

Giant Leviathan Aground in New York Harbor

More than twenty tugs in New York harbor went to the aid of the great Leviathan when a strong ebb tide threw the "Queen of the Seas" into a mud bank. With all of their pulling and tugging the big boat could not be freed until evening when the rising tide lifted her. Now the U. S. Shipping Board announces the Leviathan will be laid up until March undergoing repairs to reversing turbines which were the cause of the mishap.

Farmers Mutual Fire Relief Assn. Does Flourishing Business.

The Farmers Mutual has grown to be the largest farmers' company in the Northwest. Farmers who consider their own welfare prefer it. President Snashall reports the Association has over \$16,000,000 in force and over 10,000 members. In the past year it has paid over \$33,000 in losses with one assessment only at 30c per hundred dollars. There is no reason why farmers should pay high rates when they can insure in a Farmers' Association. Anyone wishing to insure will call on H. W. Snashall at the Fair Grounds, Gresham.
