WINCHESTER TOOLS

In the short space of a few years, Winchester has developed the most complete line of tools offered by any manufacturer under one brand.

This accomplishment was possible only by Winchester's experience in making fine tools used in the production of super-accurate guns and ammunition.

"Winchester" on a tool now means the same to tool users as "Winchester" on guns and ammunition means to sportsmen.

AMERICAN LEGION

Maroon F. Defeats Legion.

In a nip-and-tuck game Saturday night the Maroon F basketball team of Portland slipped over a 26 to 24 win on the local American Legion team. The Legion was in the lead nearly all through the game and with the score 22-14 and eight minutes left to play the Maroon F opened up a surprise attack and before the local boys had recovered the score stood Maroon F 26, A. L. 24. With less than a minute to play, Gresham had two chances to tie the score, once on two free throws by fouls and another time by a clever bit of strategy when they got the ball to their own goal with no interference but a fumble ruined the shot and gave Maroon F the ball. With 20 seconds left to play Maroon F stalled with the ball and so ended a good game.

The game was clean throughout with only four fouls called on either side. E. J. Nofstinger, high school athletic instructor, refereed the game. The line up for Gresham was Puffer, Clyde, Booth, Winters and Fancher. Individual scores are not available.

As a preliminary the Gresham high Aggies defeated Columbia high Aggies 19 to 3.

GRESHAM HIGH LOSES HARD-FOUGHT GAME

In a hard fought game at Newberg last Friday, Gresham high school basketball team was defeated 16 to 11.

The close checking of both teams and fast team work featured. Gresham led at the end of the first half 9 to 6. In the second half Newberg scored 10 points while Gresham made but two. The local team met with strong opposition when near their goal.

This gives Gresham an even break in this year's two-game series, having defeated Newberg here recently 27 to 20. Gresham was handicapped by being on a small, slippery floor, and was minus the services of Winters, who plays guard.

The rubber game with Hill is still pending, however, announcement of the game will be posted as soon as arrangements can be made. Placards placed in store windows and on bulletin boards will announce when and where this feature game will be played.

Midgets Lose to St. Mary's.

closer than the score indicates, as St. Mary's scored 12 points in the last three minutes of play. The score up to that time kept changing, first in favor of Gresham, then in favor of St. Mary's. This evens the score between these two teams, as Gresham won a previous game from St. Mary's here.
