HARD WORK.

The past ten days have been about the most strenuous the editor has experienced for many months. If any of the candidates have worked as hard for their nomination as we have in aid of many of them, along with much urgent work, they and we may be glad to have a brief respite.

Perhaps the candidate thinks the editor has the easy part of it, to take his money and run his ad, but the editor has fought many hard mental and verbal battles that don't appear in print.

But it is glorious work and we hope our judgment and recommendations will have their influence on the election.

We do not expect everyone to think as we do but we are happy if we can inspire thought and lead voters to vote their well founded convictions.

SPRING FEVER.

These spring days are the most enticing and pleasant of the year. Who is there that can see the flowers and hear the songs of the birds and view nature dressed in her beautiful spring verdure and not feel cheered and exultant?

The time has come to think of health, hikes, ocean beaches and snow capped mountains, fir covered hills, rushing streams, fishing, boating—PLAY.

That's the kind of spring fever Oregonians get—and we've got it.

Radio outfits will be in demand Friday evening. Election returns will be broadcasted.

CAMPOR WATER FOR EYES.

Nothing has the quick action of simple camphor, witchhazel, hydrastis, etc., as mixed in Lavoptik eye wash. One small bottle Lavoptik helps any case weak, strained or sore eyes. Aluminum eye cup free.—Gresham Drug Company, Adv.

BIDS WANTED.

Notice is hereby given that sealed bids will be received by the recorder of the city of Fairview until the hour of 5 p. m. on the 20th day of May, 1924, for grading Main street in the city of Fairview, approximately 2550 feet, involving about 1400 cubic feet of cut and 1200 cubic feet of fill. Engineer's profile map and details are on file in the office of the mayor, Fairview, Oregon.

The council reserves the right to reject any or all bids. Signed, G. O. DOLPH, Recorder.

If you believe in tax reduction

Vote X North, W. C.

North's record in the 1921 session of the Legislature commends him to the tax payers of Multnomah county. Paid Adv. by Richard Deich

O. H. PORTER

Republican Candidate for DISTRICT JUDGE Department No. 1

I helped frame and pass our prohibition law and I believe it should be enforced.

Technicalities shall not defeat justice in a court over which I preside.

E. A. ENQUIST

Republican Candidate for REPRESENTATIVE for the 18th Legislative District MULTNOMAH COUNTY

Many years director and clerk of School District No. 46.

Do you favor the past practice in sending city men only to the legislature? Do they know your problems? Are they willing to listen to you after election?

Why not send a successful country man who is qualified to serve you?

Cooperation is much needed in country as well as in city. Judging from the many laws which have been declared unconstitutional by our court is it not time to have a cool, earnest man, capable of good judgment to represent you?

—Paid Adv.

WHEN horses were in fashion, men selected Arabians for speed, Percherons for strength—the two accepted equine standards. Speed and strength—motorists find both these qualities combined in Red Crown, motordom's accepted standard for gasoline.
