**Let's Brighten Up This City!**

Gresham is a good place in which to live. Gresham has a reputation to sustain. A city cannot be attractive unless it is clean. This applies to streets and alleys, vacant lots, and individual dooryards, front and back.

Let each householder and property owner get busy and do his and her part to make Gresham clean through. It should be a matter of pride with each citizen. April 14-17 is the time set apart for special effort. Let's make it a community occasion. Make Gresham sparkle in the bright, warm spring sunshine with abundance of flowers adding their bright hues to this beauty spot of earth we call home.

Paint — rake — burn — build — plant — decorate — scour — brush — sweep — beat — trim — plant — hoe — clean up. Do it thoroughly and DO IT NOW.

Call on these merchants to make suggestions and help you in every way possible.

**Clean-Up Week**  
means much to the citizens of the busiest little city in Oregon

Cast aside the selfish dispositions so prevalent in mankind, work with your fellow townsmen to be property owner or tenant, to the end that the caravan of tourists and pleasure seekers from near and far can never forget their drive to Gresham. Clean up last winter's accumulation of cans and rubbish, help your neighbor straighten up the posts and replace the broken pickets in your fences, clean the grass and sod well away from the sidewalks along the curb, that the showers may keep the gutters clean, thus discouraging weeds to grow and become the breeding place of mosquitoes and other pests of that nature.

A nice little early garden well cared for will beautify your property.

Prune, Pick up, Pack off, Paint and Prepare is our slogan.

AND—how much better MY place and YOUR place and my street and your street and OUR city will be and look when we all get through.

Judge Gary, of Chicago, the story goes, while trying a case was disturbed by a young man who kept moving about in the rear of the court room, lifting chairs and looking under things. "Young man," Judge Gary called out, "you are making a good deal of unnecessary noise. What are you about?" "Your Honor," replied the young man, "I have lost my overcoat and am trying to find it." "Well," said the judge, "people often lose whole suits in here without making all that disturbance."—Christian Herald.
