Fat Massaged Away Day-By-Day

~With New Flexible Girdle

Instantly makes you look inches thinner and years younger! Gives you with comfort Fashion's straight boyish lines. Massages away fat from waist and hips while you walk, sit, work or play—yet does it so gently you hardly feel it.

THE moment you put on this wonderful new corset—known as the Madame X Reducing Girdle—the bulky fat on waist, hips and thighs seems to vanish, the waistline lengthens and your body becomes erect, graceful, youthfully slender! And then—with every step you make, with every breath you take, with every little motion, this new kind of girdle gently massages away the disfiguring useless fat—and you look and feel years younger!

Worn in Place of Stiff Corset

The Madame X Reducing Girdle is made of the most resilient Para Rubber—especially designed for reducing purposes. Worn over the undergarment—and has garters attached. The special cut-away front insures perfect comfort while you sit, work or play. And the special back lacing makes it easy to adjust as you become more slender.

It is so constructed that it touches and gently massages the entire surface of abdomen, waist, hips and thighs as you walk, climb stairs, riding or during any kind of exercise. Every movement you make, even your natural breathing, is met by this live rubber girdle, which gently massages away the fat—without any extra ex-

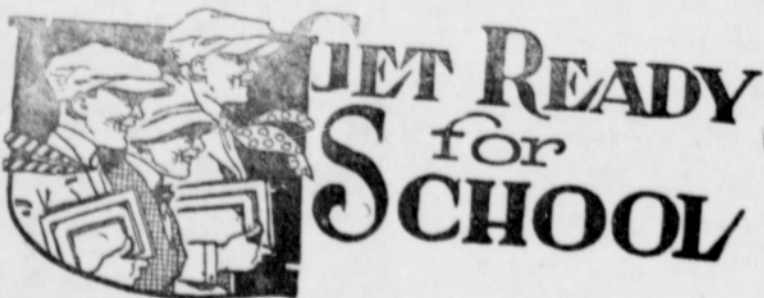

ertion on your part. Women often lose from 1 to 3 inches from waist and hips the very first week.

You must see this remarkable girdle to appreciate it. Come in today and try it on. You won't want to take it off! Its low price is another pleasant surprise!

Among other things the Defense Test Day program to be given at the high school gym Friday evening, September 12, at 8 o'clock, will include accordion numbers by Felix Chiodo. This instrument which cost \$600 will be played by Mr. Chiodo for the first time in public.

Joe Chiodo has been suffering from an extremely sore eye for the past few days. Several particles penetrated the eyeball and were removed with great difficulty.

The Royal Arch Masons treated their friends to a surprise Monday evening, about 7:30, when they appeared at a number of the business houses in their new robes, the regular regalia of the order.

A warrant was sworn out for the arrest of P. H. Lathan, of Portland, on Monday by A. J. Stout, who resides near Hogan station, on a charge of trespassing on the premises of the latter and pilfering evergreen blackberries. A preliminary hearing took place in Justice of Peace Brown's office Monday evening, at which time the defendant pleaded guilty, a fine of \$10 being levied on him. He did not pay the fine, however, but asked for a continuance of the case, which was granted him. On Saturday, September 13, if the amount of his fine is not forthcoming, the case will be reopened with the possibility of a trial in the justice court.

The Outlook office is in receipt of several bouquets of beautiful dahlias from Mrs. Vera L. Tucker. One is the Union Jack and the other the J. C. Gill variety. Mrs. Tucker, with a friend, Miss Florence Lake, gave a splendid exhibition of her flowers at Estacada last Monday, being pronounced by critics the best display they had ever seen. Next Wednesday she will exhibit her dahlias at The Dalles hotel, The Dalles.

James Faulkner and family have arrived from Everett, Washington, and moved into the house of Mrs. S. A. Burr. Mr. Faulkner will be employed on the pipe line construction work.

Miss Leila Gibbs, who has been here visiting her parents, Mr. and Mrs. Roy W. Gibbs for the past two months, left Monday for her home in Bend, Oregon, where she holds the position of head nurse with the Mountain View hospital.

Mrs. Maggie Rosin will hold an auction sale on the 18th of this month to dispose of her farm holdings in the Victory district. She will make her future home with her sister in Portland.

D. P. Milliken has a "closing out" sign on the front of his store and preparations are going forward rapidly to the disposal of his stock. About the first of October he and his wife expect to leave for Mercedes, Texas, their former home and where they have considerable property. Mercedes is in southern Texas near the confluence of waters of the Rio Grande with the Gulf of Mexico. Their niece, Miss Floella Jacobs expects to accompany them on a vacation trip, but she will return to Gresham where she is employed in the postoffice.

On Sunday last Mr. and Mrs. Geo. Hansen, their son Ralph, his wife and two children, another son, Victor Hansen, and Mr. and Mrs. Carl Morrison, the latter a daughter of Mr. and Mrs. Hansen, with their son Charles, all from east Portland, dropped in on Mr. and Mrs. M. D. Kern as a surprise, bringing their picnic dinner with them. Mrs. Kern has been quite poorly again lately, being found in an unconscious condition by her husband about a week ago, but just at present is some better.

Dave Johnston of the local firm of Botkin & Johnston is wearing the smile that won't come off these days.
