

Lectures on the Teachings and Life of Christ.

As the Sunday school lessons will be on the life of Christ during the next nine months, the Rev. E. G. Judd, the pastor of the Baptist church, will deliver a series of addresses on the character, message and mission of Christ as related to present day conditions, beginning next Sunday morning. The subject of the first address will be the Key to the Book of Matthew. In the evening service the

topic will be "God at the Beginning." The Bible school session will begin at 10 a. m. and the preaching service promptly at 11 o'clock. The senior B. Y. P. U. is held at 7 p. m. and the church service will begin at 8 o'clock. Bible study and prayer meeting are Wednesday evening at 8 o'clock. The subject will be "The Teachings of Christ on Prayer."

GRESHAM LOCALS

A plate decorated with water lilies, used by some member of the Women's auxiliary to the American Legion to take cake to the supper on the evening of the Fourth, has been left at the Outlook office, where the owner may get it.

Mr. and Mrs. W. Cole of Warrenton, Oregon, are guests at the home of Mr. and Mrs. Roy Bailey. Mrs. Cole is the mother of Mrs. Bailey.

The G. A. R. Post and Corp which was to have met Saturday, July 19, has postponed the meeting indefinitely, on account of the Farmers' Field Day picnic.

Mrs. J. L. Stafford spent last Sunday at Seaside. While in swimming beyond the breakers, some movie artists photographed her.

A surprise birthday party was given Guy Vedder last Tuesday night. A fine supper was served to 20 relatives, who all spent a most enjoyable evening.

Mr. and Mrs. Irving Dodge entertained at dinner Tuesday evening, at the home of Mrs. Carrie Hanson, the following: Mr. and Mrs. H. L. St. Clair and daughters, Mrs. Mildred Davies and daughter Virginia, and Misses Winifred and Margaret.

Mr. and Mrs. Chas. Latourell of Heppner were in Gresham one day this week on business.

Mrs. C. H. Kinder left Tuesday for Wisconsin where she expects to spend the remainder of the summer. She will visit a son in Baraboo, and a brother and grandchildren in Union Center. She will return to her home "Idle Rest" on the Sandy river the latter part of September.

Miss Frances Walker of Portland was a week-end guest at "Idle Rest", the home of Mr. and Mrs. C. H. Kinder. Miss Walker is an old time friend of the Kinders, both families having been business people in Chicago in years past.

Andrew Pullen and Mr. and Mrs. Galen Fancher and baby arrived yesterday with their mother, Mrs. W. E. Beagle and other relatives and friends. Mr. and Mrs. Ricker came with them.

Miss Florence Honey, who has been in Ningpo, China, for the past several months has gone to Shanghai for the summer. She expects to stay there for the next school year where she will teach in the McTyeire School, the Methodist Episcopal school at that place.

A baby boy was born to Mrs. Ada Nickerson Friday, July 11, at the Wilcox Memorial hospital. The mother and baby are doing nicely. The baby is being cared for in an incubator.

The opening dance of the fair season will be held on the fair grounds tomorrow night. A six-piece band will furnish the music. The same band will play for dances on the grounds at the new dance pavilion each evening during the fair.

Frank Jones has gone to Seattle for a short visit with his son Etsel.

TEN REASONS for buying a MONARCH ELECTRIC RANGE

See it on display in our Show Window

- Mirco Process Finish—**
An Exclusive MONARCH feature. Most scientific chemical treatment known, producing a rust-resisting surface insuring long life and attractive appearance. Beauty with durability.
- Oven Insulation—**
Highest quality, two-inch, honey-combed, asbestos block is used to insulate MONARCH Electric Ovens. This type insulation will not sag like loose, inferior insulations.
- Mercury Oven Thermometer—**
Placed in a position where most easily read. Safe from injury. Absolutely dependable because mercury tube penetrates the oven wall and makes direct contact with the oven temperature.
- Radiant Type Guaranteed Burner—**
MONARCH burners are the quickest and most economical to use. Every bit of the clean, odorless heat is concentrated on the cooking utensil. Highest grade electrical wire used. All downward radiation of heat prevented by PARAMOUNT heat-resisting insulating block. Entire unit encased in metal receptacle. Guaranteed one year against mechanical defects.
- MONARCH Automatic Oven Vent—**
Automatically eliminates excessive moisture. Assures proper oven operation.
- Malleable Iron Construction—**
By the use of malleable iron, the toughest and most practical metal where strength is required, the MONARCH is the most rigid electric range on the market.
- Rust-Proof Oven—**
All Ovens in MONARCH Electric Ranges are built of heavy gauge, sheet aluminum, absolutely rust-proof, thereby eliminating oven replacement.
- Reciprocating Switches—**
Latest type three-heat switches easily turned in either direction to produce the desired heat. Individual fuse for each burner, conveniently located below each switch, easily replaced.
- MONARCH Pastry Oven—**
A big factor in MONARCH Electric Range economy. Ample size for baking pies, cookies, or warming rolls. Does away with the necessity of heating large oven for ordinary use.
- MONARCH Organization—**
MONARCH Electric are built in the same gigantic plant at Beaver Dam, Wisconsin, by the same expert range builders who have been building America's finest ranges for the past quarter century. The entire manufacturing organization, as well as our thousands of dealers, stand solidly behind every claim made for MONARCH Ranges.
