Good News for Men

Facts Worth Telling, and Worth Reading, Too.

There never was a time when men's clothes were more sensible than they are for this spring and summer.

The whole idea is "comfort."

The coats are easy fitting with more room in the shoulders and body. Trousers are wider in the hips and legs. Not loose and baggy, or snug and tight, but a happy medium.

Men look better in such clothes, and feel better, too. The clothes wear better and last longer because there isn't so much strain on them. You will like them, also our popular prices.

W. H. Congdon, who has spent the winter in Gresham, has gone to Vernonia. In a letter to the Outlook he says Vernonia is a busy little town, and a large mill of the American Milling company is being erected there. It is the best equipped mill in the world, he says, all electric drive, all steel and cement construction, with three big sheds each covering three acres. They will run two shifts, 250 men each, with 300 men in the woods. They expect to build 300 to 400 houses for these men. There are other mills in the vicinity. Mr. Congdon concludes it will be a busy place and that's the kind he likes. Besides there is a U. Mr. and Mrs. Wm. Lyle of Portland entertained a number of friends from this vicinity on Thursday night, the occasion being their first wedding anniversary. Mrs. Lyle will be remembered as Miss Olive Olsen of Troutdale. A bake sale will be held at the A. W. Metzger store on Saturday afternoon by the Baptist Ladies Guild for the benefit of the building fund. The sale will start at 2 o'clock.

Earl M. Bolce and family are moving today from the Hensley road to their newly acquired property on the Pullen road near the Section Line road.

His many friends here will miss him but wish him good luck and hope to see him often.

Revival Campaign.

The revival is going on at the Gresham community church Bible Standard, on East Powell near Kelly street. Come bring your friends and hear the old time gospel. The whole word is preached from Genesis to Revelation. Prayer will be offered for the sick on Tuesday and Friday evenings. Bring those who are sick, soul and body. God will heal them. There will be several ministers in attendance and we are going in for a real soul saving time. Come and hear the message that is alive and for the people of today. A good song service, with special music, will precede the preaching each evening. I herein ask the co-operation and prayers of each minister and christian in these special meetings here in Gresham. Services every evening excepting Saturday.
