FLOORLAC

MANY hard and soft wood floors have lost their original beauty. Such floors can be restored with FLOORLAC, the all around varnish stain which will give them the appearance and color of hardwood and a beautiful, durable varnish sheen, with one operation.

Floorlac is equally effective on woodwork and furniture. The color is permanent; the varnish long wearing. It beautifies and protects every surface on which it is applied. At our store you can obtain FLOORLAC in the popular shades of light, golden or dark oak, light or dark mahogany and other attractive effects.

Saturday morning the initial delivery of completed water pipe for the new Bull Run main was dispatched by trucks from the Willamette Iron & Steel works and unloaded in Powell Valley. It might be interesting to some to know that this pipe is shipped from Baltimore, Maryland, via Panama canal and comes in the shape of immense flat plates of steel. These require great care in handling and are made into pipe through the lock bar process, which requires no riveting. They are then dipped into a tank from which they emerge with a glossy black coat.

Woodcock Grade to Be Improved.

A piece of road building of much importance to the Bull Run community is the new Woodcock grade which is being built by Clackamas county with the cooperation of the city of Portland. This will be an entirely new road with a grade in no place exceeding 6 per cent and will be through a beautiful, scenic stretch of forest. A large force of men is now at work and it is expected that the grading will be finished and the road opened to the public in about four months. It promises to be one of the finest pieces of road in this vicinity.
