EVERY HEART ITS SORROW KNOWS.

We laugh, we cry, we joy, we sigh,
While on the old world goes.
There's many a sorrow lingers nigh,
Yet every heart its sorrow knows.

The happy throng doth surge along,
Unmindful of our woes.
On many a lip there flows a song,
Yet every heart its sorrow knows.

We bear our pain and smile again,
And scarce a feature shows
The anguish which is felt within,
Yet every heart its sorrow knows.

"As goes Maine so goes the nation." If this be true this year Coolidge is safe for Ralph O. Brewster, republican, for governor, won, according to reports, in yesterday's election.

The round-the-world flight of army air-planes is nearing its consummation. The two planes have reached New York and in a day or two will continue the flight to the Pacific coast, whence they started.

Is Oregon still entitled to the proud title won in 1917 of "The Volunteer State"?

Oregon citizens will answer that question September 12. Let the answer to the nation be unmistakable.

It is claimed by radio trade associations that sales of radio equipment in the United States the past year exceeded sales of phonographs by 35 per cent and piano sales by 33 per cent.

The government is putting the silver dollar back into circulation, it is said. Here's hoping that many of them will roll your way and our way.

WOMAN EVANGELIST IS REGULAR MINISTER

Miss Willia Caffrey who is well known to many residents of Gresham, having conducted a series of evangelistic meetings here two years ago, has the distinction of being one of the first two women ever admitted to full membership in the Columbia River conference of the Methodist Episcopal church, which has just closed its sessions at Wenatchee, Washington. The other woman is Miss Gertrude Apel, who with Miss Caffrey, has been engaged in pastoral work in Washington for some time.

Miss Caffrey also has the honor of being the first woman to be received into the Methodist general conference as a member. Prior to her engagements in the evangelistic field covering the past two years, she was for three years assistant pastor of the church at Wenatchee, under the Rev. Robert Warner.

Bishop Johnson conducted the impressive ordination ceremony Sunday afternoon in the presence of a large congregation. Quoting from a comment in a recent issue of the Oregonian on the affair: "Attention was called to the fact that the first ordination of women as ministers and full members marked a distinct epoch in the history of the Methodist church and reflected the radical changes that are taking place in the world's religious life."

Since the above was written, based on a news story in the daily paper, it is learned that the statement that Miss Caffrey was admitted to the conference is a mistake, as according to the present rules no woman is admitted to membership in an annual conference.

Sixth Assembly of the League.

The most momentuous discussion of the League of Nations at Geneva this month can hardly fail to center around the two outstanding problems; reduction of armament and security, and perhaps the entrance of Germany into the league.

The problems of security and reduction of armament, even if not scheduled for swift solution, are now clearly before the league. President Coolidge in his acceptance speech took the view that after the Dawes report had been put into operation the time would be "ripe" for us to call an international conference on limitation of armament but the league seems to have forestalled America in this action.

"OUTDOORS" IS OUT

The first (September) number of the new national magazine "OUTDOORS" is out. It contains many lavishly illustrated articles descriptive of natural beauty spots throughout the country. To the motor tourist seeking an interesting objective it is of special value. The scenic pictures are numerous and beautiful, and the text is of unusual interest. Readers who cannot find "OUTDOORS" at their local news stands may secure a copy of the first number by sending ten cents in stamps or coin to "OUTDOORS", 425 Tenth St. N. W., Washington, D. C.
