BARKING DOG SAVES PAIR FROM FLAMES

Awakened by the frantic barking of their dog early Sunday night, Mr. and Mrs. W. H. Fox, living on the Base Line road near Buckley avenue, found their home in flames. Mrs. Fox made a futile effort to save 80 chicks in an incubator in the basement and Mr. Fox saved the dog, the cat and the canary bird.

The house was burned to the ground as were several small buildings, but the barn and a large shed were saved with the aid of tubs of water applied by neighbors and passing motorists. Livestock in the barns and sheds was turned loose and some difficulty was experienced in keeping the animals from returning to the burning sheds.

The house was a large nine-room house valued at \$4000 and was covered by insurance.
