Hepp-Moulton Nuptials.

Sunday evening at 7 o'clock, Miss Myrtle Moulton, the daughter of Mr. and Mrs. Geo. Moulton of Lusted became the bride of John Hepp of Portland.

The bride wore a gown of orchid crepe de chine and carried a bouquet of orchids. The bride and groom were attended by Edna Hossner of Ione and the bride's brother, Lewis Moulton. The house was tastefully decorated with ferns and carnations. Only close friends and relatives were present. The ceremony was performed by the bride's grandfather, Rev. H. T. Cummins.

The bridal pair left immediately for Ione on their honeymoon for an indefinite stay and on returning will make their home in Portland.

GRESHAM HIGH SCHOOL TEAMS WIN AND LOSE

Last Friday night the first team and the Midgets broke even in a double header with Woodburn high school first team and Midgets. The Gresham Midgets trounced the Woodburn Midgets 19 to 1 in a walk away in which "Slip" Keenan starred for Gresham.

The main tilt of the evening resulted in a win for Woodburn first team, 17 to 11 in a listless and poorly played affair. Both the first and second squad were used by Coach Nofstinger in an effort to produce a winning combination. Neither squad seemed to have the necessary punch. In the final quarter when the first team was put back in it staged a brilliant rally, passing the ball into enemy territory time after time, but could locate the Woodburn goal in two attempts.

The losing of this game does not in any way affect the standing of the team for the district championship.

Gresham Defeats Sandy.

Monday evening the team went to Sandy where they played a practice game, winning over Sandy high by a score of 39 to 14. The first team has recovered its old time form and run their points up to 39 without any trouble.

The Sandy gymnasium has a low ceiling, similar to the one in the Hill Military gym and Monday's game will do much to school the team in playing in a low ceiling hall as the team plays Hill on their floor this week Friday night.

In the event that Gresham wins the Hill game they are then entitled to play the winner of the middle section of District No. 9 and the winner of that game goes to Salem where the state tournament will be held. However, if Gresham loses to Hill Friday night they must then play another game with Hill on a neutral floor to compete for entrance in the state tournament.

All who can should show their loyalty to the school by seeing the game at Hill Military Friday night. A large crowd of students will be there to boost the team one notch higher toward the coveted championship.

Interclass Basketball.

The sophs took the school interclass championship for 1923-24 by winning over the juniors by a score of 11 to 9. The juniors hold second place while the seniors and freshies are tied for cellar honors.

Notice to Grangers.

All grangers urged to meet next Saturday night, February 2, in the Grange hall. Work in third and fourth degrees. All who got badges at gymnasium please bring to hall.

AMERICAN LEGION TO PLAY CORBETT

The fast American Legion basketball team will meet the Corbett team in the Gresham high school gym Wednesday evening, January 30. The Legion team beat Corbett their first game of the season and it is rumored that Corbett has added several more plays to their squad and consequently a fast game is expected. The Legion team is composed of all local boys and has made an excellent showing this season having lost only two out of their schedule. Lets give them a good turnout Wednesday night. Place, high school gym. Time, 8 p. m. Admission 25 cents.

Guard Team Loses.

The local company, National Guard lost a game to A company, 11th Engineers, Monday night, score 22 to 12. The game was played at the Portland armory. Because of a larger floor than the local team was used to they couldn't get started until the second half. With the score 19 to 3 against them at the beginning of the second half the local team held the Engineers to 4 more points and annexed 9 more for themselves. Three referees were used during the game, none of whom were satisfactory.

Members of the Gresham squad are Harry Squire, Burleigh Quiesberry, Paul Bliss, Newell Fancher, Middleton, Greenman and Schenck.

Thursday, February 7, they play Regimental Hdq., 162d Infantry at the Portland armory.

GRESHAM SCHOOL HELPS NEAR EAST RELIEF

Portland, Oregon, Jan. 26, 1924.—Editor Outlook:—I have just received from Mr. Quicksall a check for \$32.68, a contribution by the pupils of his school, which means that some child in the Near East for the next six and a half months will have food, clothing and shelter.

I wish, through the columns of the Outlook, you would thank, not only the teachers and pupils, but the parents as well, for all together must have cooperated to secure this gift.

The care of one child for six months may not seem very much to some when fifty-four thousand children look to us every day for food all through the year, but the Near East Relief is like a man carrying a child over a deep bog. He jumps from one place of safety to another until finally he gets through.

I hope that those who cooperated in this gift will often think during the next six months that through their thoughtfulness some child in the Near East, just as promising, attractive and just as much entitled to the good things of life as any one else is receiving care because of their gifts.

Because the need continues thousand of children are hungry. If this message comes to the attention of anyone who loves children and who has not yet given as generously as he would have someone give for his child if it were hungry I know that you will be glad to receive and forward any such contribution.

J. J. HANDSAKER.

Likes Oregon Best.

C. H. Kinder of Sunset, Washington, a nephew and namesake of C. H. Kinder of the Gresham district, is visiting with his uncle. Although both have been globe trotters most of their lives this is their first meeting in 23 years. The younger Mr. Kinder's father is a large wheat grower and stockman in the Palouse country, while the senior Kinder, after six trips across the continent, has recently bought a farm on the Base Line and Sandy river. One of the handsomest homes in the country is now being erected on this place and Mr. Kinder says he thinks there is no place in America quite like Oregon and especially Multnomah county and he expects to spend the sunset of his life here.

Ford
THE UNIVERSAL CAR

Forecasting A Tremendous Spring Demand

739,626

more Ford cars and trucks were produced last year than the previous year, an increase of over 50 per cent.

In spite of this tremendous increase in production, it was impossible to meet delivery requirements during the spring and summer months when orders for 350,000 Ford Cars and Trucks could not be filled.

This year winter buying for immediate delivery has been more active than ever before—and in addition 200,000 orders have already been booked through the Ford Weekly Purchase Plan for spring delivery.

These facts clearly indicate that the demand during this spring and summer will be far greater than ever, and that orders should be placed immediately with Ford Dealers as a means of protection against delay in securing your Ford Car or Truck or Fordson Tractor.
