ROCKWOOD

A meeting was held Thursday evening for the purpose of making a further effort to secure Bull Run water for this district. The meeting was well attended and but five objectors out of more than 100 for the project were present. It was decided that those who do not desire the water withdraw from the district and either form a new district or remain out altogether. Committees are at work trying to adjust the trouble in regard to these objections. There have been a number of requests that the boundaries of the district be extended.

Sunday school will convene at the Methodist church at 10 a. m. with Epworth League at 6:45 in the evening, followed by preaching at 7:30 by the pastor, the Rev. J. Stanford Moore, from the topic, "A War for Peace."

POWELL VALLEY

A. C. Arvidson has disposed of his 30-acre farm to A. M. Nichols who formerly lived in Wyoming, but who for the past year has been a resident of Los Angeles. Mr. and Mrs. Nichols have been here during the past summer visiting a son in Portland also Mrs. Marion Johnson and Miss Elizabeth Johnson, postmaster in Gresham. They were much pleased with this section of the country, with the result that they decided to purchase a home here. The consideration for the 30 acres and modern residence is \$12,300. Mr. Arvidson and family will give immediate possession to the purchasers, having bought one half of the Walford Bottleson estate, comprising 7 1/2 acres, and will move at once. The Bottleson heirs are Henry and Ella Bottleson, Charles Johnson and Mrs. Thorvald Anderson.

Andrew Ahlinder is erecting a modern four-room cottage on his ten-acre tract which he purchased from A. C. Arvidson three years ago.

Eleanor Wilner has been suffering for the past week with a severe attack of bronchitis.

A radio receiving set was temporarily installed at the Powell Valley schoolhouse Tuesday evening by Paul Palmblad for the purpose of announcing election returns. There was a fine attendance and all were well pleased with the demonstration. The Parent-Teacher association served refreshments, from which about \$8 was realized, which will be used to help defray the expenses of serving hot lunches to the pupils during the coming winter.

The services of the Mission church will be as usual, Sunday school at 10, followed by preaching at 11 by the pastor, the Rev. O. F. Wilner. The young people will put on a special program at 7 o'clock in the evening, after which the pastor will preach.

LUSTED

Lee Woods and Miss Myrtle Brook of Cottrell were married at the courthouse in Oregon City on the 23d of October. They were attended by the bride's mother, Mrs. E. R. Brook, and her two sisters, Mrs. Jane Nash, of Troutdale, and Mrs. Carrie Chandler, of Portland. A reception was given the couple in the evening at their new home near Cottrell station at which 75 neighbors and friends were present.

The Parent-Teacher association will give a pie social on the evening of November 14 at the schoolhouse to which all are invited. Lee Woods is president and Miss Louise Miller is secretary of the Parent-Teacher association.

ROCKWOOD RESIDENTS SEEK ROAD EXTENSION

An extension of east Glisan street from the Rockwood road to the Troutdale road has been petitioned by 66 residents of the Rockwood road district, while a remonstrance has been signed to the project by 49 residents of the same locality. The former Multnomah county commissioners were said to be favorable to the idea and it yet remains to be seen how the present commissioners will view the situation. It is said by those interested that there is a good sentiment in favor of the road to Fairview, but from Fairview to Troutdale a new road would cut up a good many large farms and those opposed regard a change at this time as unnecessary. There will be a second hearing on November 26 at which time something definite will probably be decided upon.

Sunday school will be held at the Methodist Episcopal church at 10 o'clock, followed by preaching at 11 from the topic, "The Voice of the Silent."

UNION HOME

By WALTER RAMSER.

On the writer's farm the fall seeding and the most necessary fall work is almost done, and the evenings are getting longer and last but not least, the campaign is over, so there is hoping that off and on a news letter to the Outlook may be forthcoming. Some of the news in this and some of the next following letters may not be right up-to-date, but I am sure it will be new to most of the readers outside of our own immediate locality.

Jake DeYoung took down with appendicitis very suddenly some time ago, and was operated on in Oregon City. He has been home now several weeks and is getting along fine. Arthur Ledbury did some of his seeding and chores for him. Then while Jake was in the hospital his son Vernon took scarlet fever, but Vernon is over it now, and we hope none the worse for it.

Scarlet fever had a start in this locality some time ago, but with rigidly enforced precautions an epidemic has been averted.

Mr. Wellman is badly bothered with a cold which he cannot get rid of. At times it gets him down completely.

"A few weeks in northern California did my health worlds of good" said Mr. Teevin, after returning from the sunny state, with his wife, who had accompanied him there.

FAIRVIEW

"A Christlike Disposition" will be the theme of the sermon Sunday morning at 11 o'clock at the Smith Memorial Presbyterian church by the pastor, the Rev. E. R. D. Hollensted. A congregational meeting will be held after the service to which all members and friends are invited to remain. Sunday school will meet at 10 o'clock.

The newly-elected officials at the recent municipal election are as follows: E. E. Heslin, mayor; George Dolph, recorder; John Moller, treasurer; John Peterson, Roy Stone and W. D. Brooks, councilmen for the 2-year term; R. R. Morrill, councilman for the 1-year term; James Burlingame, marshal.

Sunday school will be held at 10 o'clock in the Methodist Episcopal church. The Epworth League will meet at 6:30, followed by public worship at 7:30, which will consist of the observance of Armistice day. The Rev. C. B. May of Portland will preach at this service.

Boring Church Announcements.

The Sunday school meets next Sunday at 10 a. m. instead of 10:45. There will be no church service on account of the District Sunday school convention to be held at the Haley Baptist church. Everyone is urged to go to the convention. The morning session begins at 11:20. Everyone will take his lunch, and all will eat together at noon.

The Moral Risk

WHEN the time comes to seek credit, a bank will want to know what you ARE as well as what you HAVE.

That's where the moral hazard comes in.

And you can't establish credit over night. Rather, it is a matter of becoming KNOWN at your bank, of establishing confidence by the way in which you have kept your account, regardless of the amount you have to your credit.

Get acquainted—that's the first thing. Then develop that acquaintance into friendship. It will stand you in splendid stead when the time comes. Remembering also, that this bank offers you a complete banking service.

CHANGE TO ZEROLENE WINTER LUBRICANTS

Long starting sessions in the morning with your car are neither safe nor necessary.

You need Zerolene low "cold-test" oils that flow freely in spite of the cold. Since they won't congeal, they don't let cylinder walls or bearings get scored, nor cause crankcase dilution, nor make you overwork your starter and battery.

The Zerolene Correct Lubrication Chart tells you the right oil to use in your car over the winter.

Head for the Zerolene sign at dealers, garages or Standard Oil Service Stations and make the change to winter lubrication today.
