UNION-DAMASCUS FARM BUREAU HOLDS SESSION

The local Farm Bureau met at Union schoolhouse Saturday evening in the second regular meeting under the new officers. The business meeting was mostly taken up with reports of committees and project leaders and discussion and adoption of a constitution and by laws. At the close of the business meeting the evening's program was opened with two piano selections by Miss Frieda Ritzau, which were genuinely enjoyed by all. The speakers were H. W. Lynch, president of Multnomah county Farm Bureau, and W. D. Kinder, leader of boys and girls clubs for Multnomah county. The latter has kindly offered to help out in the organization of clubs in this community.

Mrs. Kelley, home demonstration project leader, announces a large class of women signed up for the dress-making school to be held next week. Miss Esther Cooley of the O. A. C. extension service is to be at the union school District No. 26, Clackamas county, March 10-11. These are to be all-day sessions and all interested are invited to attend.

COLUMBIAN HIGH LOSES AND WINS BASKETBALL

Those of the local people who went to Milwaukie Friday evening to see the Columbian boys basketball team carry off the honors, were doomed to disappointment, for Milwaukie, by three long throws in the last two minutes of the game, changed the score from 12 to 13 in Columbian's favor to 18 to 13 in Milwaukie's. It was a snappy and interesting game.

The Columbian girls, however, with less than a dozen supporters from home, won from the Gresham girls' team in a fast, clean game, the score being 12 to 26. This was the Gresham girls' first game of the year with an outside team and despite the fact that their various class teams had been practicing and playing among themselves by the university rules rather than high school rules, the girls showed the true sporting spirit against these odds, and the Columbian girls hope to meet them again before the season closes in a more evenly contested game.

Tuesday evening, March 4, both of the local teams will meet the Parkrose teams in the Corbett gymnasium and some fast playing is promised.

There is to be an excellent entertainment at the Pleasant Home M. E. church next Saturday evening at 8 o'clock. The program will consist of solos, duets and readings furnished by Sargeant Blenkinsop, considered one of the best bass soloists on the Pacific coast, Everett Craven, an excellent baritone, and James Palmer, a reader of unusual ability. There will be other features about which definite announcement cannot now be made. In addition to the program the Ladies' Aid of the church will furnish an appetizing lunch. A small admission fee will be charged, the returns to be applied on the budget of the church. To hear Mr. Blenkinsop sing will be well worth more than what is being asked for everything. It has taken nearly six months to engage him for this program and it is doubtful if his service could have been procured at this time had it not been for the fact that the pastor, the Rev. E. G. Ranton, was a classmate of his in Kimball School of Theology. He recently directed a radio program from the Oregonian station.
