Memorial Day

On May 30th we honor the memory of our departed—especially those who gave their lives that this nation might live.

It is a noble impulse that prompts this nation-wide tribute to our cherished dead and we go forth in deepest gratitude and cover their graves with the choicest garlands of spring.

In thus honoring those who have died for us, let us fully realize the One Real Tribute that we—the living—can render, is to LIVE for our country, and Preserve, Protect and Enlarge, for our children, the rich heritage left us by our forefathers.
