AMERICAN LEGION

REGULAR MEETING OF Gresham Post, No. 30, American Legion, Wednesday, February 6, at 8 o'clock p. m. at Gresham Outlook office. All members urged to be present.

Legion Defeats Corbett.

The Gresham American Legion basketball team won a decisive victory over Corbett Wednesday night by a score of 36 to 7.

The game was played on the local high school gymnasium floor and was one of the roughest games played here, two referees being required to handle the game.

A large crowd was on hand to boost for Gresham and quite a few Corbett folks were in the stands. The playing of the Gresham team was a credit to their coach and to the Legion.

Saturday night there will be a double header here. As a preliminary the U. H. S. Midgets will play the Neighborhood House of Portland and the main event will feature the Legion against Ramblers Headlines of the Spaulding league. Two fast games are promised.

The line up of last Wednesday's game is as follows:

Afraid of His Shadow

The Groundhog is said to be afraid of his shadow. We can not vouch for this nor for this little animal's weather forecasts, but we do know that the ordinary man should view the lengthening shadow of his coming years with deep concern.

Most men are financial failures and at 65 years of age are dependent on relatives or charity.

This need not be. If Youth and Middle Age would but use caution and foresight, Old Age would be neither unhappy nor feared.

Those who sow but to the wind, reap the whirlwind.
