

High School Alumni Organize.

At a meeting held in the high school building Tuesday evening, February 5, a local high school alumni association was formed. About 30 graduates were present and started the organization by electing the following officers: president, William McAllister; 1st vice president, Gladys Hoyt; 2d vice president, Percy Pulfer; secretary, Lyle Mason; treasurer, Alden Miller.

Discussion arose over the question of who were eligible to membership. It was unanimously decided that all graduates of the high school, either prior to its organization as a union high school or after, were entitled to belong. Another meeting for the purpose of further organization has been scheduled for Wednesday night, February 13, in the high school gymnasium. All alumni of the high school who have a desire to create and maintain a real live organization are invited and urged to be present.

AMERICAN LEGION

LEGION MEETING WELL ATTENDED

An enthusiastic meeting of the American Legion was held at the Outlook office Wednesday night.

Important matters relative to the bonus question were discussed. Plans for a big membership drive are under way and the starting gun will be fired at a meeting to be held in the near future. It was decided to accept an offer made by Foster and Kleiser, sign board advertisers, to place a sign on each of their local billboards advertising the Legion. The signs are nine feet by 21 feet and are being used by many Legion posts in connection with their membership drives.

After the business session a lunch of cake and coffee was served, smokers were in order and every man present vowed that he would be present at the next meeting and bring a buddy who was not present at this one.

Legion Men, Ex-Service Men, Attention!
