JUNE BRIDES—to be

(This brief talk is "for girls only," but it won't hurt if the young men—and parents eaves drop a bit).

Girls, listen—The man seeking or who will some day seek, to make you his bride, should show that he possesses the Elements of Success—that he is not afraid of hard work and knows the value of a dollar.

He must be Thrifty—and have the capacity to Save.

Mind you—we do not say he must be "well-to-do" but in behalf of you and your parents, we urge you to investigate his thrift habits.

If he is a stranger to work—or a spend-thrift—look out. Better delay those wedding bells—until you can reform him.

ARE WE RIGHT, DAD?
