

The concrete walk in front of Baker's garage is being dug up and will be replaced with one built on an

incline from curb to property line which will admit cars to the driveway without the short incline which

has been inconvenient. The work will be complete within a few days. Stockton Brothers are doing the work.

The Outlook force enjoyed a treat of wonderful Marshall strawberries from the A. R. Heiney field last Sat-

urday. They were delicious in flavor and so large that two layers of nine berries each filled a hallock.

DAHLIA BULBS
Plant them now for fall blossoms. Many varieties to choose from. Mrs. Lellie Runyan, Gresham, phone 361.—Adv.
