

**GRESHAM FARMER GETS RESULTS FROM LIME**

"Crop yields on my farm this year convince me that liming is a fundamentally sound principle on worn valley soils," says Theodore Brugger of Gresham.

"I made several experiments with alfalfa before using lime but it has brought the best results of any tests so far. In May we limed some plots that were this year put to alfalfa and I am surprised at the results this dry season. I have had two cuttings of alfalfa this year, each crop yielding two tons per acre.

"The fact that the State Lime Board can be a self-sustaining organization when selling lime at the low cost of \$4.00 per ton f. o. b. Gold Hill is not a well known fact but it is gratifying to lime users to know that that price is the full cost of production and that there are no state appropriations to cover production costs. My knowledge of the lime situation leads me to believe that Oregon farmers are receiving the lowest lime rates in the western states."

**Boring M. E. Church.**

The hour of preaching service at the Boring church had been changed from 8 p. m. to 9:45 a. m. The pastor, E. G. Ranton, will preach at this hour next Sunday, August 31.

**PLEASANT HOME**

The Baptist Ladies' Aid will meet at the home of Mrs. P. M. Miller Thursday afternoon, August 28. A good attendance is desired.

Mr. and Mrs. B. J. Smith of Portland spent Sunday with their daughter, Mrs. Geo. Carpenter and family. E. E. Brink and son Henry left Monday for Moss Bank, Canada, by auto to work in the harvest. They expect to be gone till Christmas.

Mrs. Priscilla Jones of Waterville, Washington, visited a few days with her mother, Mrs. R. M. Miller. Her son Roland returned with her after spending the summer here.

The little son of Mrs. Clarence Bettis of Gig Harbor, Washington, who is visiting relatives here, met with a painful accident while playing with dynamite caps. In some way the caps were discharged and the child had the thumb and forefinger torn from his left hand.

Miss Wilma Chase spent a week at Seaside with cousins from Salem.

Edward Wolters and family returned to their home at Auburn, Washington, after spending the summer on their farm.

Gus Larson has just completed a small cottage on his daughter's place, where he will make his home.

Money to loan on real estate. Farm loans at 6 per cent. B. W. Thorne.

**NEW BLASTING POWDER IS NOW AVAILABLE**

The government is now issuing a new blasting powder called Pyrotol, to take the place of Sodato which was used by the farmers until the supply was exhausted.

Pyrotol is a surplus war explosive to be put into the hands of the farmers for use in improving their own land. No individual can secure less than 50 pounds or more than 1000 pounds. Pyrotol is made of ground smokeless powder and sodium nitrate. A cartridge of Pyrotol weighs about six ounces and is approximately equal in strength for agricultural blasting to the usual cartridge of dynamite which weighs eight ounces. That is, in a 50-pound box of dynamite there are 100 cartridges, while in each box of pyrotol there are about 150 cartridges, each one of which is approximately equal in strength to a cartridge of 20 per cent dynamite.

The county agent is now taking orders for this powder. The cost will be about \$7.80 per 100 pounds. All orders must be accompanied with cash. Any interested should get in touch with the county agent and an order blank will be sent with circular explaining pyrotol.

**POWELL VALLEY**

On Monday afternoon Mrs. Emma Johnson, who makes her home with her daughter, Mrs. Bert Olson, was pleasantly surprised by a number of relatives and neighbors, it being her birthday. She was presented with several pleasing gifts. A birthday cake, ornamented with 60 candles, was served to the guests, together with other refreshments.

Mrs. Ernest Christenson and two children and her sister, Miss Lois Trimble, returned Sunday from a three-weeks' visit with relatives and friends at Bellingham, Washington.

Mr. and Mrs. A. A. Meyers and child have returned to their former home in Oberlin, Kansas, where they will engage in farming. Mrs. Meyers is a sister of Oscar Thoren, Mrs. O. J. Wilner and Miss Ethel Thoren.

Mrs. James McBain has been impaneled to serve as a juror in the September session of the circuit court.

Preparations are already being made for the opening of the new school year, beginning September 8. Miss Marian Robertson will be the principal, assisted by Mrs. Helen Camp in the lower grades.

Miss Genevieve Manary has returned from Bridal Veil, where she has spent the past two months.

Mrs. John Israelson and baby arrived Thursday for a short visit with Mrs. Bert Olson. Her husband came Saturday evening, and on Sunday the two families enjoyed a trip over the highway. The guests left that evening for their home.

Mr. and Mrs. Henry Sell entertained at a dinner party Sunday in honor of Mr. and Mrs. Hallie Christenson who will leave for their home in California later on. Among those who were present were O. J. Forsgren and family, Mr. and Mrs. Axel Johnson, Alfred Hammar and family, the Misses Hulda and Florence Johnson, Fred Nordling, Edw. Sell and family, and J. J. Johnson.

**Mr. and Mrs. I. W. Butler Celebrate Golden Wedding Anniversary.**

**Held for Killing**

St. Joseph, Michigan—The above photos show Florence McKinney and Emily Zupke, confessed slayers of Zupke's other sweetheart, Cora May Raber. Zupke, in his confession, declared that Florence sat at the wheel of his car while he choked the Raber girl to death and then helped him dispose of the body.

**CORBETT**

Mrs. James Pounder, who has been in poor health for some time and was taken to Tacoma to be cared for in the home of her daughter, Mrs. Syverson, about a month ago where it was hoped by kindred and friends that the change would be beneficial, is reported worse and Mr. Pounder was called by telegram to her bedside Friday.

Chas. Creasy and Irene Sprague were married Saturday, August 16, at Salem, Oregon. Until very recently Mr. Creasy was with the State Highway construction company at Boardman and Mrs. Creasy was a successful business woman of the same place. Mr. and Mrs. Creasy will be at Arrah Wauna on the Mt. Hood Loop highway for a few weeks and expect to make their future home at Salem. The writer is slightly acquainted with Mr. Creasy, who is a man of pleasing personality. Mrs. Creasy grew to womanhood in this vicinity and very successfully taught the Corbett school for two years where she gained many friends, who wish her every happiness.

A. S. Woodward, with a crew of men, is putting on the rock on the new road near Corbett. The road will be completed to the prune orchard on Ferndale Place and will be a very beautiful and picturesque driveway 24 feet wide.

Open season for gill net salmon fishing in the Columbia river closed Monday noon, August 25, and will be closed 15 days.

**TROUTDALE**

J. L. Cook and family have returned from a three-day trip to the beaches which they visited hurriedly with the view to finding the one best suited to their tastes for a future trip. They went by way of McMinnville and Hebo to Neskowin and later visited Netarts and other Tillamook county beaches and returned home by way of Seaside and Astoria, arriving Monday evening. The trip covered 383 miles. For variety of attractions and interesting surroundings Mr. Cook has picked upon Netarts as most to his liking.

**Don't put it off—put it on!**

IT'S mighty poor economy to postpone painting or varnishing, whether it be the inside floors and woodwork or the outside exposed surfaces. What wear and tear are doing on the inside, rot and rust are doing on the outside—slowly pulling down the value of your property through surface neglect.

To put paint and varnish on before it is needed, and not after, is true economy. Damage is under way just as soon as the surface is broken down, which is often before you realize it.

**Buy good paint - it's cheapest**

Cheapest because it protects the surface better, lasts longer and goes further.

Rasmussen Paint and Varnish Products are made in one of the finest paint factories in the United States—the largest in the Northwest. They are made by experts who have an intimate knowledge of Northwest climatic conditions—a knowledge gained through many years of actual contact with these conditions.

The strict maintenance of Rasmussen Quality governs every step in the making of these paints and varnishes—from the first selection of the lead, oil, and other materials, to the final sealing and labeling of the can.

There's no better paint than Rasmussen Pure Paint—we add our guarantee to the manufacturers'. Bring your painting problems to us.
