state income tax law, passed by the legislature, was approved by the voters at the recent election by 516 majority.

The D'Autremont brothers seem to be very elusive. Their capture seems to be always just happening.

Two laborers, one of Estacada and one of Newberg, have filed petitions in bankruptcy—one has liabilities of about four times his assets and the other about ten times.

Religion is still powerful in national affairs. In Germany it plays a greater part than socialism, bolshevism, or capitalism.

Frank Falos, a crippled laborer, takes his four young children to the State Workmen's Compensation Bureau and says, "You feed them, I can't."

Ten thousand voices will cry, "What, you can't feed them? You must feed them. It's your duty." To that everybody says, "Amen."

Mussolini increases the pay of soldiers so that they are as well paid as civilian workers.

The annual meeting of stockholders of Multnomah county fair will soon be held.

The old plan was to give land to the old soldiers and whatever they could take to the young ones.

What should we say about a collection of oxen if they gave a similar exhibition only turning nursing human mothers into the arena instead of cows.

Notice is hereby given to the legal voters of Union High School District No. 2, Multnomah county, state of Oregon, that an election will be held in said district at the High School building in Gresham, Oregon, on the 7th day of December, 1923, at 7:30 o'clock in the afternoon.

Timely Comments. By Arthur Brisbane. Mr. Zangwill telling Americans that their "pep" is lost motion, that they are undignified, unjust, lack shame, etc., will be useful to the foolish.
